**NOTICE OF PUBLIC HEARING
COMMUNITY FACILITIES DISTRICT
NO. 2019-1
(BASS LAKE HILLS SERVICES)
COUNTY OF EL DORADO,
CALIFORNIA**

The County of El Dorado is considering the formation of a community facilities district (the "CFD") under the authority of the Mello-Roos Community Facilities District Act of 1982, as amended, and the issuance of bonds on behalf of the CFD secured by special taxes, to fund certain public services related to new development within the County of El Dorado. This notice contains a brief summary of the proposal, but you are referred to the Board of Supervisor's Resolution of Intention to Form a Community Facilities District and Levy a Special Tax (No.019-2019, adopted February 26th, 2019) for details of the proposals. A map showing the land proposed to be included in the CFD is on file with the Clerk of the Board of Supervisors.

The proposal is to subject the property within the CFD to a special tax which will be used to pay for certain public services of benefit to land within the CFD, and will continue indefinitely. In order to confer the authority upon the Board of Supervisors of El Dorado County to levy the special tax, a public hearing must be held on the proposal, then the Board of Supervisors will decide whether to form the CFD, and finally the qualified electors within the CFD must approve the proposal by a two-thirds vote. The land within the proposed CFD is uninhabited and the qualified electors are, pursuant to law, the owners of property within the CFD.

The El Dorado County Board of Supervisors will hold a public hearing

in the Board of Supervisors' Chambers, 330 Fair Lane, Placerville, CA 95667 on April 2, 2019 at 10:00 AM or as soon thereafter as possible, to consider the following item:

At the hearing, the testimony of all interested persons or potential special taxpayers for or against the formation of the proposed community facilities district, the authorization to levy the special tax, and the authorization to issue the bonds will be heard. If written protests against the proposed CFD are delivered to the Clerk of the Board at or before the time set for the hearing by either registered voters residing within, or the owners of property within, the proposed CFD, they will be counted toward a possible majority protest. Such protests by a majority of the registered voters residing within the CFD or by the owners of a majority of the land area within CFD which is or will be subject to the special tax, if not withdrawn prior to the close of the hearing so as to reduce the value of the protests to less than a majority, will require the proposed CFD to be eliminated from immediate consideration, and prevent its being included in a subsequent proceeding for at least one year.

If the Board of Supervisors, after the public hearing, determines that a majority protest under Section 53324 of the Government Code was not made at the hearing, the Board of Supervisors may conduct an election by mailed ballot to levy a special tax.

Questions should be directed to the undersigned, telephone (530) 621-5390.

Dated: March 11, 2019
