BOARD OF SUPERVISORS
EL DORADO COUNTY

Dear Supervisor Helen Baumann

El Dorado County is a very beautiful County and the one thing that is lacking is private Wedding Venues.

We ask that you take a minute and look at the existing private Wedding Venues that this county offers.

You will see that the selection is very limited. Our research was only able to locate a possibility of one.

Yes, there are Wedding Venues such as Wineries, Bed and Breakfast, Restaurants and Churches but

they are not private. What we mean by private is that as the wedding is taking place the Venue is not

open to the public. There would not be any public traffic occurring nor would non invited guest be allowed

on private premises. Sacramento, Placer and Yolo Counties offer private venues. El Dorado County

should be among them and be able to offer private venues as well.

Wedding events have the potential to support existing businesses in the County, to list but a few, Hotels, Restaurants, Gas Stations, Caterers, Bakeries, Florist, Formal Wear, Ministers and Photographers.

What is already allowed with a Special Use Permit are businesses such as; Churches, Schools, Parks, Golf Courses, Kennels, Mining, Drilling, and Airports. Please consider

private Wedding venues to be allowed with a Special Use Permit in a RE-5 zone. We believe that a Wedding venue would not negatively affect the characteristics of the neighborhood any more than what is already allowed.

Thank you for your consideration in this matter.

Sincerely,

Corene Becker
