Suzanne,

RE: October 13 BOS Agenda Item 24 909-1039) / Farrell Ventures Improvement Agreement

Planning Services is recommending that the referenced item be continued to November 3, 2009. The draft agreement is currently under review by DOT staff. Following approval by DOT, the agreement will be submitted to County Counsel's office for review. It is anticipated that the draft agreement would be available for the November 3 Board meeting for consideration.
