Subject: Local Government Waste Tire Amnesty Grant Application and TA6, FY 2021–22 – Grant ID 24187), El Dorado County

Dear Mr. Engle:

Thank you for applying for a FY 2021–22 Local Government Waste Tire Amnesty Grant. We had an outstanding response to the grant solicitation and as a result, the evaluation process was very competitive. The application you submitted received a qualifying score; however due to limited funds and the reduction in those funds due to COVID-19, we will not be recommending an award to you at this time. Based on the ranking process for this grant you were placed in Rank 4. We were able to fund Ranks 1-2 and partially the highest ranked application in Rank 3 (based on lowest cost per tire). However, we will contact you immediately should additional funds become available. We sincerely hope that you will apply again for a Local Government Waste Tire Amnesty Grant and appreciate your interest in this grant.

In most cases, CalRecycle's scoring is final. Disagreement with the final result of your score does not constitute grounds for appeal. **An appeal will only be considered if it demonstrates a mistake or material error by CalRecycle.** If you think the correction would increase your score to the point it would be funded, submit a concise letter of appeal to the Branch Chief, Michelle Martin, at [FundingAppeals@CalRecycle.ca.gov](mailto:FundingAppeals@CalRecycle.ca.gov). The letter of appeal must be: (1) on the applicant's official letterhead; (2) signed by an authorized signatory; and (3) received by CalRecycle no later than five business days (June 15, 2021) from the date of this notification. No new information or documentation beyond what was included in your application will be considered. You will be notified of CalRecycle's decision, in writing, by June 29, 2021.

If you have any questions regarding your application or appeal process, please contact Cathy Aggergaard at (916) 341-6384 or [Cathy.Aggergaard@CalRecycle.ca.gov](mailto:Cathy.Aggergaard@CalRecycle.ca.gov).

Sincerely,  
*Jeffrey Lin*
