Board of Supervisors 330 Fair Lane Placerville, California 95667

Title:

AT&T Cell Tower Lease – SLT Tahoma Corporation Yard

Meeting Date:

September 16, 2003

District:

District V

Dear Members of the Board:

Recommendation:

The Department of Transportation recommends the Board of Supervisors approve the attached lease agreement between El Dorado County and AT&T Wireless (AT&T). This agreement is to lease to AT&T a 520 square foot portion of DOT's corporation yard in Tahoma, for the purpose of constructing and operating on County-owned property, a new 125-ft tall wireless facility with six antennas.

Reason for Recommendation:

AT&T approached El Dorado County in 2002 with a proposal to lease space for a cell tower facility to be constructed on County-owned property in the Tahoma area, El Dorado County. AT&T indicated that cell phone coverage along the Tahoe west shore was inadequate and that there were limited opportunities to locate cell tower sites in that area on properties that would provide suitable transmission characteristics and at the same time satisfy environmental restrictions. AT&T indicated that the County's Tahoma site would be suitable to their needs, and submitted a proposed lease agreement for staff review, and requested staff authorization for AT&T representatives to pursue the various governmental approvals while the final terms of the lease agreement were being negotiated with County staff.

The proposed cell tower and equipment enclosure location are in an un-used area of the Tahoma Corporation yard, and will not interfere with DOT operations; however, it will add 210 square feet of impervious coverage to the site. The Tahoe Regional Planning Agency reviewed the proposal and determined that the existing impervious

surfaces on the Tahoma property exceeds the allowable coverage area, and therefore, the cell tower facility could not occupy the site unless an equivalent amount of impervious surface was removed from the Tahoma property. DOT staff worked with AT&T and found an unused area of 210 square feet of existing asphalt pavement that could be removed to satisfy the TRPA requirement. As a condition of the lease, AT&T is compensating the County in a one-time payment at the rate of \$7.25 per square foot for a total of \$1,522.50 to remove 210 square feet of pavement and revegetate. At the conclusion of the lease the coverage credit will revert to the County.

1000

The Planning Commission conditionally approved this project on January 9, 2003 as a Special Use Permit, S20-30 (see attached conditions of approval and site plan). The new wireless facility will be disguised as a pine tree with six antennas, three to be installed initially and three more in the future, all located within the artificial tree branches.

AT&T has completed the approval process both with EDC and TRPA. The project includes an equipment shelter, located on the ground at the base of the pole, within a wood-sided enclosure. County Building permit issuance is pending approval of this agreement.

Department of Transportation has no objection to the placement of the cell tower facility with the provision that AT&T fulfill all the regulatory requirements of El Dorado County (EDC) and TRPA and that a lease be structured in a form satisfactory to the County.

The material terms of the lease as negotiated are as follows:

- Lease term is initially five-years with the right to an automatic renewal for four (4) additional five (5) year terms. (The County will not have the right to unilaterally terminate the lease prior to the end of the 25-years except under a breach of contract by AT&T.)
- Monthly rent to be \$1,500 with a 15% increase at the start of each 5-year extension term.
- One-time payment of \$1,522.50 for conversion of 210 square feet of impervious coverage to revegetate surface.
- AT&T to provide County required insurance coverage.
- AT&T to indemnify the County against any injury, loss, damage, or liability that arises out of AT&T use of the property.
- Lease prohibits AT&T from storing hazardous substances on the premises, and
 in the event there is a violation and/or discharge of hazardous substances, AT&T
 will provide full defense and indemnity to the County. AT&T must also carry, for
 the term of the lease, pollution liability coverage.

Fiscal Impact:

County Road Fund will receive an immediate payment of \$1,522.50, and will receive \$1500 per month lease payments (with periodic escalations) for the duration of the lease. The property was acquired with Road Fund monies and therefore receipt generated from the property are properly deposited into the Road Fund.

Turning of S

Net County Cost:

None

Action to be Taken Following Approval:

- 1. Chairman to execute lease agreement
- 2. Department of Transportation will administer the lease with AT&T

Sincerely,

Elizabeth B. Diamond

Assistant Director of Transportation

Address: 7101 Wilson Avenue, Tahoma, CA

AGREEMENT

THIS AGREEMENT ("Agreement"), dated as of the date below, is entered into by El Dorado County, having a mailing address of 2850 Fairlane Court, Placerville, CA 95667 (hereinafter referred to as "Landlord") and AT&T Wireless Services of California, LLC, a Delaware limited liability company, d/b/a AT&T WIRELESS, having a mailing address of 2729 Prospect Park Drive, Rancho Cordova, CA 95670 (hereinafter referred to as "Tenant").

BACKGROUND

Landlord owns that certain plot, parcel or tract of land, together with all rights and privileges arising in connection therewith, located at 7101 Wilson Avenue, Tahoma, in the County of El Dorado, State of California (collectively "Property") and further identified as described in Exhibit A. Tenant desires to use a portion of the Property in connection with its federally licensed communications business. Landlord desires to grant to Tenant the right to use a portion of the Property in accordance with this Agreement.

The parties agree as follows:

- 1. <u>LEASE OF PREMISES</u>. Landlord leases to Tenant a certain portion of the Property containing approximately 520 square feet including ground mounted radio equipment within a wood sided enclosure and 120 ft. tower structure with antennas connected by coaxial cable to the aforementioned ground mounted radio equipment as described on attached Exhibit B (collectively the "Premises"). Unrestricted access to be through a new gate in the existing fence directly from Wilson Avenue (the nearest public right-of-way) as indicated on Exhibit B.
- PERMITTED USE. Tenant may 2. use transmission Premises for the and reception communications signals and the installation, maintenance, operation, repair and replacement of its communications fixtures and related equipment, cables, accessories and improvements, which may include a suitable support structure, associated antennas, equipment shelters or cabinets and fencing and any other items necessary to the successful and secure use of the Premises (collectively, the "Communication

Facility"); such use may include the right to test, survey and review title on the Property (collectively, the "Permitted Use"). Landlord and Tenant agree that any portion of the Communication Facility that may be conceptually described on Exhibit B will not be deemed to limit Tenant's Permitted Use. If Exhibit B includes drawings of the initial installation of the Communication Facility, Landlord's execution of this Agreement will signify Landlord's approval of Exhibit B. Tenant has the right to install and operate transmission cables from the equipment shelter or cabinet to the antennas, electric lines from the main feed to the equipment shelter or cabinet and communication lines from the main entry point to the equipment shelter or cabinet, and to make Premises improvements, alterations, or additions appropriate for Tenant's use ("Tenant Changes"). Tenant Changes include the right to construct a fence around the Premises and undertake any other appropriate means to secure the Premises. Tenant agrees to comply with all applicable governmental laws, rules, statutes and regulations, relating to its use of the Communication Facility on the Property. Tenant has the right to modify, supplement, replace, upgrade, expand the equipment, increase the number of antennas on the one proposed pole or relocate the Communication Facility within the Premises at any time during the term of this Agreement. Tenant will be allowed to make such alterations to the Premises in order to accomplish Tenant's Changes or to insure that Tenant's Communication Facility complies with all applicable federal, state or local laws, rules or regulations.

- 3. TERM. (a) The initial Agreement term will be five (5) years ("Initial Term"), commencing upon the Commencement Date, as defined below. The Initial Term will terminate on the last day of the month in which the fifth annual anniversary of the Commencement Date occurs.
- (b) This Agreement will automatically renew for four (4) additional five (5) year Term(s) (each five (5) year term shall be defined as the "Extension Term"), upon the same terms and conditions unless the Tenant notifies the Landlord in writing of Tenant's intention not to renew this Agreement at least ninety (90) days prior to the expiration of the existing Term.
- (c) If Tenant remains in possession of the Premises after the termination or expiration of this Agreement

rev.01/30/02 Land Lease then Tenant will be deemed to be occupying the Premises on a month to month basis (the "Holdover Term"), subject to the same terms and condition of this Agreement.

- (d) The Initial Term, the Extension Term and the Holdover Term are collectively referred to as the Term ("Term").
- 4. <u>RENT</u>. (a) Commencing on the date that the Chairman of the Board of Supervisors executes the Agreement contingent upon the Agreement being executed prior to October 1, 2003 (the "Commencement Date"), Tenant will pay the Landlord a monthly rental payment of One Thousand Five Hundred and No/100 Dollars (\$1,500.00) ("Rent"), at the address set forth above on or before the 5th day of each calendar month in advance. Rent will be prorated for any partial month.

However, notwithstanding the provisions of the immediately preceding paragraph, in the event the Chairman of the Board of Supervisors executes the Agreement on or after October 1, 2003, then Tenant is at risk of construction being delayed until May 1, 2004, according to Tahoe Regional Planning Agency ("TRPA") rules and regulations regarding excavation. If execution of the Agreement should occur later than October 1, 2003, but prior to October 15, 2003, then Tenant, at Tenant's option, may commence construction concurrent with the payment of rent on the date of its choosing between October 1, 2003, and May 1, 2004.

- (b) Beginning with year one (1) of each Extension Term, the monthly Rent will increase by Fifteen percent (15%) over the previous year's Rent.
- (c) As consideration for Landlord consent for Tenant to remove a 210 square foot area of existing paved surface along the southeasterly edge of the "existing asphalt parking" area, which is to be removed and re-vegetated in accordance with TRPA guidelines as shown on attached Exhibit B, Tenant shall compensate Landlord a one time payment in the amount of One Thousand Five Hundred Twenty-Two and 50/100 Dollars (\$1,522.50) within thirty (30) days of Commencement Date. Landlord and Tenant acknowledge and agree that in no event is coverage for the Property being transferred from Landlord to Tenant under this Agreement. All coverage rights will remain with the Landlord upon termination or expiration of this Agreement.
- Landlord APPROVALS. (a) agrees Tenant's ability to use the Premises is contingent upon the suitability of the Premises for Tenant's Permitted Use and Tenant's ability to obtain all governmental licenses, permits, approvals or other relief required of or deemed necessary or appropriate by Tenant for its use of the Premises, including without limitation applications for zoning variances, zoning ordinances, amendments, special use permits, and construction (collectively referred to "Governmental as Approvals"). Landlord authorizes Tenant to prepare, execute and file all required applications to obtain Governmental Approvals..
- (b) Tenant has the right to obtain a title report or commitment for a leasehold title policy from a title insurance

company of its choice and to have the Property surveyed by a surveyor of Tenant's choice.

- (c) Tenant may also obtain, at Tenant's sole cost and expense, soil boring, percolation, engineering procedures, environmental investigation or other tests or reports (collectively the "Tests") on, over, and under the Property, necessary to determine if the Tenant's use of the Premises will be compatible with Tenant's engineering specifications, system, design, operations or Governmental Approvals.
- **6. TERMINATION.** This Agreement may be terminated, without penalty or further liability, as follows:
- (a) by either party on thirty (30) days prior written notice, if the other party remains in default under Paragraph 15 of this Agreement after the applicable cure periods;
- (b) by Tenant upon written notice to Landlord, if Tenant is unable to obtain, or maintain, any required approval(s) or the issuance of a license or permit by any agency, board, court or other governmental authority necessary for the construction or operation of the Communication Facility as now and hereafter intended by Tenant; or if Tenant determines in its sole discretion that the cost of obtaining or retaining the same is commercially unreasonable;
- (c) by Tenant on sixty (60) days written notice for any reason so long as Tenant pays Landlord a termination fee equal to six (6) months Rent, at the then current rate; provided, however, that no such termination fee will be payable on account of the termination of this Agreement by Tenant under any one or more of paragraphs 6(a), 6(b), 8, 18, 19, or 20 of this Agreement.
- 7. <u>INSURANCE</u>. Tenant will carry during the Term, at its own cost and expense, insurance as set forth in **Exhibit C**, Tenant's Insurance Requirements.
- 8. <u>INTERFERENCE</u>. (a) Where there are existing radio frequency user(s) on the Property, the Landlord will provide Tenant with a list of all existing radio frequency user(s) and their frequencies on the Property to allow Tenant to evaluate the potential for interference. Tenant warrants that its use of the Premises will not interfere with existing radio frequency users on the Property so disclosed by Landlord, as long as the existing radio frequency user(s) operate and continue to operate within their respective frequencies and in accordance with all applicable laws and regulations.
- (b) Landlord will confer with Tenant to determine proper antenna separation so as to avoid and/or eliminate any interference with their respective operations.
- (c) Tenant acknowledges that the installation and maintenance of the Communication Facility will not interfere with existing radio, television, telephone and like residential appliances within the Property. In the event Tenant's installations interfere with such equipment, Tenant will cease such interference, after notice thereof, within a reasonable period of time, except for brief tests necessary for the elimination of the interference and until it is able to resolve

the problem. If the interference cannot be resolved, Tenant will be entitled to terminate this Agreement.

- 9. INDEMNIFICATION. Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all injury, loss, damage or liability (or any claims in respect of the foregoing), costs or expenses (including reasonable attorneys' fees and court costs) arising directly from the installation, use, maintenance, repair or removal of the Communication Facility or Tenant's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Landlord, its employees, agents or independent contractors.
- 10. WARRANTIES. (a) Tenant and Landlord each acknowledge and represent that it is duly organized, validly existing and in good standing and has the right, power and authority to enter into this Agreement and bind itself hereto through the party set forth as signatory for the party below.
- (b) Landlord represents and warrants that: (i) Landlord solely owns the Property as a legal lot in fee simple, or controls the Property by Agreement or license; (ii) the Property is not encumbered by any liens, restrictions, mortgages, covenants, conditions, easements, leases, or any other agreements of record or not of record, which would adversely affect Tenant's Permitted Use and enjoyment of the Premises under this Agreement; (iii) as long as Tenant is not in default then Landlord grants to Tenant sole, actual, quiet and peaceful use, enjoyment and possession of the Premises; (iv) Landlord's execution and performance of this Agreement will not violate any Laws, ordinances, covenants or the provisions of any mortgage, Agreement or other agreement binding on the Landlord; and
- (c) Tenant warrants that Tenant is included within the exception under Government Code Section 25526.6.

11. ENVIRONMENTAL INDEMNITY AND PROHIBITED USES

(a) <u>MUTUAL INDEMNITY:</u>

- (1) Except as set forth hereinbelow, Landlord and Tenant agree that each will be responsible for compliance with any and all environmental and industrial hygiene laws, including any regulations, guidelines, standards, or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene condition or other matters as may now or at any time hereafter be in effect, that are now or were related to that party's activity conducted in or on the Property.
- (2) Landlord and Tenant agree to hold harmless and indemnify the other from, and to assume all duties, responsibilities and liabilities at its sole cost and expense, (for payment of penalties, sanctions, forfeitures, losses, costs or damages) and for responding to any action, notice, claim, order, summons, citation, directive, litigation, investigation or proceeding which is related to (i) failure to comply with any environmental or industrial hygiene law, including without

- limitation any regulations, guidelines, standards or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene conditions or matters as may now or hereafter be in effect, or (ii) any environmental or industrial hygiene conditions that arise out of or are in any way related to the condition of the Property or activities conducted by the party thereon, unless the environmental conditions are caused by the other party.
- (3) The indemnifications of this Paragraph 11 specifically include reasonable costs, expenses and fees incurred in connection with any investigation of Property conditions or any clean-up, remediation, removal or restoration work required by any governmental authority. The provisions of this Paragraph 11 will survive the expiration or termination of this Agreement.
- Hazardous Substances: Tenant shall use and occupy the Premises only for the agreed use, or any other legal use which is reasonable comparable thereto, and for no other purpose. Tenant shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs owners and/or occupants of, or causes damage to neighboring properties. Use of the Premises by Tenant and any uses Tenant makes of the Premises shall not adversely impact the drainage on Landlord's remaining Property that is adjacent to the Premises that is the subject of this Agreement. Tenant shall not cause Landlord's remaining real property to be used for drainage purposes or other encroachments without the prior approval of the Landlord. Tenant shall not store or use on the Property any fuel storage containers, back-up generators except contained battery generators, oil or gas products, nor any hazardous substance as that term is defined hereinbelow ("Hazardous Substance"). Tenant, and Tenant's contractors, agents, and representatives will comply with all applicable laws concerning the handling or discharge of Hazardous Substance during construction, and subsequent operation on the Premises.
- (1) Reportable Uses Require Consent. The term "Hazardous Substance" as used in this Agreement shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Property, is either (i) potentially injurious to the public health, safety or welfare, the environment or the Property, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Landlord to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, by-products of fractions thereof. Tenant shall not engage in any activity in or on the Property which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Landlord and timely compliance (at Tenant's expense) with all applicable requirements. "Reportable Use" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with

respect to which a report, notice, registration or business plan is required to be filed with any governmental authority, and/or (iii) the presence at the Property of a Hazardous Substance with respect to which any applicable requirements requires that a notice be given to persons entering or occupying the Property or neighboring properties. Notwithstanding the foregoing, Tenant may use fully contained battery operated generators required to be used in the normal course of the agreed use, so long as such use is in compliance with all applicable requirements, is not a reportable use, and does not expose the Property or neighboring property to any meaningful risk of contamination or damage or expose Landlord to any liability therefor. In addition, Landlord may condition consent to any reportable use upon receiving such additional assurances as Landlord reasonable deems necessary to protect itself, the public, the Property and/or the environmental against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Agreement expiration or termination) of protective modifications (such as concrete encasements) and/or posting a Security Deposit.

- (2) **Duty to Inform Landlord.** If Tenant knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Property, other than as previously consented to by Landlord, Tenant shall immediately give written notice of such fact to Landlord, and provide Landlord with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.
- (3) Tenant Remediation. Tenant shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Property (including through the plumbing or sanitary sewer system) and shall promptly, at Tenant's expense, take all investigatory and/or remedial action reasonable recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Property or neighboring properties, that was caused or materially contributed to by Tenant, or pertaining to or involving any Hazardous Substance brought onto the Property during the term of this Agreement, by or for Tenant, or any third party.
- (4) Additional Tenant Indemnification. Notwithstanding any provision in this Agreement to the contrary, Tenant shall fully indemnify, defend and hold Landlord, its agents, employees, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Property by or for Tenant in violation of this Agreement. Tenant's obligations shall include, but not be limited to, the effects of any contamination of injury to person, property or the environment created or suffered by Tenant, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Agreement. No termination, cancellation or release agreement entered into by Landlord and Tenant shall release Tenant from its obligations under this Agreement with

respect to Hazardous Substances, unless specifically so agreed by Landlord in writing at the time of such agreement.

- ACCESS. At all times throughout the Term of this Agreement, and at no additional charge to Tenant, Tenant and its employees, agents, and subcontractors, will have twenty-four (24) hour per day, seven (7) days per week, pedestrian and vehicular access through a gate and fence to be installed by Tenant following construction of the Communication Facility as indicated on Exhibit B for the installation, maintenance and operation of the Communication Facility and any utilities serving the Premises and Landlord hereby grants to Tenant an easement for such access. In the event any public utility is unable to use the access or easement provided to Tenant then the Landlord hereby agrees to grant additional access or easement to the public utility as addressed in Paragraph 14(b), Maintenance, for the benefit of Tenant, at no cost to Tenant.
- REMOVAL/RESTORATION. All portions of 13. the Communication Facility brought onto the Property by Tenant will be and remain Tenant's personal property and, at Tenant's option, may be removed by Tenant at any time during the Term. Landlord covenants and agrees that no part of the Communication Facility constructed, erected or placed on the Premises by Tenant will become, or be considered as being affixed to or a part of, the Property, it being the specific intention of the Landlord that all improvements of every kind and nature constructed, erected or placed by Tenant on the Premises will be and remain the property of the Tenant and may be removed by Tenant at any time during the Term. Within one hundred twenty (120) days of the termination of this Agreement, Tenant will remove all such improvements and restore the Premises to its condition at the commencement of the Agreement, reasonable wear and tear and loss due to casualty beyond Tenant's control excepted. Tenant will be responsible for the replacement of any trees, shrubs, or other vegetation damaged during said removal. Tenant will be required to remove from the Premises or the Property any foundations or underground utilities if requested to do so by Landlord.
- 14. MAINTENANCE/UTILITIES. (a) Tenant will keep and maintain the Premises in good condition, reasonable wear and tear and damage from the elements excepted. Landlord will maintain and repair the access thereto, in good and tenantable condition, subject to reasonable wear and tear and damage from the elements.
- (b) Tenant will be solely responsible for and promptly pay all utilities charges for electricity, telephone service or any other utility used or consumed by Tenant on the Premises. If a Utility Easement is required by any public utility to provide service to the Premises as described in **Exhibit B**, then upon Tenant's request Landlord will grant a separate recordable Utility Easement to the public utility. Furthermore, if during construction of the Communication Facility a minor change in the location of the Utility Easement is required, i.e., several feet from that depicted in **Exhibit B**,

to avoid obstructions (large rocks/granite), then Landlord agrees to grant a revised utility easement to the public utility to facilitate construction activities (trenching or coring). It is understood the Utility Easement is granted for the benefit of Tenant, at no cost to Tenant, and provided that no such easement will interfere with Landlord's use of its Property. Landlord's approval of the Utility Easement evidencing this right will not be unreasonably withheld, conditioned or delayed. In the event Tenant cannot secure its own metered electrical supply, Tenant will have the right, at its own cost and expense, to submeter from the Landlord. Tenant will pay on a monthly basis the current local utility company rate for submetered electric, after the meter is read by the Landlord and billed to Tenant. Landlord will not be responsible for interference with, interruption of or failure, beyond the reasonable control of Landlord, of such services to be furnished or supplied by Landlord.

15. DEFAULT AND RIGHT TO CURE.

- The following will be deemed a default by Tenant (a) and a breach of this Agreement: (i) non-payment of Rent if such Rent remains unpaid for more than thirty (30) days after receipt of written notice from Landlord of such failure to pay; or (ii) Tenant's failure to perform any other term or condition under this Agreement within forty-five (45) days after receipt of written notice from Landlord specifying the failure. No such failure, however, will be deemed to exist if Tenant has commenced to cure such default within such period and provided that such efforts are prosecuted to completion with reasonable diligence. Delay in curing a default will be excused if due to causes beyond the reasonable control of Tenant. If Tenant remains in default beyond any applicable cure period, Landlord will have the right to exercise any and all rights and remedies available to it under law and equity.
- The following will be deemed a default by Landlord and a breach of this Agreement. Landlord's failure to perform any term, condition or breach of any warranty or covenant under this Agreement within forty-five (45) days after receipt of written notice from Tenant specifying the failure. No such failure, however, will be deemed to exist if Landlord has commenced to cure the default within such period and provided such efforts are prosecuted to completion with reasonable diligence. Delay in curing a default will be excused if due to causes beyond the reasonable control of If Landlord remains in default beyond any Landlord. applicable cure period, Tenant will have the right to exercise any and all rights available to it under law and equity, including the right to cure Landlord's default and to deduct the costs of such cure from any monies due to Landlord from Tenant.
- 16. <u>ASSIGNMENT</u>. If Assignee is included within the exception under Government Code Section 25526.6 and Tenant provides Landlord with proper documentation of such exception, then Tenant may assign, sell or transfer its interest under this Agreement without the approval or consent of Landlord, to the Tenant's principal, affiliates, subsidiaries, subsidiaries of its principal or to any entity which acquires all

or substantially all of the Tenant's assets in the market defined by the Federal Communication Commission in which the property is located by reason of a merger, acquisition. Upon notification to Landlord of such assignment, transfer or sale, Tenant will be relieved of all future performance, liabilities and obligations under the Agreement. Tenant may not otherwise assign the Agreement without Landlord's consent.

- All notices, requests, demands and 17. NOTICES. communications hereunder will be given by first class certified or registered mail, return receipt requested, or by a nationally recognized overnight courier, postage prepaid, to be effective when properly sent and received, refused or returned undelivered. Notice will be addressed to the parties as As to Tenant, AT&T Wireless, Attn.: Property Specialist - Western Region, Property Management, 2729 Prospect Park Drive, Rancho Cordova, CA 95670, Re: Site #959002009; with a copy to AT&T Wireless, 8645 - 154th Avenue NE, Redmond, WA 98052, Attn.: Legal Department Re: Cell Site #959002009 and as to Landlord, El Dorado County Department of Transportation, 2850 Fairlane Court, Placerville, CA 95667. Either party hereto may change the place for the giving of notice to it by thirty (30) days prior written notice to the other as provided herein.
- 18. <u>SEVERABILITY</u>. If any term or condition of this Agreement is found unenforceable, the remaining terms and conditions will remain binding upon the parties as though said unenforceable provision were not contained herein. However, if the invalid, illegal or unenforceable provision materially affects this Agreement then the Agreement may be terminated by either party on ten (10) days prior written notice to the other party hereto.
- In the event Landlord 19. CONDEMNATION. receives notification of any condemnation proceedings affecting the Property, Landlord will provide notice of the proceeding to Tenant within forty-eight (48) hours. If a condemning authority takes all of the Property, or a portion sufficient, in Tenant's sole determination, to render the Premises unsuitable for Tenant, this Agreement will terminate as of the date the title vests in the condemning authority. The parties will be entitled to share in the condemnation proceeds in proportion to the values of their respective interests in the Property, which for Tenant will include, where applicable, the value of its Communication Facility, moving expenses, prepaid Rent, and business dislocation expenses. Tenant will be entitled to reimbursement for any prepaid Rent on a prorata basis.
- 20. <u>CASUALTY</u>. Landlord will provide notice to Tenant of any casualty affecting the Property within forty-eight (48) hours of the casualty. If any part of the Communication Facility or Property is damaged by fire or other casualty so as to render the Premises unsuitable, in Tenant's sole determination, then Tenant may terminate this Agreement by providing written notice to the Landlord, which termination will be effective as of the date of such damage or destruction.

Upon such termination, Tenant will be entitled to collect all insurance proceeds payable to Tenant on account thereof and to be reimbursed for any prepaid Rent.

21. MISCELLANEOUS.

- (a) Amendment/Waiver. This Agreement cannot be amended, modified or revised unless done in writing and signed by an authorized agent of the Landlord and an authorized agent of the Tenant. No provision may be waived except in a writing signed by both parties.
- (b) **Bind and Benefit**. The terms and conditions contained in this Agreement will run with the Property and bind and inure to the benefit of the parties, their respective heirs, executors, administrators, successors and assigns.
- (c) Entire Agreement. This Agreement and the exhibits attached hereto, all being a part hereof, constitute the entire agreement of the parties hereto and supersedes all prior offers, negotiations and agreements.
- (d) Governing Law. This Agreement will be governed by the laws of the state in which the Premises are located, without regard to conflicts of law.
- Interpretation. Unless otherwise specified, the following rules of construction and interpretation apply: (i) captions are for convenience and reference only and in no way define or limit the construction of the terms and conditions hereof; (ii) use of the term "including" will be interpreted to mean "including but not limited to"; (iii) whenever a party's consent is required under this Agreement, except as otherwise stated in the Agreement or as same may be duplicative, such consent will not be unreasonably withheld, conditioned or delayed; (iv) exhibits are an integral part of the Agreement and are incorporated by reference into this Agreement; (v) use of the terms "termination" or "expiration" are interchangeable; and (vi) reference to a default will take into consideration any applicable notice, grace and cure periods.

Estoppel. (f) Either party will, at any time upon fifteen (15) business days prior written notice from the other, execute, acknowledge and deliver to the other a statement in writing (i) certifying that this Agreement is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying this Agreement. as so modified, is in full force and effect) and the date to which the Rent and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to such party's knowledge, any uncured defaults on the part of the other party hereunder, or specifying such defaults if any are claimed. Any such statement may be conclusively relied upon by any prospective purchaser or encumbrancer of the Premises. The requested parties failure to deliver such a statement within such time will be conclusively relied upon by the requesting party that (i) this Agreement is in full force and effect, without modification except as may be properly represented by the requesting party, (ii) there are no uncured defaults in either party's performance, and (iii) no more than one month's Rent has been paid in advance.

(g) No Electronic Signature/No Option.

The submission of this Agreement to any party for examination or consideration does not constitute an offer, reservation of or option for the Premises based on the terms set forth herein. This Agreement will become effective as a binding Agreement only upon the handwritten legal execution, acknowledgment and delivery hereof by Landlord and Tenant.

(h) Contract Administrator. The Contract Administrator for this Agreement is Diana Buckley, Fiscal Administrative Manager.

DESCRIPTION/DEPICTION OF PREMISES

Page 1 of 3 to the Agreement dated	, 200, by and between El Dorado County, as Landlord, and AT&T Wire	les
of California, LLC, a Delaware limited liability	company, d/b/a AT&T WIRELESS, as Tenant.	
Description:		
An area approximately 520 square feet including gr	round munted radio equipment within a wood sided enclosure and 120 ft. tower	
structure with antennas connected by coaxial cable	to the aforementioned ground mounted radio equipment	

Depiction follows on Exhibits B-1 and B-2.

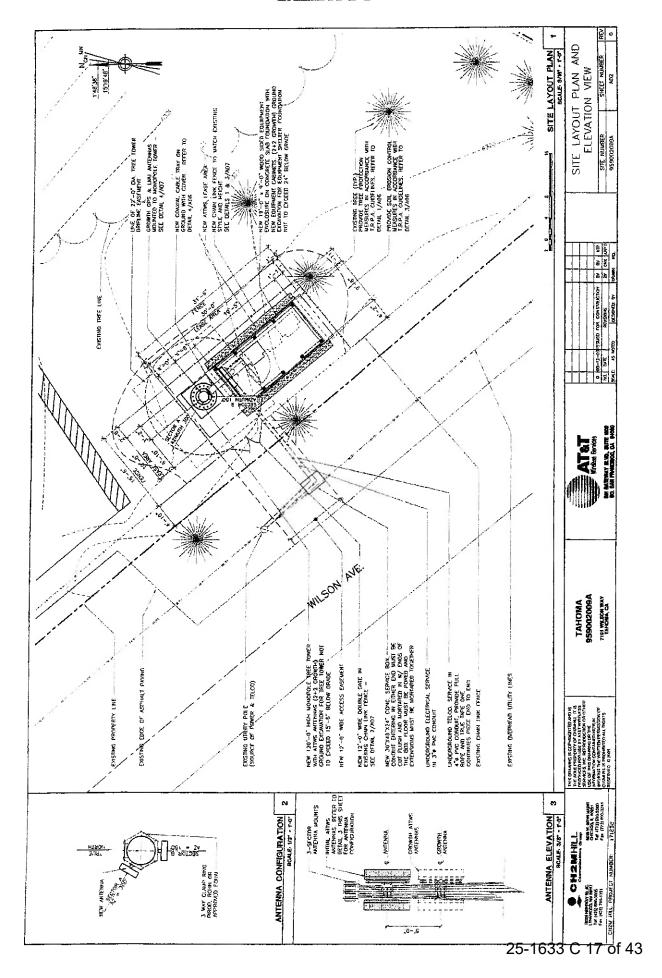

EXHIBIT C

TENANT'S INSURANCE REQUIREMENTS

Tenant shall provide proof of a policy of insurance satisfactory to Landlord and documentation evidencing that Tenant maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Tenant as required by law in the State of California.
- B. Commercial General Liability Insurance of not less than \$5,000,000 combined single limit per occurrence for bodily injury and property damage.
- C. Automobile Liability Insurance of not less than \$1,000,000 is required in the event motor vehicles are used on Landlord's property.
- D. Pollution Legal Liability Insurance of not less than \$1,000,000 per occurrence including coverage for bodily injury, property damage and cleanup costs. Coverage shall apply to sudden and non-sudden pollution conditions resulting from the escape or release of smoke, vapors, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials, or other irritants, contaminants, or pollutants.
- E. All Risk Property Insurance equal to replacement cost of Tenant's property.
- F. Tenant shall furnish a certificate of insurance satisfactory to Landlord's Risk Manager as evidence that the insurance required above is being maintained.
- G. The insurance will be issued by an insurance company acceptable to Landlord's Risk Manager, or be provided through partial or total self-insurance likewise acceptable to Landlord's Risk Manager.
- H. Landlord may require reasonable increases in the insurance limits specified in A. through E. above by notification to Tenant at least 60 days prior to expiration of the then-current Term.
- I. Tenant agrees that the insurance required above shall be in effect at all times during the term of this contract. In the event said insurance coverage expires at any time or times during the term of this contract, Tenant agrees to provide, no later than 7 days following said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than one year. New certificates of insurance are subject to the approval of Landlord's Risk Manager and Tenant agrees that no work or services shall be performed prior to the giving of such approval. In the event Tenant fails to keep in effect at all times insurance coverage as herein provided, Landlord may, in addition to any other remedies it may have, terminate this

contract upon the occurrence of such event.

- J. The certificate of insurance must include the following provisions stating that:
 - a. The insurer will not cancel Tenant's coverage without 30 day prior written notice to Landlord; and
 - b. The Landlord, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as this lease is concerned. This provision shall apply to all liability policies except workers' compensation.
- K. Tenant's insurance coverage shall be primary insurance as respects Landlord, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by Landlord, its officers, officials, employees or volunteers shall be excess of Tenant's insurance and shall not contribute with it.
- L. Any deductibles or self-insured retentions must be declared to and approved by Landlord. At the option of Landlord, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects Landlord, its officers, officials, employees, and volunteers; or Tenant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- M. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to Landlord, its officers, officials, employees or volunteers.
- N. The insurance companies shall have no recourse against Landlord, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- O. Tenant's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this agreement.
- P. The certificate of insurance shall meet such additional standards as may be determined by Landlord either independently or in consultation with Landlord's Risk Manager, as essential for protection of Landlord.

FIRST AMENDMENT TO AGREEMENT

THIS FIRST AMENDMENT TO AGREEMENT ("Amendment") dated as of the dates below, is by and between El Dorado County, with a mailing address of 2850 Fairlane Court, Placerville, CA 95667 (hereinafter referred to as "Landlord") and AT&T Wireless Services of California, LLC, a Delaware limited liability company, d/b/a AT&T Wireless, having a mailing address of 2729 Prospect Park Drive, Rancho Cordova, CA 95670 (hereinafter referred to as "Tenant").

WHEREAS, Landlord and Tenant entered into an Agreement dated September _____, 2003, whereby Landlord leased to Tenant certain Premises, therein described, that are a portion of the Property located at 7101 Wilson Avenue, Tahoma, County of El Dorado, state of California ("Agreement"); and

WHEREAS, Landlord and Tenant desire to amend the Lease to provide that Tenant will pay any taxes levied and/or assessed against Tenant's personal property at the Premises; and

WHEREAS, Landlord and Tenant, in their mutual interest, wish to amend the Lease as set forth below accordingly.

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

- 1. Taxes. Section 21(i) shall be added to the Agreement as shall read as follows:
- (i) <u>Taxes</u>. Tenant shall pay before delinquency all taxes, assessments, license fees, and other charges, specifically including, but not limited to, possessory interest taxes that are levied or are levied and assessed against Tenant's personal property installed or located in or on the Premises or on Tenant's interest in the Premises or Property and that become payable during the Term of this Agreement.
- 2. Other Terms and Conditions Remain. In the event of any inconsistencies between the Lease and this Amendment, the terms of this Amendment shall control. Except as expressly set forth in this Amendment, the Lease otherwise is unmodified, remains in full force and effect and is incorporated and restated herein as if fully set forth at length. Each reference in the Lease to itself shall be deemed also to refer to this Amendment.

3. Capitalized Terms. All capitalized terms used herein shall have the same meanings as defined in the Lease.

IN WITNESS WHEREOF, the parties have caused their properly authorized representatives to execute and seal this Amendment on the dates set forth below.

- 2. All site improvements shall conform to the approved site plans (Exhibit D).
- 3. Pursuant to County Code (Section 17.22.250) implementation of the project (i.e., obtaining building permit) must occur within twenty-four months (24) of approval of this special use permit, otherwise the permit becomes null and void. It is the responsibility of the applicant to monitor the time limit and make diligent progress toward implementation of the project and compliance with the conditions of approval.
- 4. All improvements associated with the communication facility, including equipment shelters, towers, antenna, fencing, and landscaping shall be properly maintained at all times. Colors of towers and other improvements shall be maintained to ensure the appearance remains consistent with the approved conditions, site plans, and photo simulations.

Meeks Bay Fire Department

5. Plans shall be reviewed and approved by the Meeks Bay Fire Department prior to issuance of a building permit.

Tahoe Regional Planning Agency (TRPA)

- 6. The applicant will be required to obtain all necessary permits from TRPA.
- 7. All obsolete or unused communication facilities shall be removed within six (6) months after the use of that facility has ceased, or the facility has been abandoned. The applicant shall notify the Planning Department at the time of abandonment, and all disturbance related to the communication facility shall be restored to pre-project condition.
- Due to the ever-changing technology of wireless communication systems, this special use 8. permit shall be reviewed by the Planning Commission every five years. At each five-year review, the permit holder shall provide the Planning Commission with a status report on the then current use of the subject site and related equipment. The Planning Commission shall review the status report and, based on an assessment of the information provided, current wireless communication technology, and possible local or cumulative impacts, determine whether to: 1) Modify the conditions of approval in order to reduce identified adverse impacts; and 2) Initiate proceedings to revoke the special use permit, requiring the facility's removal, if it is no longer an integral part of the wireless communication system. By operation of this condition, it is the intent of the Planning Commission to reserve the right to modify existing or add new conditions, consistent with the language specified above. The failure of the Planning Commission to conduct or complete a fiveyear review in a timely fashion shall not invalidate this special use permit. The applicant shall pay a fee as determined by the Planning Director to cover the cost of processing a five-year review.

802-30 - As approved by the Planning Commission on January 9, 2003

Findings

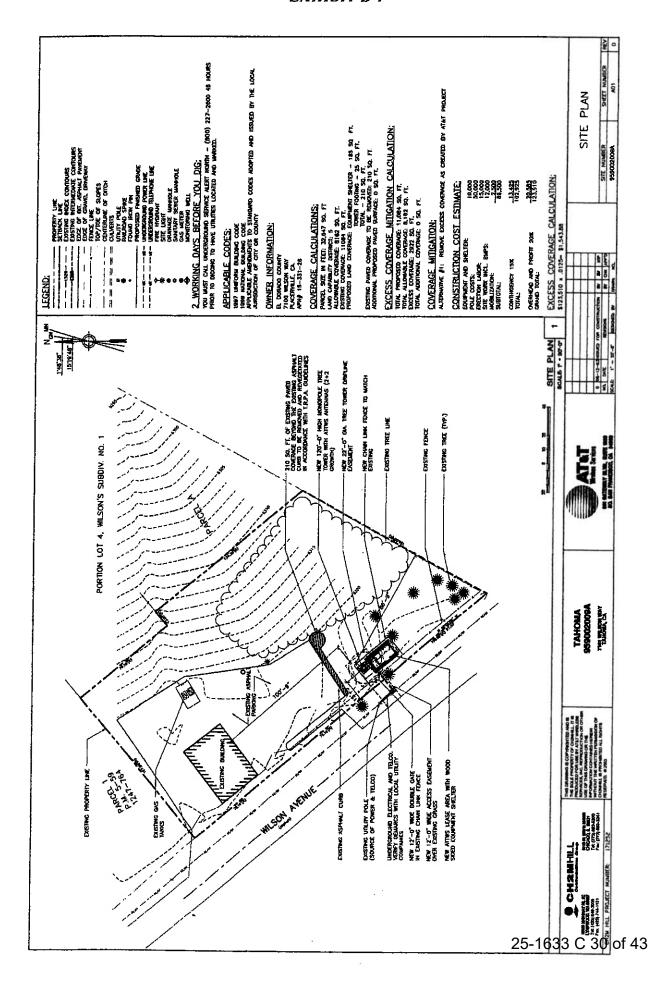

- 1. The proposed project will not have a significant effect on the environment, based on the analysis contained in the Initial Study, and a Negative Declaration has been filed. Further, the project will not affect wetlands, watercourses, riparian lands, unique plant or animal life and habitats, or other terrestrial matters under the jurisdiction of the State Department of Fish and Game. Therefore, the project has a de minimis impact on the environment and a Certificate of Fee Exemption (DFG 753.5-5/91) is applicable.
- 2. The proposed use is consistent with the policies in the El Dorado County General Plan, as amended through February 4, 1999, as discussed in the General Plan section of this staff report.
- 3. The use is found to comply with the requirements of Chapter 17.22, Special Use Permits, and Section 17.14.200, Wireless Communication Facilities, and the proposed use is not considered detrimental to the public health, safety, and welfare, or injurious to the neighborhood based on the conclusions contained in the staff report, the analysis of potential impacts in the Initial Study, and the project meets the FCC standards (as discussed in the staff report).
- 4. This project may be approved subject to the following findings established in Paragraph 5, Sub-Paragraph (4) (g.), which permits the County to approve projects that are within the jurisdiction of the Tahoe Regional Planning Agency, and Sub-paragraph 8 in the Final Writ issued by the Court on July 19, 1999, as follows:
 - a. The approval or project will not significantly impair the County's ability to adopt and implement a new General Plan after complying with CEQA.
 - b. The approval or project complies with all other requirements of law.
 - c. The project is consistent with the text and maps of the General Plan as of February 5, 1999, and there is no evidence that the development of the site would affect issues identified in the General Plan lawsuit that could impact the County's ability to adopt a new General Plan.

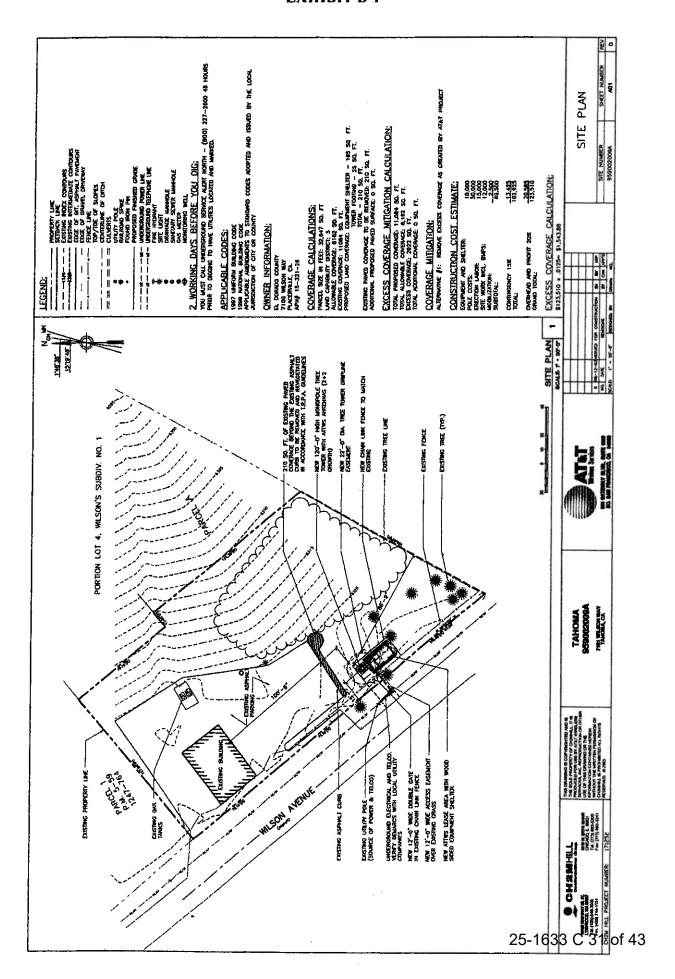

Conditions of Approval

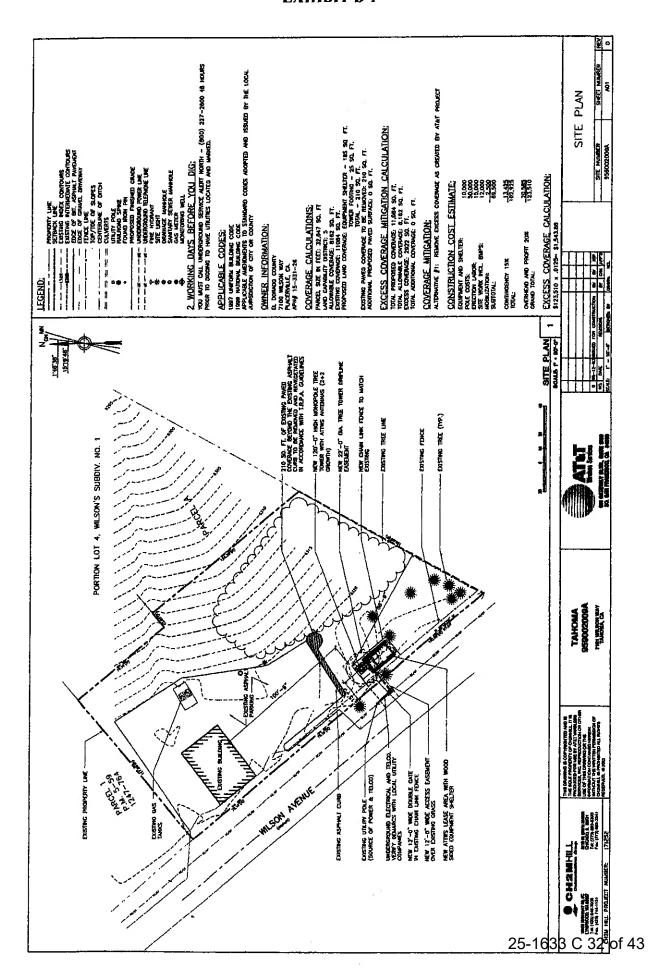

Planning

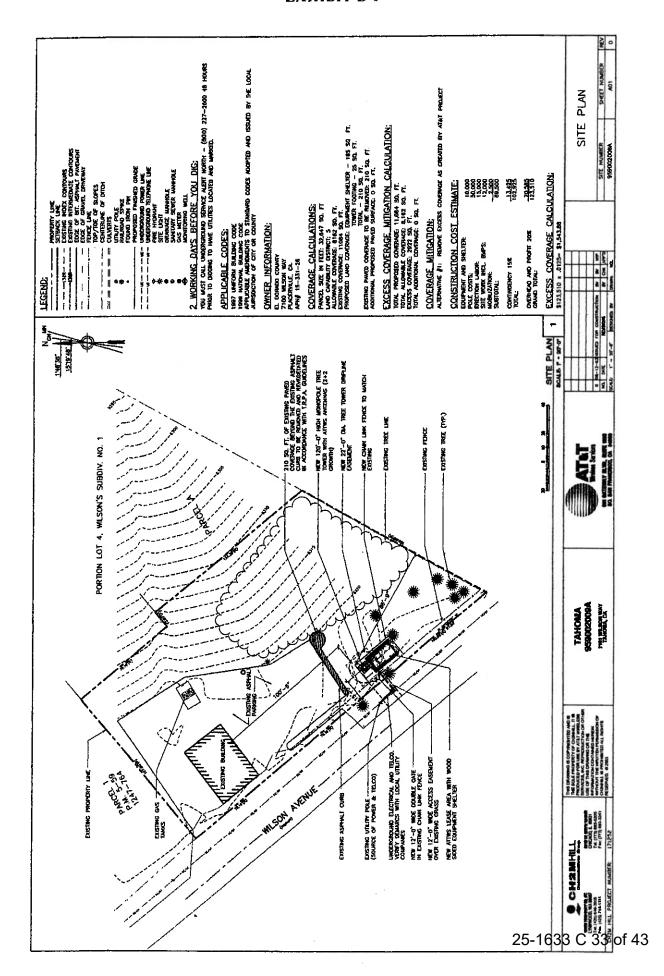

1. The project, as approved, consists of the following:

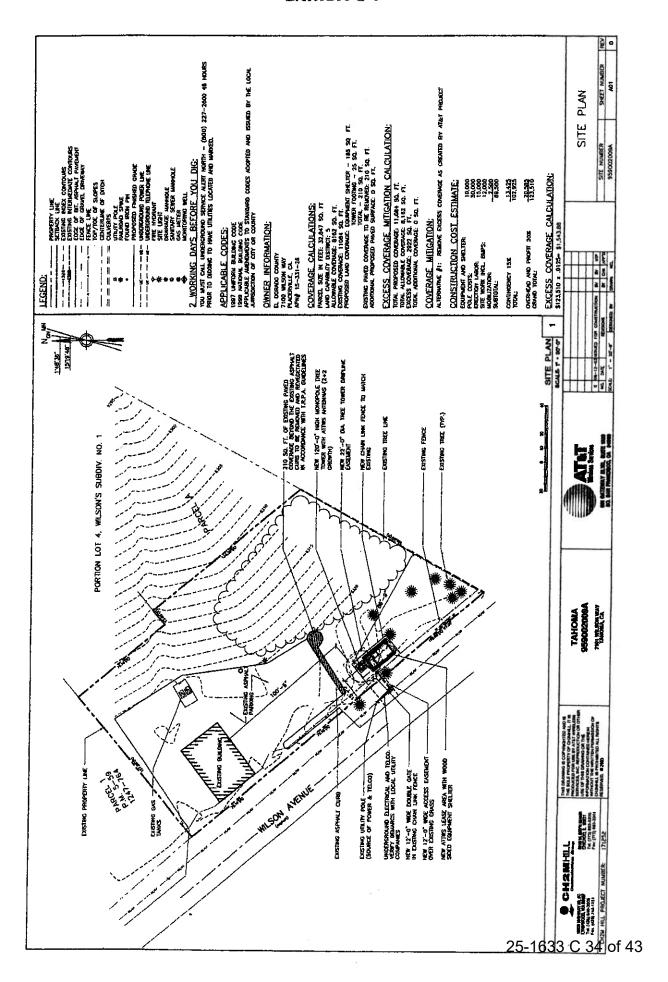

Construction of a new 125-foot-tall wireless facility tree pole (disguised as a pine tree) with six antennas (three proposed, three future). The antennas will be located within the artificial tree branches of the tree pole. The project includes an equipment shelter, which will be located on the ground at the base of the pole, and will be within a wood-sided enclosure.
