Hi Cindy ---

On August 9, 2010, the Board of Supervisors directed staff to continue this item and to meet with Farm Bureau representative(s) and the El Dorado County Agricultural Commissioner to mutually agree on the wording of Section 15.16.060.

The meeting occurred and the section was reworded. County Counsel approved the revision on September 29, 2010. The revised draft ordinance and the revised redline are attached below.

This afternoon, I am delivering the original draft ordinance, as prepared by County Counsel.

Thank you
