February 2025

Grizzly Flats Community
PO Box 370
Grizzly Flats CA 95636

Mrs. Adams and Board of Directors:

All of us here at The Food Bank of El Dorado County would like to thank you for Grizzly Flats Community's partnership over the years. In 2024 as a team we were able to procure, store and distribute 216476lbs of food with a value of \$57,640.32.

The true magnitude of our partnership is truly remarkable serving thousands of our neighbors that struggle to make ends meet week in and week out. Simply put together we are a local safety net for El Dorado County's at risk population.

On top of that, the fellowship that comes along with this food distribution is totally amazing, Grizzly Flats Community truly cares and the community knows it.

From everyone here at the Food Bank we wish you all a Happy New Year and look forward to working together in 2025.
