Contractor must obtain written approval from a member of the HHS Executive Management prior to" the expenditure of any "special" or unusual costs in order to avoid possible disallowances or disputes based on any potential unreasonableness or unallowability of expenditures as detailed under the specific cost principles of the Uniform Grants Guidance. In order to obtain the most current regulations, the user should consult not only the latest version of the CFR, but also the List of (CFR) Sections Affected (LSA) issued in the current month. The Federal Register home page offers links to both the Federal Register and the CFR. Electronic CFR (e-CFR) versions are available online via the U.S. Government Printing Office (GPO) website. 2. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this federal contract, grant, loan or cooperative agreement, the Contractor shall complete and submit Standard Form SF-LLL, OMB Number 0348-0046 "Disclosure of Lobbying Activities" in accordance with its instructions.

N. Fingerprinting: Pursuant to California Penal Code Section 11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care.” Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor’s sole expense. More specifically, Contractor agrees that:

1. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor’s sole expense.
2. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor’s employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
3. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

O. Litigation: County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.

R. Waivers: Failure of County to enforce any provision of this Agreement shall in no event be considered a waiver of any part of such provision or any other provision contained herein. No waiver by County of any breach or default by Contractor shall operate as a waiver of any succeeding breach of the same terms in the Agreement or other default or breach of any of Contractor's obligations under the Agreement. No waiver shall have any effect unless it is specific, irrevocable, and in writing.
