WITNESSETH

WHEREAS, County has determined that it is necessary to engage a contractor to provide liability claims administration services for the Risk Management Division of the Human Resources Department; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provisions of such services provided by Contractor are in the public’s best interest, are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code Section 31000, and specifically by Government Code Section 31000.8;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to perform as the administrator of the County's self-insured liability claims program. Contractor will provide a dedicated adjuster to County's account and office space and necessary office equipment will be provided by the County. The Contractor will supply its dedicated adjuster with a computer and necessary proprietary software for use in performing claims administration duties.

Contractor will manage and administer liability claims as described below or as may be assigned by the County during the term of this agreement. Contractor shall investigate, evaluate, process, manage and resolve bodily injury, personal injury and property damage claims and potential claims for money damages asserted by third parties against County, its officers, agents, or employees for which County, its officers, departments, commissions, or related agencies, or any of its employees is alleged to be legally responsible. Contractor will coordinate, consult, and fully cooperate with County personnel in the administration of those claims referred to herein.

Specific services and the guidelines for the performance of such services include, but are not necessarily limited to:

- A. County will maintain an imprest account for the payment by the Contractor of proper charges against the County, arising from liability claim payments and allocated claims expense. The imprest account shall be reimbursed monthly to maintain a minimum balance of \$25,000, or greater if needed, of which will be maintained and established in compliance with Government Code Section 31000.8. Contractor shall notify the County in advance when the imprest account needs to be replenished, and the amount necessary to be deposited. Contractor shall provide the Risk Manager a monthly check register and report in a form satisfactory to the County which details all disbursements made by Contractor on behalf of the County, together with a monthly reconciliation of the imprest account, and shall make such other reports on the status of the imprest account and disbursements therefrom as may be required by the County. The imprest account shall not be used for any payment to Contractor for services rendered hereunder.
- B. Contractor will receive, examine, and investigate as warranted or may be directed by the County, all reports of accidents, incidents, claims or cases which are, or may be, the subject of liability claims. Contractor may, in its discretion or as directed by the County, immediately reject claims and deny applications for leave to present late claims or otherwise act as authorized by Government Code Section 31000.8 with respect to claims which require notice of Board action.
- C. Contractor will provide complete administration service on each accident or incident assigned which is, or may be, the subject of a liability claim. Contractor shall consult with County Counsel and Risk Manager with respect to the facts, liability and disposition of all claims, including notices allowed or required by the Government Tort Claims Act, and authority to settle any claim by the Contractor when such authority is not already granted by resolution of the Board of Supervisors or other authority. County Counsel or the Risk Manager may delegate to the Contractor any and all duties authorized by Government Code Section 31000.8 not

specifically reserved for or retained by the County herein or by resolution of the Board of Supervisors or other authority.

- D. Contractor shall engage counsel for the purposes specified in, and as authorized by, Government Code Section 31000.8. Contractor may also engage expert, appraisal, and specialized investigative or other related services as may be necessary or appropriate for the defense or other resolution of claims within the Contractor's scope of services. All bills for legal fees and related costs for all claims referred to Contractor shall be reviewed by Contractor as to appropriateness, after which, the above described fees and costs will become County charges and will be paid by Contractor from the trust fund in accordance with Government Code Section 31000.8; provided that upon request of the County Auditor, the proposed payments shall be submitted to the Auditor for timely review prior to payment. The County may provide for payment in an alternative manner, including payment directly by County, if desired.
- E. All claim files, documents, computation forms and other claim data are acknowledged to be the property of the County. Contractor at all times must maintain complete and detailed claim files as well as a claims log within the Claims Management Information System. Contractor will provide monthly loss run reporting of claims information at no additional cost to the Risk Manager, no later than (15) days after the end of each month during the term of this agreement. These reports must include the status of each open claim, including details of payment and outstanding reserves for the month and year covered by the report. Such report must also include a detailed listing of all claims by department, loss payments, open reserves, summary description by type of losses and a detailed listing of all drafts or checks written. A list of monthly reports will be agreed upon by Contractor and County. Contractor shall provide statistical and financial reports to County on all fees and costs paid on liability claims in a form acceptable to the Risk Manager.
- F. Contractor provides the County 24/7 read only web access to the computer file records of claims within its Claims Management Information System.
- G. Contractor shall establish and maintain liability and expense reserves on each claim which fairly and adequately reflect the County's exposure according to standard practices and County requirements. Periodic review and adjustment of reserves, if necessary, will be performed on all open claims to reflect most recent status.
- H. Contractor will assume all responsibility for ongoing reporting and notification to the excess carrier or self-insured pool on behalf of the County in accordance with the specific requirements of the excess carrier or pool.
- I. Contractor will keep County fully informed of all significant developments in assigned matters.
- J. Contractor will comply with all required federal and state income forms to claim recipients.

- K. Contractor agrees to hold in trust and confidence all confidential information disclosed to or obtained by Contractor pursuant to or in the performance of this Agreement. Contractor will not disclose the confidential information without the prior consent of the County or as otherwise required by law.

- L. Contractor and ExamWorks, formally Gould & Lamb (G&L), shall provide all necessary services to ensure County compliance with the Medicare, Medicaid, and SCHIP Extension Act of 2007 (MMSEA), including the retention and contracting of ExamWorks for Mandatory Insurer Reporting (MIR) for County. ExamWorks shall represent County and Contractor and shall be the designated reporting agent. County will be the Responsible Reporting Entity (RRE) for its claims. Contractor will be responsible for gathering and timely reporting accurate claims data required by the MMSEA to ExamWorks. Contractor agrees to assume the responsibility for reporting data to ExamWorks to meet all reporting requirements in accordance to the MMSEA, on behalf of County, including assuming responsibility for any fines or penalties that are directly caused by Contractor's non-compliance and or failure of ExamWorks to comply with MMSEA. ExamWorks shall perform the MMSEA Mandatory Insurer Reporting function for Contractor and County, without charge to the County, subject to the following: County will designate ExamWorks, unless otherwise requested, as its exclusive agent for all of County's "Qualified Referrals" (those claims determined to require Medicare Set Aside (MSA) or a Claim Settlement Allocation (CSA)).

Through a separate contract with ExamWorks, ExamWorks shall indemnify and hold GHC harmless from and against any claim, damage, fine, loss and expense arising in connection with, or as a result of, any error, omission, or negligent performance of its obligations as reporting agent, which indemnity shall include all reasonable costs of litigations and attorneys' fees incurred. Without in any way limiting the indemnity set forth in this Agreement, all work performed by ExamWorks shall be done in a compliant and professional manner.

Pursuant to Article XII, Notice to Parties, Contractor shall provide appropriate notification to County of changes pertinent to the release of ExamWorks as a responsible party for Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA) reporting requirements. At which time Contractor will assume full responsibility of ensuring Counties compliance with appropriate reporting requirements as state above.

ARTICLE IV

Taxes: Contractor certifies that as of today’s date, it is not in default on any unsecured property taxes or other taxes or fees owed by Contractor to County. Contractor agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE V

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE VII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE VIII

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and sub-Contractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE IX

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE X

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XI

Default, Termination, and Cancellation:

- A. Default: Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. Bankruptcy: This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.

If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

- C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.

3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. - D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
 - E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
