Good Morning,

I am writing in regards to the request of a special use permit for Cara Nelson on Leaning tree Road. I reside on Lone Star Mine Road which is accessed by Still Meadows Road. The Nelson recently joined our Still Meadows Home Owners Association but have be holding events at their residence for several years. I am concerned about the wear and tear on our private, one lane road and have safety concerns regarding emergency vehicle access.

I am empathetic to the Nelson's desire to utilize their beautiful property as a source of income but there are potential issues that need to be addressed for the safety of our residents and maintenance of our roads.

Thank you for your time,

Sandra Atkins

3240 Lone Star Mine Road

To whom it may concern:

This letter is to share about the amazing time we had when we hosted an event at the The Leaning Tree Lodge Pumpkin Patch! About 25 kids and their families drove up the hill to push pause on the busy-ness of life and simply enjoy the nature and fall air God had provided. Each child was allowed to pick pumpkins, at no charge, and then invited into a slew of fun activities!

They enjoyed hot chocolate, painted mini pumpkins, threw apples at a target one at a time, and completed in three legged races with their parents.

It was full of laughter and smiles and gave our families a chance to meet each other and create connections that would last much longer than a single event.

We would be beyond thrilled to do this on an annual basis and look forward to more sweet memories being made!

With Gratefulness and gratitude,

Jen Sodestrom
