Subject:	Please support animal shelter recommendation by DOT	

Dear Cynthia,

We're writing to express our hopes that the board of supervisors will support the animal shelter proposal by the DOT. It's been far too long that the animal shelter has been on the back burner, and so many folks would like to see the new shelter built quickly.

Please pass a copy of this to each of the supervisors before the scheduled meeting takes place tomorrow. We would be there in person to support the shelter project, but unfortunately will be out of town tomorrow.

We thank the supervisors in advance, on behalf of the animals, for any efforts they make in getting the shelter completed quickly. You can't imagine how many folks support this, and are disappointed that the shelter has been on the back burner for so long. Most people don't take the time to write about it, but they do care about the animals, and want the new shelter completed.

Thank you very much.

Sincerely,

Patrick & Diana O'Bryon
