D. PROGRAM ELIGIBILITY

The only eligible Applicants are the VW Program Subrecipients funded in the prior fiscal year.

Before the VW Program Grant Subaward performance period begins, Applicants must:

- Have a DUNS number issued by Dun & Bradstreet. Effective April 4, 2022, Applicants will need a Unique Entity Identifier (Unique Entity ID). Applicants registered in the federal System for Award

Management (SAM) have already been assigned a Unique Entity ID and it can be found by logging into SAM.gov. Applicants who do not currently have a DUNS number will need to register at SAM.gov to obtain a Unique Entity ID. Cal OES will accept either a DUNS number or a Unique Entity ID effective immediately, however beginning April 4, 2022, only a Unique Entity ID will be accepted.

- Must not have an exclusion record in SAM. An exclusion record in the SAM indicates that a contractor (agency) is listed in the (federal) government-wide system for debarment and suspension. An agency that is debarred or suspended is excluded from activities involving federal financial and nonfinancial assistance and benefits.
[Check SAM status.](#)

E. GRANT SUBAWARD PERFORMANCE PERIOD

The Grant Subaward performance period is October 1, 2022, through September 30, 2023.

F. FUNDS

There is \$55,883,379 available for the Program for the Grant Subaward performance period. **Funding is contingent upon availability of funds and passage of the 2022-23 State Budget Act.**

1. Source of Funds

Detailed information on all VS Branch federal fund sources can be found in the [VS Branch Federal Fund Information Guide](#). Applicants are **strongly encouraged** to review this document to familiarize themselves with the requirements for all fund sources that support this Program.

The Program is supported through the following funds:

- a. Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program (Formula Grant Program)
 - Supports eligible crime victim assistance programs.
 - Requires a cash and/or in-kind match equal to 20 percent of the total project cost. Applicants may request a partial or full match waiver.

To request a match waiver, Applicants must submit the VOCA Match Waiver Request form (Attachment A) with their application. One form per each VOCA fund source is required. All sections of the form must be completed. Answers to questions 9 through 11 must be specific and unique to the Applicant and Program.

- Cal OES's four-character code for this federal fund is VOCA. This code will be in the drop-down on the Grant Subaward Face Sheet (Cal OES Form 2-101).
- The federal award number for 20VOCA is 2020-V2-GX-0031. The federal award number for 22VOCA is unknown at the time of release of this RFA. Contact your Program Specialist if you need this information.

b. State Penalty Fund

- These funds are provided through the 2022-23 State Budget Act.
- The State Penalty Fund was created as a depository for assessments on specified fines, penalties, and forfeitures imposed and collected by the courts for criminal offenses and used to support victim service programs, amongst others. These State funds can be used for match requirements following the provisions of the [SRH](#), Section 9.060.
- Cal OES's four-character code for this state fund is VWA0. This code will be in the drop-down on the Grant Subaward Face Sheet (Cal OES Form 2-101)
- There is no match requirement for these funds.

2. Funding Amount

The VW Program funding formula provides Los Angeles County with 17.2% of the total available funding and allocates the remaining funds to all other Subrecipients by establishing a \$150,000 baseline per Grant Subaward and distributing funding by percentage utilizing 2020 violent crime arrest and 2020 population statistics.

[2020 Population by County](#)

[2020 Violent Crimes by County](#)

- An additional \$100,000 is available per Grant Subaward to support a Mass Victimization Advocate (MVA) and/or for mass victimization preparedness efforts. Applicants electing not to utilize this sum in-part or whole, must subtract the amount (up to \$100,000) from the 22VOCA allocation, for the sum of MVA budgeted line items totaling less than the full allocation.
- Applicants may apply for up to the amount listed on the 2022-23 VW Program Funding Chart (Attachment B) for the 12-month Grant Subaward performance period.

G. PROGRAMMATIC INFORMATION

3. Program Components

Mandatory Services

a. Crisis Intervention

Centers must provide timely and comprehensive response via in-person or telephone contact with a victim or witness who has been negatively affected, or is in emotional crisis, as a result of a crime. After victimization, when the victim or witness is in need of crisis counseling, the Center shall provide the necessary

intervention services and arrange for the provision of additional needed services by local service agencies.

This includes empathic listening, checking on a victim's progress, etc. Center staff will make referrals to other appropriate resources for victim(s) who have professional counseling needs.

e. California Victim Compensation Board

Subrecipients are strongly encouraged to assist victims with applying for compensation benefits through the California Victim Compensation Board. Activities may include:

- Advising of the availability of such benefits;
- Assisting with application forms and understanding procedures;
- Obtaining necessary documentation to support the claim; and
- Monitoring claim status.

Subrecipients are also strongly encouraged to allocate funds for tablets or mobile communication devices and cellular service to swiftly facilitate the on-line application process in the office or in the field.

f. Property Return

Upon request, Centers must assist in obtaining the return of property held as evidence by the criminal justice system. In cases where property cannot be returned, an explanation will be provided to the victim, witness, or family member.

g. Orientation to the Criminal Justice System

Centers must provide in-person or telephone information on the location, procedures, and function of the local criminal justice system. Subrecipients shall have printed information available in languages appropriate to local ethnic populations.

h. Court Escort

Centers must provide accompaniment to in-person court proceedings. Subrecipients must provide information on the case status and support during court appearances. Physical or virtual accompaniment must occur for court escort services to be counted in the data collection. (Preparation for court appearances should be counted as orientation to the criminal justice system).

i. Presentation and Training for Criminal Justice Agencies

Centers must conduct informational presentations and training for criminal justice agencies regarding victim services provided by the Program and explain the rights and needs of victims.

j. Public Presentations and Publicity

Centers must conduct public awareness activities for advertising the Program services via public media (e.g., online information, newspapers, radio, and television) and presentations to victim service organizations and community groups, service clubs, and schools. Subrecipients are encouraged to participate in

media/public awareness-related events promoting victim services, including the annual National Crime Victims' Rights Week.

k. Case Status

Centers must keep victims and witnesses apprised of the progress and outcome of their case as it progresses through the criminal justice system.

n. Restitution

Upon request of the victim, Centers must assist with restitution in ascertaining economic loss, and in providing the probation department, district attorney, and court with information relevant to his or her losses prior to the imposition of sentence.

4. Optional Services

Comprehensive services may include the following optional services if their provision does not preclude the efficient provision of primary services.

a. Employer Intervention

Additional intervention with employers, aside from that described in Mandatory services.

b. Creditor Intervention

Assistance information to creditors of the temporary inability to meet current financial obligations due to the financial hardship precipitated by the crime.

c. Child Care Assistance

5. Additional Programmatic Components

Subrecipients are required to provide to Cal OES the addresses of all Centers providing services within the county. Include the following information.

a. Multiple Field Offices

- Office address
- Telephone number
- Number of employees assigned to this office
- Supervisor's name, email address, and telephone number

The Programmatic point of contact is required to provide Cal OES an after-hours telephone contact number. Cal OES will retain this number only for the purpose of contacting a VW representative in the event of an emergency.

This requirement formalizes an informal practice intended as further preparation for the State's emphasis on emergency preparedness.

b. Training

Subrecipients must budget for untrained Advocates to attend California Crime Victim's Assistance Association (CCVAA) Victim Advocate and Crisis Response (CR) training. Subrecipients must contact the CCVAA for enrollment in in-person or virtual trainings during the Grant Subaward performance period. Advocates participating in the trainings must be assigned to provide direct victim services.

c. Operational Agreements (OAs)

An OA is a formal agreement, without the exchange of money, between an implementing agency and one or more participating agencies ([SRH Section 7.005](#)). OAs provide a description of working relationships with other governments (including Tribal governments) and non-governmental agencies. At a minimum, Subrecipients must have OAs with local domestic violence centers, rape crisis centers, and agencies that provide services for child crime victims.

d. California Victims Legal Resource Center

Subrecipients are strongly encouraged to utilize the California Victims Legal Resource Center (VLRC) when assisting victims.

At the VLRC, Pacific McGeorge School of Law students and attorneys provide victims, their families, and service providers with information about victims' legal rights in the criminal and civil justice systems and provide tailored resource referrals. Upon request, the VLRC provides publications on victims' rights, legal research on victims' rights to service providers, and educational presentations.

Services are free and can be accessed through the VLRC's confidential, toll-free hotline: 1-800-VICTIMS (842-8467), or through the www.1800victims.org website.

6. Program Restrictions

- a. Centers located in district attorney offices must not operate within the Investigations Division.
- b. Centers must not restrict services to only victims of cases assigned for prosecution. All victims of crime must be eligible to receive services from the Center.
- c. Under no circumstances shall Cal OES-funded Advocates be used as an expert witness.
- d. Advocates shall not be split-funded with domestic violence or rape crisis programs due to a conflict of confidentiality privilege.
- e. The Center shall not perform the function of restitution notification or assistance to all victims assigned to the district attorney's office or probation department. The victim must be assigned to the Advocate's caseload for a full range of victim services, not just restitution recovery.
- e. Advocates shall not provide direct childcare. Advocates shall not be tasked with preparing Criminal Protective Orders (CPO), as this is a prosecutorial activity.

7. Mass Victimization Advocate (Optional Funding)

Centers electing to utilize this funding are tasked to develop a victim assistance plan or further develop an existing victim assistance plan to support and enhance immediate response and recovery efforts and establish readiness in response to crime-related mass victimization/terrorism incidents.

To enable Centers to participate in a coordinated community response to crime-related mass victimization and terrorism incidents, an optional \$100,000 per county is factored into the allocation to support the MVA position/efforts. The available MVA funding must remain dedicated to further the objectives of supporting response readiness to crime-related mass victimization or terrorism incidents. This funding must be delineated in the Budget Narrative and in Budget Page line-item detail. If the Applicant opts not to utilize the MVA funding, reduce the 22VOCA allocation by \$100,000 and reduce the 22VOCA match obligation by \$25,000.

Components of the Mass Victimization optional funding include:

- a. Develop or advance a comprehensive crisis response and mass victimization assistance plan structured to identify and respond to victim needs such as: safety, food, shelter, and immediate services in the aftermath of a crime-related mass victimization or terrorism incident. The plan should include a needs assessment, emergency assistance measures, resource and referral information, and should be adaptable to support and enhance the existing community and county emergency response plan.
- b. Develop or advance victim assistance crisis response protocols.
- c. Develop, update, and implement mutual-aid Memorandums of Understanding (MOU's). Centers in neighboring counties within the CCVAA identified Crisis Response (CR) training region to leverage resources and facilitate a regional response to crime-related mass victimization and terrorism incidences.
- d. Conduct outreach and participate in community meetings with leaders from the following fields: law enforcement, victim services, legal services (non-profit and private sector), prosecutors' office, city government, emergency management, medical services,

and schools to provide information about trauma-informed response.

- e. Establish or update MOUs with allied service providers, including, but not limited to, county and city government and local Emergency Operation Centers (EOCs), or integrate into the county response plan for mass victimization event(s). This includes the identification of the Center's role in the emergency response plan.
- f. Conduct community outreach and education.
- g. Utilize MVA funding for purchase of go-bags, management and technology supplies, and other necessary resources required for deployment.
- h. Establish an MVA victim emergency fund (optional).
- i. Initiate or implement all MVA objectives within the current Grant Subaward performance period.

The MVA (if time permits) may maintain a modified VW caseload in conjunction with working towards meeting position objectives. It is a priority for the MVA to complete the CCVAA 40-hour Entry Level Training.

The MVA is required to attend CCVAA in-person or virtual Crisis Response Advocate training and MVA Roundtable meetings. The CCVAA training team is available to provide technical assistance in meeting MVA objectives.

Additional trainings relevant to mass victimization-related subject matter are highly recommended e.g.: secondary trauma, grief and recovery, psychological first aide, and death notification. FEMA online training is also recommended.

<http://training.fema.gov/is/crslist.aspx>.

PART II – RFA INSTRUCTIONS

- A. SUBRECIPIENT HANDBOOK
 - B. APPLICATION FORMS
 - C. BUDGET POLICIES
 - D. ADMINISTRATIVE REQUIREMENTS
-

A. SUBRECIPIENT HANDBOOK

Applicants are strongly encouraged to review the [SRH](#). The *SRH* outlines the terms and conditions that apply to Cal OES VS Branch Grant Subawards and provides helpful information for developing an application, including a Glossary of Terms.

B. APPLICATION FORMS

The Applicant must use the forms provided on our website. The forms must be printed on plain white 8½" x 11" paper and single sided. **Applicants may not alter the formatting of any forms, including the Grant Subaward Programmatic Narrative ([Cal OES Form 2-108](#)) – with a revision date of 4/2021 or later – and the Grant Subaward Budget Narrative ([Cal OES Form 2-107](#)) – with a revision date of 4/2021 or later. No tables, charts, or changes to the margins are allowed.**

Applicants must complete and submit all required forms. All forms have written instructions. General information regarding each form is below. The Checklist in Part III is included to ensure Applicants submit all required components.

1. Grant Subaward Face Sheet (Cal OES Form 2-101)

This form is the title page of the Grant Subaward that is signed by the Official Designee (*SRH Section 3.030*) and the Cal OES Director (or designee).

2. Grant Subaward Contact Information (Cal OES Form 2-102)

This form provides Cal OES with contact information for all relevant Subrecipient personnel. Information for each individual should be direct contact information.

3. Grant Subaward Signature Authorization (Cal OES Form 2-103)

This form provides Cal OES with signatures of authorized signers and who they authorize to sign on their behalf for all Grant Subaward-related matters.

4. Grant Subaward Certification of Assurance of Compliance & VOCA Federal Fund Grant Subaward Assurances (Cal OES Forms 2-104 & 2-109a).

These forms are a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and federal civil rights laws
- Drug Free Workplace Act of 1990
- California Environmental Quality Act
- Federal grant fund requirements
- Lobbying restrictions
- Debarment and Suspension requirements
- Proof of Authority documentation from the city council/governing board

Subrecipients may be asked to sign and submit an updated VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) once in Grant Subaward. Every year, Cal OES updates the VOCA Federal Fund Grant Subaward Assurances (Cal OES Form 2-109a) to ensure that any new conditions placed upon the federal award are passed down to Subrecipients. Subrecipients will be notified if this change is needed.

5. Grant Subaward Budget Pages (Cal OES Form 2-106a)

This form demonstrates how the Applicant will implement the proposed plan with the funds available through this Program. This is the basis for management, fiscal review, and audit. **Grant Subaward Budget Pages (Cal OES Form 2-106a) are subject to Cal OES modifications and approval.** Failure of the Applicant to include required items does not eliminate responsibility to comply with those requirements during the implementation of the Grant Subaward.

The Grant Subaward Budget Pages (Cal OES Form 2-106a) automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the

bottom of the Equipment Costs page. Applicants may add additional columns to the Grant Subaward Budget Pages (Cal OES Form 2-106a) when necessary.

Cal OES requires the Applicant to develop a line-item budget that includes a **calculation and justification in the left column for all costs.**

The Grant Subaward Budget Pages (Cal OES Form 2-106a) should:

- Cover the entire Grant Subaward performance period
- Include costs related to the objectives and activities of the Grant Subaward
- Strictly adhere to required and prohibited costs
- Include costs in the correct category (i.e., Personnel Costs, Operating Costs, and Equipment Costs – see below)

Include **only** those items to be covered by Grant Subaward funds, including match funds, when applicable. Applicants may supplement Grant Subaward funds with funds from other sources. However, since approved line items are subject to audit, Applicants should not include on the Grant Subaward Budget Pages (Cal OES 2-106a) matching funds (if applicable) in excess of the required match.

a. Personnel Costs – Salaries/Employee Benefits

1) Salaries

Personnel includes Grant Subaward services performed by staff **directly employed by the Applicant** (not a contract or Participating Agency) and must be identified by position, cost, and time spent on allowable activities for the Grant Subaward (e.g., Clerical Staff @ \$20/hour x 980 hours; or Victim Advocate @ \$3,500/month x 12 months x .50 FTE). Personnel may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be allocated as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval the Grant Subaward, they may not take time off using Grant Subaward funds.

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Allocated benefits cannot exceed those already established by the Applicant.

Employer contributions or costs for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable. Benefits, such as uniforms or California Bar Association dues are allowable if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

Additional information on Personnel Costs can be found in [SRH Part 3](#).

b. Operating Costs

Operating costs are defined as necessary expenditures other than personnel salaries, benefits, and equipment. The costs must be Grant Subaward-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the Grant Subaward performance period.

Examples of common operating costs include, but are not limited to:

- Audit costs (*SRH Section 14.035*)
- Computers with an acquisition cost of \$4,999 or less
- Computer equipment rentals
- Consultant services (*SRH Section 6.050*)

- Financial Assistance for clients (*SRH Section 4.040*)
- Furniture and office equipment (\$4,999 or less)
- Indirect costs (*SRH Section 4.045*)

- Insurance (e.g., vehicle, fire, bonding, theft, and liability)
- Internet access
- Office supplies

- Software
- Training materials
- Travel and per diem (*SRH Section 4.065*)
- Utilities
- Vehicle maintenance

Additional information on Operating Costs can be found in *SRH Part 4*.

c. Equipment Costs

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three copy machines must be one line item, not three).

This form is the main body of information describing the problem to be addressed, the plan to address the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the proposed plan.

a. Problem Statement

No Problem Statement is required.

b. Plan

In narrative form, address the following:

- 1) Briefly describe the plan to provide all mandatory services outlined in this RFA and any significant changes to your VW Program for the 2022-23 Grant Subaward performance period.

8. Subrecipient Grants Management Assessment

Per title 2 CFR § 200.331, Cal OES is required to evaluate the risk of noncompliance with federal statutes, regulations, and terms and conditions posed by each Subrecipient of pass-through funding. The assessment is made in order to determine and provide an appropriate level of technical assistance, training, and oversight to Subrecipients.

9. Grant Subaward Service Area Information (Cal OES Form 2-154)

This form identifies the counties, cities, and congressional districts served by the Grant Subaward.

10. Organizational Chart

The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the Grant Subaward. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those on the Grant Subaward Budget Pages (Cal OES Form 2-106a) and Grant Subaward Budget Narrative (Cal OES 2-107) (if required).
