**NOTICE OF PUBLIC HEARING**

The County of El Dorado Board of Supervisors will hold a public hearing in the Supervisors Meeting Room, 330 Fair Lane, Placerville, CA 95667 on December 12, 2017, at 2:00 p.m., to consider the Meyers Area Plan submitted by EL DORADO COUNTY updating the existing Meyers Community Plan (MCP), adopted in 1993, which currently serves as the comprehensive land use and zoning plan for the community of Meyers, consistent with the Lake Tahoe Regional Plan and the El Dorado County General Plan. The MCP establishes goals and objectives, special policies, programs and strategies for funding and implementation for projects in Meyers. The proposed Meyers Area Plan (MAP) builds upon the MCP and maintains many of the same vision, policies and priorities. Upon adoption, the MAP will replace the MCP, and all or a portion of Tahoe Regional Planning Agency (TRPA) Plan Area Statements 119 (Country Club Meadow), 122 (Tahoe Paradise – Mandan), 136 (KOA/Rainbow), 125 (Meyers Commercial), and 137 (Christmas Valley). Area Plan adoption will also require revisions to the County's Zoning Ordinance, including zoning maps, Section 130.58.IV (MCP Districts), and Section 130.74.045 (MCP Design Review Process and Requirements). The MAP is intended to realize the Meyers Community Vision, assist in achieving and maintaining TRPA's Environmental Threshold Carrying Capacities, and implement the policy direction of both the TRPA Regional Plan and El Dorado County General Plan. This plan updates 20-year old policies to streamline permitting, improves consistency between El Dorado County and TRPA policies and standards, conserves land around the Upper Truckee River, formalizes a local citizens advisory council, and integrates design standards and guidelines. (County Planner: Brendan Ferry) (Mitigated Negative Declaration prepared)
