

**RESOLUTION No. \_\_\_\_\_**  
**OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO**

**RESOLUTION RECOGNIZING THE VOLUNTEERS OF THE EL DORADO  
COUNTY  
ANIMAL CONTROL FOSTER CARE PROGRAM**

**WHEREAS**, El Dorado County Animal Control currently has limited space and staffing to house all adoptable pets at its temporary facilities; and

**WHEREAS**, Foster Care Providers are members of our community that voluntarily care for dogs, cats, puppies, and kittens in their own homes; and

**WHEREAS**, Foster Care Providers often find themselves working with the foster pet to make them more comfortable in their new environment and teach basic obedience to overcome negative behaviors; and

**WHEREAS**, Foster Families often clear their schedules to transport their foster dog or cat to adoption events, and on occasion also arrange for medical appointments for the animal; and

**WHEREAS**, Foster Families who care for kittens and puppies often go the extra mile to ensure that these young animals are fed every few hours around the clock; and

**WHEREAS**, Foster Families care, nurture and provide socialization that prepare the animal to be more adoptable; and

**WHEREAS**, the El Dorado County Animal Control Foster Care Program has saved the lives of over 150 animals since the old Animal Shelter was closed on March 5; and

**WHEREAS**, the Foster Care Program has increased visibility for the need to properly house the county's shelter pets, and has alleviated kennel overcrowding; and

**WHEREAS**, Foster Care Providers have given hundreds of volunteer hours to the County;

**NOW, THEREFORE, BE IT RESOLVED**, by the El Dorado County Board of Supervisors that the volunteers of the El Dorado County Animal Control Foster Care Program be recognized for their extraordinary work and commitment to helping animals in the County.

**PASSED AND ADOPTED** by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held on the 30<sup>th</sup> day of October, 2007, by the following vote of said Board:
