AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the conditional reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any waivers including the HUD Mega-Waiver dated April 1, 2020 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this conditional reservation of funds, Contractor (sometimes referred to herein as "Grantee" or "Administrative Entity" or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, the Notice of Funding Availability under which the Contractor applied, the representations contained in the Contractor's recommendations for this funding allocation, and the requirements of the authorities cited above. Any changes made to the submitted and awarded Application after this Agreement is executed must receive prior written approval from the Department. For purposes of this Agreement, use of the term "Grantee" shall be a reference to "Contractor".

2. Scope of Work

A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibit E of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not

be presumed unless such approval is made by the Department in writing.

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibit E, Section XI, Budget Worksheet. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. **Duplication of Benefits**

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds.

4. **Effective Date and Commencement of Work**

This Agreement is effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are

incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the CARES Act as it relates to temporary emergency shelters. Contractor agrees that the Work shall be completed by the expenditure date specified in Exhibit A, Paragraph 4.

- A. Contractor must obligate all funds within one hundred and twenty (120) days from the date of the award notification letter. "Obligate" means that the Contractor has placed orders, awarded contracts, received services, or entered similar transactions that require payment from the grant amount. In the case of an award made to a general purpose local government that subcontracts with private nonprofit organizations via letters of awards and Service Provider Agreements, the subcontractors are subject to obligate the funds within one hundred and twenty (120) days from the date of the award notification letter received by the general purpose local government.
- B. Contractor agrees to provide documentation satisfactory to the Department evidencing the obligation of ESG-CV funds within one hundred and twenty (120) days from the date the Department made the grant amount available to the Contractor. If the Contractor fails to provide such documentation, the Department may disencumber any portion of the amount authorized by this Agreement with a fourteen (14) day written notification.
- C. Contractor and its subcontractors agree that the Work shall be completed by the expenditure date specified in Exhibit A, Section 4 and that the Work will be provided for the full term of this Agreement.

5. Term of Agreement and Performance Milestones

- A. This Agreement will expire on: September 30, 2022
- B. All Program funds shall be expended by: July 30, 2022
- C. All Final Funds Requests shall be submitted to the Department within thirty (30) days after the expenditure deadline.
- D. Reimbursements will not be made after this Agreement expires.

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Budget

Budget Detail: ESG-CV funds shall be used for the activities as detailed in Exhibit E, Section XI, and as described under federal ESG regulations at 24 CFR Part 576, Subpart B – Program Components and Eligible Activities, the CARES Act, Title XII, Homeless Assistance Section and as subject to any waivers issued including the HUD Mega-Waiver issued April 1, 2020.

2. Availability of Funds

The Department's provision of funding to Contractor pursuant to this Agreement is contingent on the continued availability of ESG-CV funds and continued federal authorization for ESG-CV activities, as well as the conditions set forth in Exhibit D, Section 3. The terms and conditions of ESG-CV funding is further contingent on the issuance Executive Order from the Governor waiving of the current ESG State Regulations for the ESG-CV monies. Should such Executive Order not be signed, the Department will re-issue an amended NOFA and application in line with the ESG State Regulations. The Department's provision of funding is subject to amendment or termination due to lack of funds or proper authorization. This Agreement is subject to written modification or termination, as necessary, by the Department in accordance with requirements contained in any future state or federal legislation and/or state or federal regulations. All other modifications must be in written form and approved by both parties.

3. Method of Payment

A request for an operating advance must be received by the Department within sixty (60) days of the Effective Date of this Agreement. To receive payment for the Work performed, or to receive an operating advance, the Contractor must submit, on forms provided by the Department, a duly executed ESG-CV Request for Funds (RFF). The Contractor shall submit all RFFs to the Department, as referenced in Exhibit A, Section 5, or any other address of which the Contractor has been notified in writing. 4. **Budget Changes**

5. **Ineligible Costs**

- A. ESG-CV funds shall not be used for costs associated with activities in violation of any law or for any activities considered ineligible per 24 CFR 576. The Department reserves the right to request additional information and clarification to determine the reasonableness and eligibility of all costs to be paid with ESG-CV funds made available by this Agreement. If Contractor or its funded subrecipients use ESG-CV funds for the costs of ineligible activities, Contractor shall be required to reimburse these funds to the Department immediately. Further, Contractor shall be prohibited from applying to the Department for subsequent

The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or expend ESG-CV or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the subrecipient has received HUD approval of the property, except as permitted related to temporary shelters per the CARES Act, Title XII, Homeless Assistance Grants Section. For all funded applications, HCD will inform the subrecipient any required additional environmental review.

Activities performed with the assistance provided under this Agreement are subject to 24 CFR, Part 35.

20. Prevailing Wages

- A. Where funds provided through this Agreement are used for construction work, or in support of construction work, Contractor shall ensure that the requirements of Chapter 1 (commencing with Section 1720) of Part 7 of the Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) are met.

funds to a third party that will enter into the Construction Contract with a licensed building contractor, the third party shall serve as the “awarding body”.

- C. The Construction Contract and any amendments thereto shall be subject to the prior written approval of the Department. Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a certificate from the awarding body that prevailing wages have been or will be paid when required by Section 1720 et. seq. of the Labor Code.

21. Matching Funds

Per the CARES Act, the amounts provided under the ESG-CV funding shall not be subject to match requirements that otherwise apply to ESG funding.

22. Assurance of Compliance with the “Violence Against Women Reauthorization Act of 2013” (VAWA) (S.47 - 113th Congress (2013-2014)) (as amended or reauthorized) Title VI - Safe Homes for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking – Sec. 601-603

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD’s public housing program and HUD’s tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that

directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”

- D. It will implement a ‘low-barrier certification process’ where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

23. Liability Insurance

Unless otherwise approved in writing, Contractor shall have and maintain in full force and effect during the term(s) of this Agreement liability insurance in an amount of not less than \$1,000,000.00 per occurrence with the Department named as an additional insured. Prior to drawdown of funds, Contractor shall provide a valid certificate of insurance to the Department’s Program Representative for review and approval.

Contractor shall collect all program data elements using the HMIS and comply with all reporting requirements.

Section IV - Duplication of Benefit

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the

need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source. Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary. Once selected, subrecipients will be required to report on Duplication of Benefit metrics such as types of funding sources received, amounts received, expected persons served and actual persons served. Additional guidance is to be provided by the Department of Housing and Urban Development (HUD) as to the implementation and best practices of DOB tracking.

Please check here to confirm you have read the above and agree to monitor subrecipients for DOB in accordance with any current and anticipated guidance from HUD and to provide requested DOB tracking data to HCD.

Signed Designation of Administrative Entity.pdf

2020 ESG-CV – PROCESS LETTER

To Whom It May Concern:

The El Dorado Continuum of Care (CoC) hereby certifies that the CoC and its Administrative Entity, the County of El Dorado, will use a process to select subrecipients for the FY2020 Coronavirus Emergency Solutions Grants (ESG-CV) funding that meets all requirements of 2 CFR 200, 24 CFR Part 84, 24 CFR Part 91, 24 CFR Part 576, and the CARES Act of 3/27/2020. The CoC also certifies that its process meets all of the following requirements:

- A. Is fair and open, and avoids conflict of interest in project selection, implementation, and the administration of funds;
- B. Complies with the Core Practice requirements outlined in the Standard Agreement;
- C. Incorporates the performance standards set forth in the Department's Annual Action Plan;
- D. Complies with Federal ESG;
- E. Considers any other practices promoted or required by HUD.

In particular, the CoC will direct the Administrative Entity to follow the scheme outlined by 2 CFR 200.320 to establish minimum standards of formality in issuing awards to subrecipients. All program components valued at \$150,000 or greater will be procured through a formal Request for Proposals that will be evaluated by independent experts who are not themselves employed by an agency that is applying for ESG-CV funding. All program components valued between \$3,000 and \$150,000 will be awarded based on price or rate quotations from an adequate number of sources, with program descriptions that are sufficiently detailed to enable the CoC's Administrative Entity to confirm that the program components will be fully compliant with all program regulations. All program components valued at less than \$3,000 will be distributed equitably among qualified suppliers. If only one entity applies for a program component, then the CoC (through its Administrative Entity) will follow appropriate sole source procedures to determine whether to award that component to the applying entity. Throughout this process, the CoC will set community priorities and goals which will be implemented by the Administrative Entity using the County's procurement and contracting process, which wholly complies with all ESG regulations.

Moreover, all subrecipients will be required to certify that they will comply with all program regulations and Core Practices as outlined in the Standard Agreement, ESG-CV NOFA, the CARES Act, 24 CFR Part 91, 24 CFR Part 576, and that they will strive to adopt and incorporate all best practices applicable to their program component(s) as recommended by HUD and by the Department's Annual Action Plan. Subrecipients will likewise be required to certify that they have adequate financial controls and recordkeeping to allow the CoC to confirm and document that all funds will be expended on eligible activities within the appropriate timeframe.

Finally, the CoC has solicited input and held public discussion on the appropriate priorities for its ESG-CV funding at a well-advertised meeting held on June 5, 2020, and the CoC will again announce the funding opportunity and discuss these priorities at its next regularly scheduled public meeting on August 7, 2020. This will ensure that all interested parties will have the opportunity to provide guidance on project selection and to prepare to submit applications to become subrecipients.

Sincerely,

Michael Boyd, CoC Co-Chair

AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the conditional reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any waivers including the HUD Mega-Waiver dated April 1, 2020 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this conditional reservation of funds, Contractor (sometimes referred to herein as "Grantee" or "Administrative Entity" or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, the Notice of Funding Availability under which the Contractor applied, the representations contained in the Contractor's recommendations for this funding allocation, and the requirements of the authorities cited above. Any changes made to the submitted and awarded Application after this Agreement is executed must receive prior written approval from the Department. For purposes of this Agreement, use of the term "Grantee" shall be a reference to "Contractor".

2. Scope of Work

A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibit E of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not

be presumed unless such approval is made by the Department in writing.

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibit E, Section XI, Budget Worksheet. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. Duplication of Benefits

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds.

4. Effective Date and Commencement of Work

This Agreement is effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are

incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the CARES Act as it relates to temporary emergency shelters. Contractor agrees that the Work shall be completed by the expenditure date specified in Exhibit A, Paragraph 4.

- A. Contractor must obligate all funds within one hundred and twenty (120) days from the date of the award notification letter. "Obligate" means that the Contractor has placed orders, awarded contracts, received services, or entered similar transactions that require payment from the grant amount. In the case of an award made to a general purpose local government that subcontracts with private nonprofit organizations via letters of awards and Service Provider Agreements, the subcontractors are subject to obligate the funds within one hundred and twenty (120) days from the date of the award notification letter received by the general purpose local government.
- B. Contractor agrees to provide documentation satisfactory to the Department evidencing the obligation of ESG-CV funds within one hundred and twenty (120) days from the date the Department made the grant amount available to the Contractor. If the Contractor fails to provide such documentation, the Department may disencumber any portion of the amount authorized by this Agreement with a fourteen (14) day written notification.
- C. Contractor and its subcontractors agree that the Work shall be completed by the expenditure date specified in Exhibit A, Section 4 and that the Work will be provided for the full term of this Agreement.

5. Term of Agreement and Performance Milestones

- A. This Agreement will expire on: September 30, 2022
- B. All Program funds shall be expended by: July 30, 2022
- C. All Final Funds Requests shall be submitted to the Department within thirty (30) days after the expenditure deadline.

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Budget

Budget Detail: ESG-CV funds shall be used for the activities as detailed in Exhibit E, Section XI, and as described under federal ESG regulations at 24 CFR Part 576, Subpart B – Program Components and Eligible Activities, the CARES Act, Title XII, Homeless Assistance Section and as subject to any waivers issued including the HUD Mega-Waiver issued April 1, 2020.

2. Availability of Funds

The Department's provision of funding to Contractor pursuant to this Agreement is contingent on the continued availability of ESG-CV funds and continued federal authorization for ESG-CV activities, as well as the conditions set forth in Exhibit D, Section 3. The terms and conditions of ESG-CV funding is further contingent on the issuance Executive Order from the Governor waiving of the current ESG State Regulations for the ESG-CV monies. Should such Executive Order not be signed, the Department will re-issue an amended NOFA and application in line with the ESG State Regulations. The Department's provision of funding is subject to amendment or termination due to lack of funds or proper authorization. This Agreement is subject to written modification or termination, as necessary, by the Department in accordance with requirements contained in any future state or federal legislation and/or state or federal regulations. All other modifications must be in written form and approved by both parties.

3. Method of Payment

Payments to Contractor shall be made on a reimbursement basis with the exception that a Contractor may request an operating advance of \$5,000.00 or thirty (30) days working capital, whichever is greater. A request for an operating advance must be received by the Department within sixty (60) days of the Effective Date of this Agreement. To receive payment for the Work performed, or to receive an operating advance, the Contractor must submit, on forms provided by the Department, a duly executed ESG-CV Request for Funds (RFF). The Contractor shall submit all RFFs to the Department, as referenced in Exhibit A, Section 5, or any other address of which the Contractor has been notified in writing. The Department shall not authorize payments unless it determines that the Work has been performed in compliance with the terms of this Agreement. not be made after this Agreement expires.

All requests for disbursement shall include expenditure detail. Contractor also certifies that detailed supporting documentation verifying each expenditure is available and shall be retained by the Contractor for three (3) years after the Department closes its HUD grant.

NOTE: Record retention is based on the Department's HUD closing date; NOT three (3) years from this Agreement expiration. The retention requirement can extend beyond three (3) years after this Agreement expires. Therefore, the Contractor must contact the Department for the specific record retention date for this Agreement.

Contractor shall not receive an advance or be reimbursed for expenditures incurred prior to the Effective Date of this Agreement until all requirements have been met. Environmental review compliance shall include compliance with 24 CFR Part 50. Contractor shall not be reimbursed for expenditures incurred after the expiration date of this Agreement, as set forth in Exhibit A, Section 4.

4. **Budget Changes**

After the Effective Date of this Agreement, no changes shall be made to the program budget, funded homeless service providers, or eligible activities without prior written approval from the Department. Any changes to this Agreement must be made in writing and approved by both the Department and the Contractor. The proposed change/s must be consistent with 24 CFR 576.

Contractor agrees to notify the Department in writing of any line item changes to the budget needed for the Department to update the federal Integrated Disbursement and Information System (IDIS).

5. **Ineligible Costs**

- A. ESG-CV funds shall not be used for costs associated with activities in violation of any law or for any activities considered ineligible per 24 CFR 576. The Department reserves the right to request additional information and clarification to determine the reasonableness and eligibility of all costs to be paid with ESG-CV funds made available by this Agreement. If Contractor or its funded subrecipients use ESG-CV funds for the costs of ineligible activities, Contractor shall be required to reimburse these funds to the Department immediately. Further, Contractor shall be prohibited from applying to the Department for subsequent

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD’s public housing program and HUD’s tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that

directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”

- D. It will implement a ‘low-barrier certification process’ where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.
