Dear Board of Supervisors,

I cannot attend the November 21, 2014, meeting and this email comment is to take the place of my personal attendance.

The citizens of El Dorado County have been asking for clarity and protections of our way of life for decades. I urge you to adopt the Initiative to Retain Current Zoning and Rural Assets so that important protective policies promised in our General Plan are implemented and restored before any more discretionary projects are approved.

Thank you,

Martin Morrison

Subject: **Nov.21, '14 BOS Meeting**, Initiative to Retain Current Zoning and Rural Assets (Agenda Item #14-1470)

Dear Supervisor,

Do not be stampeded by the billionaire developers and by their multi-million-dollar campaigns to defeat anti-sprawl Measures M & O and associated supervisorial candidate. Do not draw a false conclusion about the Nov. 4th election. It was not a referendum on how the public feels about sprawl. *The people do not want urban-style sprawl in our county.*

I urge you to **adopt the Initiative to Retain Current Zoning and Rural Assets on Friday**, so that important protective policies promised in our General Plan are implemented and restored *before* any more discretionary projects are approved.

Thank you.
