Board of Supervisors
330 Fair Lane
Placerville, CA 95667

Agenda Title: DOT 6/23/09 Award Contract 95183.1, Item # 39, Legistar # 09-0168
Meeting Date: June 23, 2009

Dear Members of the Board:

The Transportation Department (Department) is recommending the following pertaining to the Apalachee Phase 3B.1 Erosion Control Project (Project) (JN 95183.1):

- 1) The Board exercise their discretionary authority, pursuant to Public Contract Code § 5101, and grant Hondo Engineering, Inc., the apparent low bidder, relief from its bid;
- 2) The Board find the second lowest bidder's bid non-responsive because it did not submit its Subcontractor Listing with its bid as required by the Subletting and Subcontracting Fair practices Act;
- 3) The Board waive the minor irregularity of the third lowest bidder's failure to include the percentages of the bid items that the paving subcontractor will perform, since this information can be determined from the percentage of the total amount bid submitted with the Bidder's List of Subcontractor's (DBE and non-DBE) Part I form subsequent to the submittal of its bid as provided for in contract documents; and
- 4) The Board award the contract to White Rock Construction, Inc., who submitted the third lowest bid, and is the lowest, responsible, responsive bidder.

Sincerely,

James W. Ware, P.E.
Director of Transportation
