On December 14<sup>th</sup> the El Dorado County Planning Commission will be making a decision for the future development of the parcel of land in El Dorado Hills off Saratoga Way designated in the DR 08-0003-R "Saratoga Retail" document.

Park Village residents are speaking out and have signed the enclosed petition that says they do not want El Dorado County officials to permit Fast Food Drive Thru restaurants to be built on this parcel of land. This petition states that we want the county to keep the 2009 approved plan, which did not include fast food restaurants, drive thru windows and a 4<sup>th</sup> building.

Please include this letter and attached Petition in all files and public comments that pertain to this issue.

Thank you for your time and consideration.

Sincerely,

Rebecca Eno  
Park Village Resident
