Congratulations! The Department of Resources Recycling and Recovery (CalRecycle) approved funding your project on March 18, 2019. The Grant Agreement package consists of the following:

- Grant Agreement Cover Sheet (attached)
- Exhibit A – [Terms and Conditions](#)
- Exhibit B – [Procedures and Requirements](#)
- Exhibit C – Application (attached)

Please review the Grant Agreement package and complete the grantee portion of the Grant Agreement Cover Sheet, CalRecycle 110 (Grant Agreement). Your specific award amount is located in the Grant Agreement. Please review the Payment Address included on the Grant Agreement carefully. This is where all payments will be sent. If changes to the Payment Address are required, please contact me directly as soon as possible.

Note: This email is being sent to all contacts associated with this grant. It is the Primary Contact's responsibility to coordinate the completion and submittal of the Grant Agreement.

The grant award is subject to two conditions as stated in the [Request for Approval of Awards for the Local Government Waste Tire Enforcement Program](#). If the Grant Agreement is not signed and physically received by CalRecycle **OR** the recommended grantee does not pay or bring current all outstanding debts or scheduled payments owed by it to CalRecycle within 60 calendar days of the date of this letter, April 3, 2019, then the proposed grantee will not have fulfilled the required conditions, and *the award will be void*.

The Grant Agreement must be signed by the authorized signatory identified in your Resolution. If the Resolution authorizes a Designee and the Signature Authority would like to designate another individual to sign on his or her behalf, the authorized signatory must provide a new Letter of Designation identifying the job title of the Designee.

Please retain all Grant Agreement package documents, which include Exhibits A through C, for your records and return **only** the Grant Agreement Cover Sheet to:

Via standard US Mail:	Via courier/personal delivery:
CalRecycle Local Government Waste Tire Enforcement (TEA) Grant Attn: Maria Kennedy, MS 9A P.O. Box 4025 Sacramento, CA 95812-4025	CalRecycle Local Government Waste Tire Enforcement (TEA) Grant Attn: Maria Kennedy, MS 9A 1001 I Street Sacramento, CA 95814

Upon execution of the Grant Agreement by both parties, CalRecycle will return a copy of the executed Grant Agreement. **Any work performed or costs incurred prior to the start of the grant term will not be eligible for reimbursement.**

If you have any questions regarding the Grant Agreement package, please contact me at (916) 341-6689 or Phanessa.Fong@CalRecycle.ca.gov.

I look forward to your participation in this grant program.

Sincerely,

Phanessa Fong
