DEPARTMENT/SUPERVISOR REPORTS

Supervisor Frentzen thanked Supervisor Novasel for yesterday's tour and meeting in South Lake Tahoe.

Supervisor Novasel thanked the other Supervisors and staff for attending the meeting yesterday in South Lake Tahoe. Supervisor Novasel pointed out the magnificent beach in El Dorado County which is located in South Lake Tahoe and where lunch was provided. Yesterday's lunch was provided by the inmates of the jail whose catering business is called "It's so good it must be a crime".

Supervisor Ranalli also thanked Supervisor Novasel for yesterday's tour. Last week the Division of Transportation conducted a public meeting in the Planning Commission hearing room to review projects in the CIP (The Green Valley Road bridge projects). The Coloma and Lotus Fire Safe Council is active. One of the upcoming meetings will involve Health and Human Services, Animal Services and a public preparedness component. There has also been a great deal of work mapping the area in Coloma, Lotus and a small portion of Garden Valley that is not currently covered under another Fire Safe Council. Supervisor Ranalli has participated in four out of the last five meetings. The meetings are well attended and he expects them to continue to be well attended.

Supervisor Veerkamp thanked the public that attended yesterday's meeting in South Lake Tahoe. It has been several years since there has been an update regarding their area plan. The Board moved collectively to get the area plan to environmental review.

The County inmates provided excellent food and also inspirational lectures on how they have recommitted their lives.

Last Thursday, the County Fire Safe Council in conjunction with their collaborators and grant recipient put on a presentation. The presentation centered around the new technology they will be using in determining the fire severity hazard zones. That will be the starting point for some of the projects. Supervisor Veerkamp's office is pulling vacant lot and vegetation ordinances from other counties so that he can bring something forward to the Board.
