

CONDITIONS OF APPROVAL

Variance V23-0001/Atkins Planning Commission/February 22, 2024

Planning Services

1. This Variance approval is based upon and limited to compliance with the project description and following exhibits:

Exhibit EUpdated Proposed Plans

Any deviations from the project description, exhibits, or Conditions of Approval set forth below shall be reviewed and approved by the County for conformity with this approval. Deviations may require approved changes to the permit and/or further environmental review. Deviations without the above-described approval will constitute a violation of permit approval.

The project description is as follows:

Variance to allow a reduction of the front setback from 20 feet to five (5) feet to allow for the construction of a two-car garage with dwelling space above.

The grading, development, use, and maintenance of the property, the size, shape, arrangement, and location of structures, parking areas and landscape areas, and the protection and preservation of resources shall conform to the project description above and the hearing exhibits and Conditions of Approval below. The property and any portions thereof shall be sold, leased, or financed in compliance with this project description and the approved hearing exhibits and Conditions of Approval hereto. All plans must be submitted for review and approval and shall be implemented as approved by the County.

2. **Project Modifications:** Building design and building placement shall be completed in conformance with the plans submitted and in conformance with the Conditions of Approval herein. Minor variations are allowed, however, any major changes in the location of buildings shall require Planning Services review and approval.
3. **Condition Compliance:** Prior to issuance of certificate of occupancy of a building permit or commencement of any use authorized by this permit, the applicant shall provide a written description, together with appropriate documentation, showing conformance of the project with each Condition imposed as part of the project approval.
4. **Notice of Exemption Fee:** A \$50.00 administration fee is required by the County Recorder to file the Notice of Exemption. This fee shall be made payable to El Dorado County and shall be submitted to Planning Services upon project approval.
5. **Permit Implementation:** Pursuant to Zoning Ordinance Section 130.54.060 (Time Limits, Extensions, and Permit Expiration), implementation of the project must occur within 24

months of approval of this Variance, otherwise this permit shall become null and void. The applicant may request a time extension with the Department at least 30 days prior to permit expiration. If a timely request is filed, the County may, at its discretion, extend this time limit by not more than 36 months. It is the responsibility of the applicant to monitor the time limit and make diligent progress toward implementation of the project and compliance with Conditions of Approval.

6. **Legal Indemnity/Hold Harmless Agreement:** In the event of any legal action instituted by a third party challenging the validity of any provision of this approval, the developer and landowner agree to be responsible for the costs of defending such suit and shall hold County harmless from any legal fees or costs County may incur as a result of such action.

The applicant shall defend, indemnify, and hold harmless El Dorado County and its agents, officers, and employees from any claim, action, or proceeding against El Dorado County or its agents, officers, or employees to attack, set aside, void, or annul an approval by El Dorado County.

7. The shed located in the rear setback will be relocated to the minimum setbacks of 5 (five) feet from the western property line and 15 feet from the southern property line.

Department of Transportation

8. Prior to Issuance of Building Permits, the applicant shall execute a hold harmless and indemnification agreement protecting the County from liability arising as a result of the approval of this setback Variance. The form of said document shall be reviewed and approved by the County Counsel, and once approved, shall be recorded with the El Dorado County Recorder's Office. An official copy shall be sent to the Department of Transportation, South Lake Tahoe office.

Surveyor's Office

9. All boundary monuments that may be disturbed or destroyed during project construction shall be identified and referenced and/or reset by a Professional Land Surveyor or Qualified Engineer as defined by Section 8771 of the California Business and Professions Code (Land Surveyors Act).
10. An Abandonment of Easement application (AOE23-0003) with the County Surveyor's office must be completed to reduce the 20-foot setback required by the subdivision map prior to approval of the building permit for the garage structure.
