The County of El Dorado,
Department of General Services
El Dorado County Board of Supervisors

Dears Sirs and Madams,

This letter is to notify you that I am officially protesting the rejection of my bid for the "El Dorado Easterly Extension Parkway Drive to Los Trampas Drive Tail".

I feel that I submitted a true and completely legible bid that offered no confusion to the amount of any bid item and or no confusion to the total project cost. I feel that the difference between my bid and the second place bid is a substantial amount of money and that the county should exercise item number seven on its award process which states "The County reserves the right to reject any and all bids, or to waive any informality or non-substantial irregularity in any bid.

Sincerely

Richard Macauley
