Subject: El Dorado County Counsel Software and Licensing by Computer Works, Inc., Agreement – Amendment III

Recommendation:

County Counsel recommends the Board of Supervisors approve Amendment III to the Agreement with Computer Works, Inc. to supply the department with ongoing license maintenance, support and upgrades to the software known as InterTrac For Law, subject to 30 day cancellation by County.

Reason for Recommendation:

The current compensation schedule expires June 30, 2007. Amendment III increases funding to cover support and licensing beginning July 1, 2007 and amends the language of Article IV, Compensation for Services.

Fiscal Impact:

Cost of the Agreement for Fiscal Year 07/08 is not to exceed \$20,000 fiscal year to cover costs of licensing fees, support and maintenance and will continue to be budgeted annually for the maintenance of this software as long as the software is being utilized by this Department.
