Subject: Marijuana Farm

You don't often get email from stephen.ferry@me.com. [Learn why this is important](#)

Commissioner Nevis,

You will be deciding on a Marijuana farm on South Shingle Road on Wednesday. Considering that the thousands of homeless drug addicted in California probably started on Marijuana, the gateway drug, I suggest you Deny Commercial Cannabis Use Permit CCUP20-0004 and Variance V23-0002. Also having a farm close to school bus stops is unconscionable.
