Dear Ms. Demarest:

The Women's Fund El Dorado is pleased to inform you that its membership has voted to fund the purchase of a washer/dryer combination for the new El Dorado Hills Senior Day Care Center in the amount of \$1,447.79.

The Women's Fund El Dorado is very proud of the impact that we are able to make in our community. In the past six years, we have granted over \$250,000. As a recognized resource in our region, we would greatly appreciate that you include our organization as a funding source for your agency in all of your literature and media exposure.

On behalf of the WFED Cabinet, we wish you success. If you have any questions about your grant, please contact Robyn Parker, Grants Committee Chair, at (530) 417-6637 or by email to wfedgrants@eldoradocf.org.

Sincerely,

Maureen Carter, Chair
