9. COMPENSATION

NATIONWIDE agrees that its fees for services under this Agreement will be the first 0.44 percent (44 basis points) annualized of Distribution and Administrative Revenue (as defined herein), based upon average monthly total NRS Part assets. The revenue to be included in this calculation shall include any Distribution and Administrative Revenue actually paid to NATIONWIDE, in connection with the sale and servicing of the investments allocated to participant accounts. Revenue earned by affiliated NATIONWIDE companies or businesses in connection with the NRS Part investments, and not directly credited to NATIONWIDE for administrative services shall not be included in the calculation.

NATIONWIDE will calculate the actual Distribution and Administrative Revenue it receives, as described herein, each calendar quarter. NATIONWIDE will also calculate the total NRS Part assets for the quarter, based upon the average monthly balance in all participant accounts and determine if the total Distribution and Administrative Revenue is equal to one quarter of 44 basis points (11 basis points) of the total NRS Part assets including but not limited to participant directed assets and assets associated with loans.

Should the total Distribution and Administrative Revenue for a calendar quarter be less than 44 basis points, annualized, for the preceding calendar quarter, NATIONWIDE shall notify the EMPLOYER of the amount of the shortfall. The EMPLOYER shall have thirty (30) business days from the date of such notification to determine whether to pay the amount of the shortfall directly to NATIONWIDE or to authorize NATIONWIDE to deduct the difference directly from participant accounts on a per capita or pro rata, quarterly basis, and to authorize NATIONWIDE to liquidate investments from each participant's account on a pro rata basis across the investments in each account when payable.

Should the total Distribution and Administrative Revenue for the preceding calendar quarter exceed 44 basis points, annualized, NATIONWIDE agrees to make payment to the EMPLOYER of any such amounts in excess within thirty (30) business days of the end of the calendar quarter. At the direction of the EMPLOYER, NATIONWIDE may direct the excess revenue received by the EMPLOYER back to participant accounts. Such excess may be distributed on a pro rata or per capita basis and will be deposited into each participant's stable value option.

Included with any notification of revenue shortfall or payment of revenue in excess of 44 basis points, NATIONWIDE agrees to provide the EMPLOYER a Quarterly Administrative Revenue Report on all revenue and fees received in connection with the NRS Part. This shall include but not be limited to all revenue associated with the NRS Part and received by it and its affiliates including distribution and administrative fees as described below, and all other fees associated with the NRS Part. NATIONWIDE agrees to update all of this information in writing to the Committee on a quarterly basis. A sample report of these calculations is given in Exhibit C. The parties agree to the extent allowed by law the foregoing fees and revenue shall not be disclosed except to assist the deferred compensation committee in the implementation of the EDCDC PLAN.

Components of Distribution Revenue and Administrative Revenue

Outside Mutual Fund Sub Transfer Agency Fee means the portion of the transfer agency fee paid by an unaffiliated mutual fund to its transfer agent that is paid to NATIONWIDE in connection with plans record kept by NATIONWIDE.  4. Outside Mutual Fund Administrative Fees means the fees (other than OMF Sub TA Fees, and OMF 12b-1 Fees) paid by an unaffiliated mutual fund (or its affiliate) to NATIONWIDE in connection with plan records kept by NATIONWIDE.

Each party shall pay its own expenses with respect to the arbitration, and the expenses of the arbitrator(s) shall be equally shared. Nothing herein shall prevent the parties from settling any dispute by mutual agreement at any time.
- (c) The arbitrators will have no authority to award punitive damages or any other damages not measured by the prevailing party's actual damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of this Agreement.
- (d) Either party, before or during any arbitration, may apply to a court having jurisdiction for a temporary restraining order or preliminary injunction where such relief is necessary to protect its interests pending completion of the arbitration proceedings.
