BOARD OF SUPERVISORS  
EL DORADO COUNTY

Yesterday we received a letter from you stating that Census 2010 would be arriving next week and for us to complete it and return. It also stated the importance of Census 2010.

The problem is you have our city as "Folsom, California." It is El Dorado Hills, California.

That makes a big difference to us, because Folsom is in Sacramento County and El Dorado Hills is in El Dorado County.

We realize with this error that the census may defer any monies from El Dorado County to Sacramento County if this is not corrected immediately.

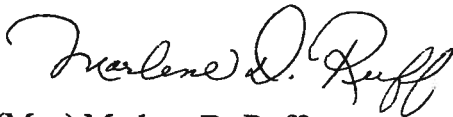

I telephoned your office today and was told that when the Census 2010 arrives we are to "Just scratch out the wrong city and write in the correct one."

That seems to me as if it will go completely unnoticed.

We hope this matter is researched and any necessary corrections made as El Dorado County residents consider the Census 2010 extremely important.

Thank you.

Respectfully submitted,

(Mrs.) Marlene D. Ruff

Dear Resident:

About one week from now, you will receive a 2010 Census form in the mail. When you receive your form, please fill it out and mail it in promptly.

Your response is important. Results from the 2010 Census will be used to help each community get its fair share of government funds for highways, schools, health facilities, and many other programs you and your neighbors need. Without a complete, accurate census, your community may not receive its fair share.

Thank you in advance for your help.

Sincerely,

Robert M. Groves  
Director, U.S. Census Bureau
