Subject: Intent to adopt the negative declaration or mitigated negative declaration

Location: Skyview Apartments

Purpose: Rezone Z12-0001/Design Review DR12-0002/Skyview Apartments

Submitted by: GERALD (JERRY) CADITZ

For: 1) Rezone from Professional Office Commercial-Design Community (CPO-DC) to multifamily Residential-Design Community (RM-DC)  
2) Design Review application to construct four apartment units within one two-story building as an addition to an existing eight-unit complex

Statement of approval: from Ronald Carl Collins, property owner adjacent on both sides, north and south, of Skyview Apartments

I, Ronald Carl Collins, property owner, of three parcels of land in the Barnett Business Park, two of which are adjacent to the Skyview Apartments, fully approve of the action of owner and the El Dorado Planning Commission to change to the "consistency Rezone" of this project.

Furthermore, I commend the owner as well as county planners for their actions on creating more affordable housing. That opportunity is before us now.

I look forward to the continued successful endeavors of this owner and planning commission.
