Dear District Attorney Vern Pierson,

I am writing to invite you to provide input to the Charter Review Committee on the possibility of the Charter Review Committee recommending the Board of Supervisors support an amendment to the El Dorado County Charter to change what positions are elected or to consolidate some elected positions.

On June 14, 2022, the Board of Supervisors directed the Charter Review Committee to review and make a recommendation on if the Board should put forward a ballot measure to amend the El Dorado County Charter to consolidate or make appointed some or all of the elected positions in El Dorado County (Sheriff, District Attorney, Assessor, Auditor-Controller, Treasurer-Tax Collector, Recorder-Clerk, or Surveyor). The Sheriff, District Attorney, and Assessor must be elected positions per the California Constitution, so the Committee is not considering changing these to appointed positions.

As one of the possible positions to be impacted, we invite you to submit any information you think might help the Charter Review Committee make a recommendation to the Board of Supervisors. You can submit written feedback to [edc.cob@edcgov.us](mailto:edc.cob@edcgov.us) attention Charter Review Committee and they will forward it to the Committee or attend our next meeting on November 14, 2022, at 5 pm in Board Chambers.

Sincerely,

Dear Auditor-Controller Joe Harn,

I am writing to invite you to provide input to the Charter Review Committee on the possibility of the Charter Review Committee recommending the Board of Supervisors support an amendment to the El Dorado County Charter to stagger the terms of elected positions.

On June 14, 2022, the Board of Supervisors directed the Charter Review Committee to review and make a recommendation on if the Board should put forward a ballot measure to amend the El Dorado County Charter to stagger the elections for the Sheriff, District Attorney, Assessor, Auditor-Controller, Treasurer-Tax Collector, Recorder-Clerk, or Surveyor. Currently all these positions are elected during gubernatorial elections. However, on September 29, 2022, the Governor of California signed AB 759 that made the District Attorney and Sheriff's elections during presidential elections. AB 759 in effect staggered the terms for El Dorado County.

The Charter Review Committee now has the task of determining if other elected positions should be elected during presidential elections. As one of the possible positions to be impacted, we invite you to submit any information you think might help the Charter Review Committee make a recommendation to the Board of Supervisors. You can submit written feedback to [edc.cob@edcgov.us](mailto:edc.cob@edcgov.us) attention Charter Review Committee and they will forward it to the Committee or attend our next meeting on November 14, 2022, at 5 pm in Board Chambers.
