## EDH Community Redistricting Alternative - Revised A

---

Ellen Katz <ellen.k4575@gmail.com>  
To: edc.cob@edcgov.us

Tue, Nov 16, 2021 at 7:49 AM

I strongly oppose "EDH Community Redistricting Alternative - Revised A" as it would inappropriately separate Shingle Springs from rural communities to the north and place us with El Dorado Hills, a populated community.

I strongly encourage the Board to adopt the "EDH Community Redistricting Alternative - Revised B" map. The Revised B map keeps Shingle Springs where it belongs -- **in a rural district** with Rescue, Coloma, and the Georgetown Divide (similar to the current Supervisor District 4 boundaries).

Thank you for your consideration of this request.

Ellen Katz  
4575 Hillwood Drive

Cc: The BOSONE <bosone@edcgov.us>, Bostwo <bostwo@edcgov.us>, Bosthree <bosthree@edcgov.us>, Bosfour <bosfour@edcgov.us>, Bosfive <bosfive@edcgov.us>

Honorable Supervisors,

As a resident of District One I deeply appreciate your efforts during this poorly planned process.

In reviewing the draft alternative maps as proposed, Community revised map B is the best current solution. It keeps the most northern parts of EDH and includes the eastern area of Bass Lake in District One. The southern boundary enables residents south of Hwy 50 to be in the same district while also including all of Cameron Park.

I support the El Dorado Hills Community Revised B Map.

This map keeps our communities aligned,

Out of the four Draft Alternative Maps, we urge you to support El Dorado Hills Community Revised B Alternative Map. It represents the best available compromise that respects communities of interest in the largest population centers of El Dorado Hills and Cameron Park in El Dorado County. The El Dorado Hills Community Revised B Alternative Draft Map meets each of the mapping factor priorities, and aligns with the desires of our various Communities of Interest:

Glenn Krakow  
District One

County of El Dorado Clerk of the Board <edc.cob@edcgov.us>

## Agenda Item 40, Nov. 16 Board meeting - PLEASE ADOPT ALTERNATIVE - REVISED B

---

Erin Dorrrough <edorrrough@sbcglobal.net>  
To: "edc.cob@edcgov.us" <edc.cob@edcgov.us>

Mon, Nov 15, 2021 at 9:46 PM

Dear Board of Supervisors,

I am a 16 year resident of El Dorado County. My family and I live in Shingle Springs and we deeply value the rural character of our community and specifically moved to this community in search of a more rural lifestyle.

In your consideration of a new Supervisor District map, please know that my family and I are in favor of "EDH Community Redistricting Alternative - Revised B."

We oppose "EDH Community Redistricting Alternative - Revised A" because it would separate Shingle Springs from other rural communities and instead place us with El Dorado Hills. The EDH community has very different priorities re: land use and growth than Shingle Springs. We deserve representation that accurately reflects what we want to maintain and protect.

Sincerely,

Erin Dorrrough  
Shingle Springs

Mon, Nov 15, 2021 at 8:21 PM

Dear EDC Board of Supervisors,

While I am not able to attend the Tuesday 11/16 meeting, I wanted to voice my concern regarding the proposed redistricting and specifically REVISED MAP A. It makes no sense to split Cameron Park between 2 districts at Hwy 50. While I am a resident in District 4, keeping Cameron Park unified and together in one district is what makes sense. I would support adopting the REVISED MAP B or REVISED 2B MAP.

Thank you for your consideration.

Meg O'Neill

## Comment on 11/16/2021 Agenda Item 40

---

**Karen Dager** <frenchtown87@yahoo.com>

Mon, Nov 15, 2021 at 5:55 PM

To: edc.cob@edcgov.us

Dear Supervisors,

We have lived in Shingle Springs (Frenchtown) for 34 years and have enjoyed the rural environment that is so appealing in our community. If redistricting combines us with the El Dorado Hills area, we would be at high risk of not having a voice for rural living due to the heavy growth initiatives that are promoted in the southern El Dorado Hills region. It makes more sense to include Shingle Springs with other similar rural communities.

Please do NOT consider "EDH Community Redistricting Alternative - Revised A", which would decrease Shingle Springs' representation on important issues, such as high density development, etc.. We fully support "EDH Community Redistricting Alternative - Revised B".

Respectfully,

William and Karen Dager

---

Deana Visentin <caldixiechick48@gmail.com>

Mon, Nov 15, 2021 at 6:18 PM

To: edc.cob@edcgov.us

As a resident of Shingle Springs, I'm encouraging a NO vote on the redistricting proposal referred to as "EDH Community Redistricting Alternative Revised A." Shingle Springs is a rural community and we would like to keep it that way. Our property values and quality of life are in large part due to the rural nature of the community. Many of us raise livestock, farm and/or ranch. Issues that concern us are best represented by a supervisor without competing interests of urban areas with greater populations. I urge you to adopt "EDH Community Redistricting Alternative Revised B" instead.

Thank you.

Board of Supervisors,

I am opposed to the "[EDH Community Redistricting Alternative - Revised A](#)". It would mix apples and oranges by moving Shingle Springs away from its rural neighbors and align us with the new EDH Housing developments. This does not meet the criteria to keep communities together. Shingle Springs aligns most closely with Rescue and that is my preference but I am not opposed to the other map so long as it is not "[EDH Community Redistricting Alternative - Revised A](#)".

Thank you for taking into account my feedback.

**Take Action!**

Provide Input on New Supervisor District Maps  
Public Hearing #5, Tuesday, November 16, 2021 at 1:30pm

Time is running out for the Board of Supervisors to adopt new supervisorial district maps as a result of the 2020 Census. The Board must adopt a map by the end of 2021 and one of the primary criteria is to keep communities together within a single district. Please magnify the maps and see how your neighborhood will be impacted.

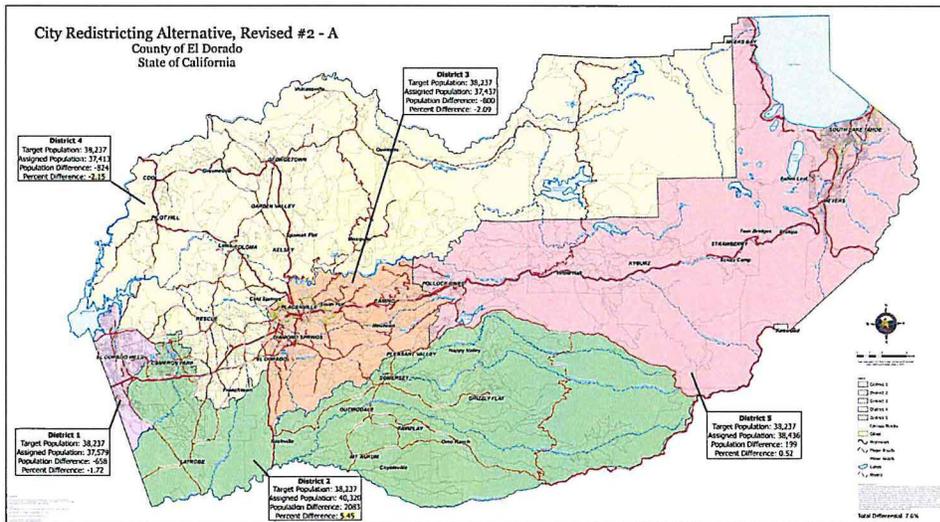

**The hearing will be at 1:30 P.M. on Tuesday, November 16th. Public input is invited, either in person, via Zoom, or by phone.**

**To join via Zoom go to <https://zoom.us/j/83473957012>. To join by phone, call 530-621-7603 or 530-621-7610.**

Comments sent to the Clerk of the Board at [edc.cob@edcgov.us](mailto:edc.cob@edcgov.us) prior to Monday, 11/15, at 4pm will be distributed to all 5 Supervisors and made part of the public record.

**City Redistricting Alternative, Revised #2 - A**

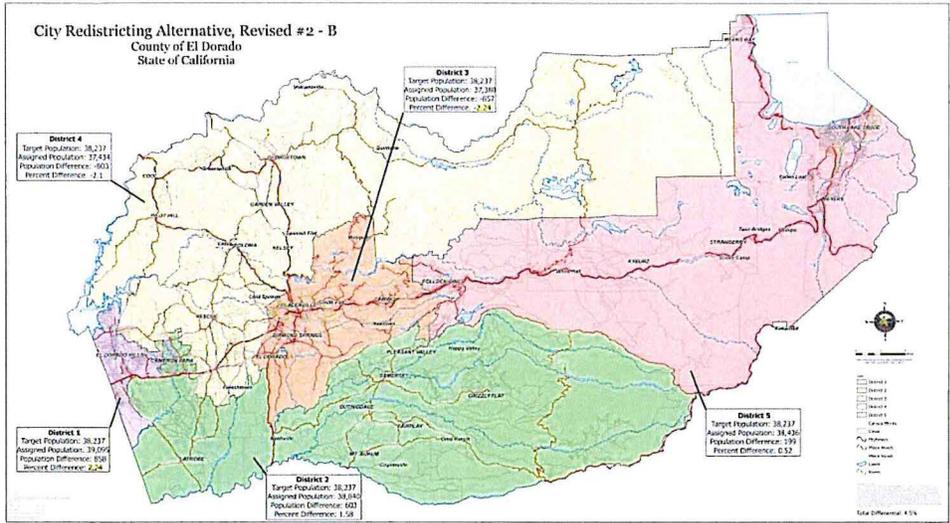

<https://www.edcgov.us/Government/Elections/Documents/Maps/CityRevised2AMap.jpg>

This map keeps most communities of interest together in one district. Zoom in to see the proposed boundary between Cameron Park and El Dorado Hills. Do you like this proposal or have suggestions for these boundaries?

**City Redistricting Alternative, Revised #2 - B**

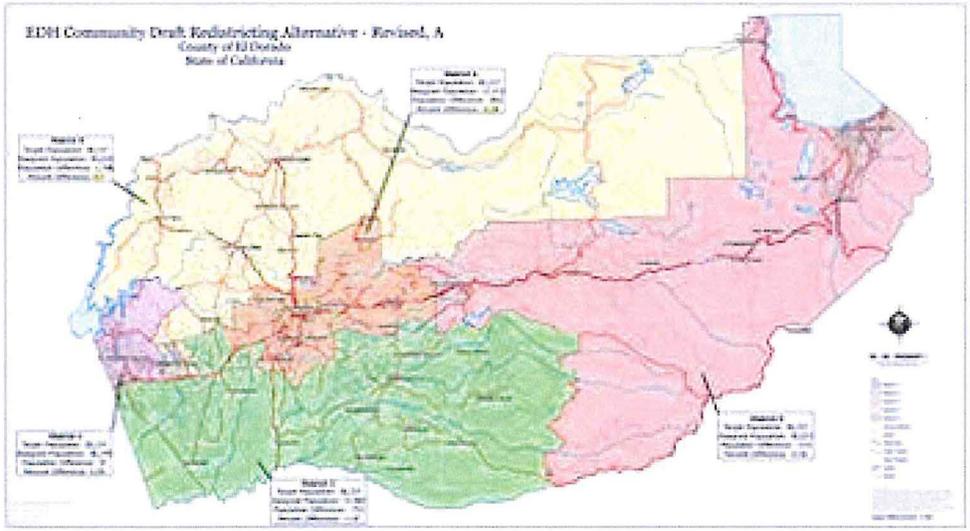

<https://www.edcgov.us/Government/Elections/Documents/Maps/CityRevised2BMap.pdf>

This map splits Mosquito away from the Divide. It also splits the northern portion of El Dorado Hills along Green Valley Road into different districts. Do you like this proposal or have suggestions for these boundaries?

**EDH Community Draft Redistricting Alternative - Revised, A**

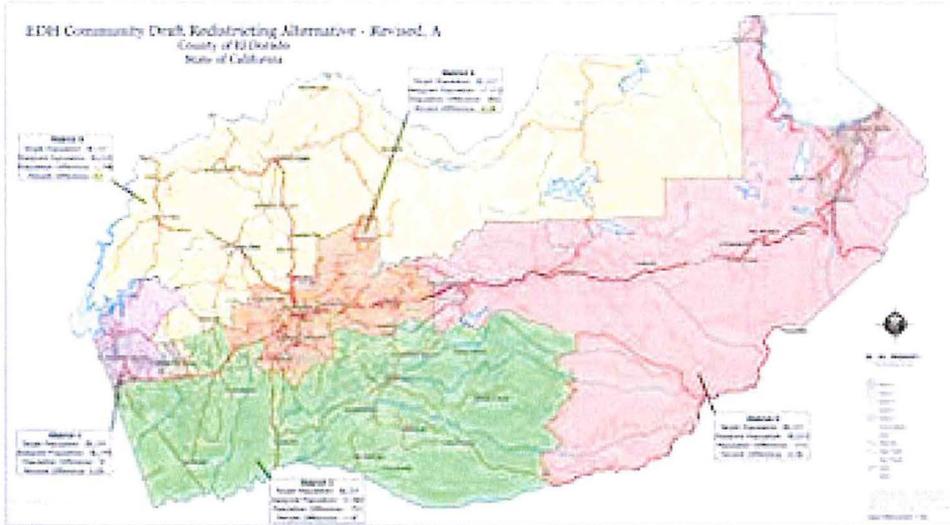

<https://www.edcgov.us/Government/Elections/Documents/Maps/EDHComRevisedAMap.pdf>

This map splits Mosquito into a different district than the Divide. It splits Cameron Park into two districts along Highway 50. It splits El Dorado Hills into two districts along Highway 50. Do you like this proposal or have suggestions for these boundaries?

**EDH Community Draft Redistricting Alternative - Revised, B**

### November 2, 2021 Pioneer Community Energy Meeting Video

**Pioneer Community Energy will begin serving the 68,000 accounts in unincorporated El Dorado County and Placerville in January 2022.** For those interested in learning more about Pioneer Energy the video of the November 2, 2021 Pioneer Community Energy meeting is available here: <https://youtu.be/vQHQMtlpxpc>

During the meeting it was made clear that most but not all customers, primarily solar customers, will have lower bills by switching to Pioneer. Solar customers also have the additional decision point regarding PG&E's annual true up or monthly Pioneer billing. The best way to determine if you will benefit from switching to Pioneer is to contact them and ask them to compare your PG&E rates with the Pioneer rates. You can call 844-937-7466 or email [CustomerServices@PioneerCommunityEnergy.ca.gov](mailto:CustomerServices@PioneerCommunityEnergy.ca.gov) and ask for someone to do that comparison for you. More information is available on their website at <http://PioneerCommunityEnergy.ca.gov>

[Back to Top](#)

To: edc.cob@edcgov.us

I have been a resident of Shingle Springs for 43 years. I oppose the **“EDH Community Redistricting Alternative - Revised A”** because it would inappropriately separate Shingle Springs from rural communities to the north and place us with El Dorado Hills. Instead, I encourage the Board to adopt the **“EDH Community Redistricting Alternative - Revised B”** map. The Revised B map keeps Shingle Springs in a rural district with Rescue, Coloma, and the Georgetown Divide (similar to the current Supervisor District 4 boundaries).

Thank you for your attention to this matter.

To: The Bosone <bosone@edcgov.us>, BOS Two <bostwo@edcgov.us>, Three Bos <bosthree@edcgov.us>, Four Bos <bosfour@edcgov.us>, The BOSFIVE <bosfive@edcgov.us>, Donald Ashton <don.ashton@edcgov.us>, edc.cob@edcgov.us

Thank you for our time devoted to redistricting. I was so focused on the speakers I forgot to raise my hand on time. 😊

My input is rather simple:

- Districts should not be political
- Communities are the only way to fairly divide the county.
- Having the division be by communities it makes it easier to represent
- All of EDH ( if the numbers are too big put Backstone in the South county)
- All of CP, Rescue, Shingle Springs north of 50
- All of the divide down to Placerville
- All of Tahoe down to Pollack Pines
- All South County - that may include Placerville depending on the population

Is there anyway for me to see why those numbers won't work? Is there a way I can see the numbers? I know this sounds simple, and communities should not be divided. And how much easier will make for you to represent them?

Kind Regards, Liz Drummond

Dear Board of Supervisors,

I am a 15 year resident of El Dorado County. My family and I live in Shingle Springs and we deeply value the rural character of our community.

In your consideration of a new Supervisor District map, please know that my family and I are in favor of "EDH Community Redistricting Alternative - Revised B."

We oppose "EDH Community Redistricting Alternative - Revised A" because it would separate Shingle Springs from other rural communities and instead place us with El Dorado Hills. The EDH community has very different priorities re: land use and growth than Shingle Springs. We deserve representation that accurately reflects what we want to maintain and protect.

Sincerely,

Eliza Reed  
Shingle Springs

Dear Board of Supervisors,

I am a resident of El Dorado County. My fiance's family has lived in Shingle Springs for over 35 years and we deeply value the rural character of our community.

In your consideration of a new Supervisor District map, please know that my family and I are in favor of "EDH Community Redistricting Alternative - Revised B."

We oppose "EDH Community Redistricting Alternative - Revised A" because it would separate Shingle Springs from other rural communities and instead place us with El Dorado Hills. The EDH community has very different priorities, like land use and growth than Shingle Springs. We deserve representation that accurately reflects what we want to maintain and protect.

Sincerely,

Sierra Casas  
Shingle Springs Resident

Dear Board of Supervisors,

We recently purchased a home in Shingle Springs, this has been a dream of ours for many years. We are drawn to the rural nature of the community and the mountain environment. We love the area! Because of this value for Shingle Springs' rural character and all it means to us, I feel compelled to reach out to strongly encourage you to vote for "EDH Community Redistricting Alternative - Revised B."

We oppose "EDH Community Redistricting Alternative - Revised A" because it would separate Shingle Springs from other rural communities and instead place us with El Dorado Hills. The EDH community has very different priorities re: land use and growth than Shingle Springs. We hope for representation that accurately reflects what we want to maintain and protect. It would be for us a heartbreaking experience after working and saving so many years to move to Shingle Springs, to see it lose its distinctive rural flavor, which risks happening if the "Revised A" redistricting occurs.

Sincerely,

Nate Monley  
Shingle Springs

**Subject:** Fwd: District Map Input

Greetings,

I support the EDH Community Alternative Revised A map proposal.

The EDH...A map provides the best representation for community regions and better reflects high school boundaries. It also ensures all supervisor districts contain both rural and suburban areas. As stated in previous mail, this builds inherent collaboration with the board.

The two city alternatives keep community regions divided and cause inherent divisions in the board and overall community interests.

Please vote EDH...A

Thank you for the opportunity and your time.

**Subject:** District Map Input

Greetings,

Thank you for the opportunity to provide input into the supervisor districts.

In general, I think each district should share both rural and suburban characteristics. Shared characteristics will help create inherent collaboration with the board, rather than conflict which is inherent to districts with largely different community make ups- seemingly the City Alternative.

I don't have time to use all of the nice tools you've provided; however would you please

11/16/21, 1:03 PM

Edcgov.us Mail - Fwd: District Map Input

accept the following map input: - Expand District 1 boundaries north to include parts of Rescue, using Silver Springs Parkway as the eastern boundary passing through Green Valley Rd to where the line intersects with Deer Valley Rd; from there follow the Oak Ridge High School Boundaries.

-Adjust District 4 boundaries to include Cameron Park, Bass Lake...

- Adjust District 2 to generally include EDH south of Interstate 50, Latrobe, etc.

Currently people who live in district 4 off the west side of Deer Valley Road identify with El Dorado Hills and those off Starbuck Rd. feel Cameron Park is there community. Currently, neither is represented by the large geographical boundaries of district 4. In short, they have no say in their community.

Residents south of Interstate 50 will be getting a their own high school and may become more associated with the larger communities developing from Sacramento County. Focusing District 2 boundaries here ensures proper representation as this growth occurs.

Again, shared district characteristics will benefit governance through built in board collaboration.

Thank You Again.

Board of Supervisors - We are long time residents of Shingle Springs, and would like to encourage you to adopt Revised B map, which keeps Shingle Springs in a rural district. El Dorado county has developed and less developed areas, and that diversity is what makes us unique. We love living in a less developed area, and urge you to keep Shingle Springs in a rural district. Thank you. Carol and Tim Cary
