PROPOSAL TO REPAIR EL DORADO COUNTY SHERIFFS RESCUE BOAT

AFTER CAREFUL INSPECTION, JBT MARINE HAS COME UP WITH A PROPOSAL THAT WE THINK IS THE BEST OPTION TO REPAIR YOUR RESCUE CRAFT. WE WERE IN TOUCH WITH THE MANUFACTURER AND LEARNED THAT SOME OF THE WORK THAT IS NEEDED REQUIRES EXPERTISE.

REPLACING THE COLLAR AROUND THE BOAT WITH UPDATED MATERIAL WHICH INCLUDES THE NEW NOSE PIECE.

REPLACING THE STRAKES ON THE BOTTOM OF THE HULL THAT ARE DAMAGED.

REPLACING THE PERFORMANCE WINGS WITH NEW AND IMPROVED DESIGN.

THESE REPAIRS WOULD BE PERFORMED BY SAFE BOAT INTERNATIONAL. JBT WOULD HAVE THE WATERCRAFT SHIPPED TO SAFE BOAT. THE ENGINES SHOULD BE REPLACED BECAUSE OF THE LOWER UNIT DAMAGE ON BOTH MOTORS AND WOULD COST ALMOST AS MUCH AS A 100% NEW MOTOR.
