## **DIAGNOSTIC STUDIES, TREATMENT SERVICES AND TEMPORARY DETENTION**

### **1. INTRODUCTION**

The California Department of Corrections and Rehabilitation, Division of Juvenile Justice (CDCR/DJJ) agrees to provide Diagnostic Studies, Treatment Services and Temporary Detention for case referrals from Juvenile Court to the County of El Dorado as described herein. The County of El Dorado agrees to compensate the CDCR/DJJ, per Exhibit B-1, Rate Sheet, for services performed at CDCR/DJJ facilities.

Section 1752.1 of the Welfare and Institutions Code of the State of California states, "The Director may enter into contracts with the approval of the Director of Finance with any county of this state, upon request of the board of supervisors thereof, wherein the Youth Authority agrees to furnish diagnosis and treatment services and temporary detention during a period of study to the county for selected cases of persons eligible for commitment to the Youth Authority."

A Juvenile Court determines if a person is eligible for commitment to the CDCR/DJJ, in any county in which there is a contract in effect, pursuant to Section 1752.1 and Section 1731.6 of the Welfare and Institutions Code (WIC). The Juvenile Court also determines if a person falls within the provisions of WIC Section 1731.5, and concludes if a proper disposition of the case requires such observation and diagnosis as can be made by the CDCR/DJJ.

The Juvenile Court may continue a hearing and order that such a person be placed temporarily in a CDCR/DJJ facility, for a period not to exceed ninety (90) days, with the further provision that the Director of the CDCR/DJJ facility reports to the court its diagnosis and recommendations concerning the person within the ninety (90) day period.

### **2. CONTRACTOR RESPONSIBILITIES**

The Sheriff of the County in which an order is made placing a person in a diagnostic and treatment center pursuant to WIC Section 1731.6, or any other peace officer designated by the court, shall execute the order placing such person in the treatment center or returning him there from the court. The expense of such Sheriff or other peace officer incurred in executing such order is a charge upon the County in which the court is situated.

In the event that emergency medical treatment or emergency mental health treatment is deemed necessary by the CDCR/DJJ medical staff, for any County juvenile(s) housed in custody under this Agreement, the treatment shall be performed in a facility designated by CDCR/DJJ medical staff at the expense of the County. The County shall be responsible for reimbursement of transportation costs incurred in acquisition of treatment, including costs for security staff. Service providers for the treatment shall directly invoice the County.

### **3. CDCR/DJJ RESPONSIBILITIES**

The Director of CDCR/DJJ facilities shall, within ninety (90) days, cause the person to be observed and examined and shall forward to the court its diagnosis and recommendation concerning such person's future, care, supervision, and treatment.

The CDCR/DJJ shall accept such person if it is believed that the person can be materially benefited by diagnostic and treatment services, and if the Director of CDCR/DJJ facility certifies that staff and institutions are available. No person shall be transported to any facility under the jurisdiction of the CDCR/DJJ until the Director has notified the referring court, by way of an acceptance letter, of the location to which the person is to be transported and of the time at which they can be received.

Daily operations will be consistent with the CDCR/DJJ minimum standards and training that CDCR/DJJ staff receives. These operations include feeding, clothing, count procedures, hygiene, room clean up and recreation. The CDCR/DJJ shall provide, as deemed needed by medical staff, routine medical, dental or mental health treatment, and routine periodic medical examinations for County juveniles housed in custody under this Agreement. Routine medical costs shall be included in the total amount of this Agreement. The County shall provide and pay for any and all ancillary medical services including, but not limited to, dental, optical, non-emergency surgical procedures and special consultation services.

CDCR/DJJ staff shall notify the County, within twenty-four (24) hours, of any emergency medical treatment or emergency mental health treatment administered to any person sent to the CDCR/DJJ by the County for diagnostic services. Notification shall include the name of the person receiving the treatment, name, address, and phone number of the location where the treatment is being administered, and the name of a contact person at the treatment facility. The CDCR/DJJ and County shall mutually agree on the appropriate placement of the medically treated person.

Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). **c. Former State Employees**

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

**17. Travel**

Contractor's rates shall include all travel expenses required to perform services in accordance with this contract.

**18. Notification of Personnel Changes**

**19. Security Clearance/Fingerprinting**

The State reserves the right to conduct fingerprinting and/or security clearance—through the Department of Justice, Bureau of Criminal Identification and Information (BCII)—prior to award and at any time during the term of the Agreement, in order to permit Contractor (and/or Contractor employee) access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

**20. Computer Software**

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

**21. Expendable Equipment**

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

**22. Electronic Waste Recycling**

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall

maintain documentation and provide reasonable access to its records and documents that evidence compliance.

**23. Liability for Loss and Damages**

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

**24. Disclosure**

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known made by any inmate or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

**25. Workers' Compensation**

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

**26. Insurance Requirements**

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage.

Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance.

#### **27. Tuberculosis (TB) Testing**

In the event that the services required under this Agreement will be performed within a CDCR institution/parole office/community-based program, Contractors and their employees who are assigned to work with, near, or around inmates/parolees shall be required to be examined and tested or medically evaluated by a licensed healthcare provider for TB in an infectious or contagious stage prior to the performance of contracted duties, and at least once a year thereafter (within 12 months of their initial or previous TB test under this contract), or more often as directed by CDCR.

Contractors and their employees who have any contact (physical or nonphysical) with inmates/parolees, shall be required to furnish to the CDCR Program/Institution Contract Manager, at no cost to CDCR, a documented Tuberculosis (TB) evaluation/test for TB infection (Tuberculin Skin Test (TST) or a blood test Interferon Gamma Release Assay (IGRA) completed within (30) thirty days of the start date of the services and be certified to be free of TB in an infectious or contagious stage by a licensed healthcare provider prior to assuming their contracted duties and annually thereafter.

If you are providing services for the confinement of our inmates, you and your staff are required to adopt and comply with the PREA standards, 28 Code of Federal Regulations (CFR) Part 115 and with CDCR's Department Operations Manual, Chapter 5, Article 44, including updates to this policy. This will include CDCR staff and outside audit personnel (who also conduct PREA audits of state prisons) conducting audits to ensure compliance with the standards.

As a Contractor with CDCR, you shall not assign an employee to a CDCR facility or assign an employee to duties if that employee will have contact with CDCR inmates, if that employee has 1) engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997); 2) been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or 3) has been civilly or administratively adjudicated to have engaged in the activity described in this section.

The Contractor shall conduct a criminal background records check for each contract employee who will have contact with CDCR inmates and retain the results for audit purposes. By signing this contract the Contractor agrees to ensure that all of the mandates of this Section 5: Prison Rape Elimination Policy are complied with. Material omissions, by the contract employee, regarding such misconduct or the provision of materially false information, shall be grounds for removal from institutional grounds.

Contract employees, who have contact with inmates, shall be provided training via the Exhibit titled; "PRISON RAPE ELIMINATION POLICY, Volunteer/Contractor Informational Sheet" to learn their responsibilities under the agency's sexual abuse and sexual harassment prevention, detection, and response policies and procedures. Referral shall be made to the District Attorney unless the activity was clearly not criminal. Reportable information shall be sent to relevant licensing bodies.

The Request for Gate Clearance must include the person's name, social security number, valid state driver's license number or state identification card number and date of birth. CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION  
PRISON RAPE ELIMINATION POLICY  
Volunteer/Contractor Informational Sheet

The Prison Rape Elimination Policy for the California Department of Corrections and Rehabilitation (CDCR) is explained on this informational sheet. As a volunteer or private contractor who has contact with CDCR offenders, it is your responsibility to do what you can, within the parameters of your current assignment, to reduce incidents of sexual violence, staff sexual misconduct, and sexual harassment and to report information appropriately when they are reported to you or when you observe such an incident.

Historical Information

Both the Congress and State Legislature passed laws, the Federal Prison Rape Elimination Act (PREA) of 2003, the Sexual Abuse in Detention Elimination Act, Chapter 303, Statutes of 2005, and most recently the United States, Department of Justice Final Rule; National Standards of 2012 to help prevent, detect and respond to sexual violence, staff sexual misconduct and sexual harassment behind bars. It is important that we, as professionals, understand all aspects of these laws and our responsibilities to help prevent, detect, and respond to instances by offenders and staff.

The CDCR policy is found in Department Operations Manual (DOM), Chapter 5, Article 44. PREA addresses five types of sexual offenses. Sexual violence committed by offenders will encompass: Abusive Sexual Contact, Nonconsensual Sex Acts, or Sexual Harassment by an Offender (towards an offender). The two remaining types of sexual offenses covered by PREA are Staff Sexual Misconduct and Staff Sexual Harassment (towards an offender).

CDCR's policy provides for the following:

- CDCR is committed to continuing to provide a safe, humane, secure environment, free from offender on offender sexual violence, staff sexual misconduct, and sexual harassment.
- CDCR maintains zero tolerance for sexual violence, staff sexual misconduct, and sexual harassment in its institutions, community correctional facilities, conservation camps, and for all offenders under its jurisdiction.
- All sexual violence, staff sexual misconduct, and sexual harassment is strictly prohibited.
- This policy applies to all offenders and persons employed by the CDCR, including volunteers and independent contractors assigned to an institution, community correctional facility, conservation camp, or parole.

Retaliatory measures against employees or offenders who report incidents of sexual violence, staff sexual misconduct, or sexual harassment as well as retaliatory measures taken against those who cooperate with investigations shall not be tolerated and shall result in disciplinary action and/or criminal prosecution.

Retaliatory measures include, but are not limited to:

- Coercion.
- Threats of punishment.
- Any other activities intended to discourage or prevent staff or offenders from reporting incident(s).

#### Professional Behavior

Staff, including volunteers and private contractors are expected to act in a professional manner while on the grounds of a CDCR institution and while interacting with other staff and offenders.

Key elements of professional behavior include:

- Treating everyone, staff and offenders alike, with respect
- Speaking without judging, blaming, or being demeaning
- Listening to others with an objective ear and trying to understand their point of view
- Avoiding gossip, name calling, and what may be perceived as offensive or "off-color" humor
- Taking responsibility for your own behavior

#### Preventative Measures

You can help reduce sexual violence, staff sexual misconduct, and sexual harassment by taking various actions during the performance of your duties as a volunteer or private contractor.

The following are ways in which you can help:

- Know and enforce the rules regarding the sexual conduct of offenders.
- Be professional at all times.
- Make it clear that sexual activity is not acceptable.
- Treat any suggestion or allegation of sexual violence, staff sexual misconduct, and sexual harassment as serious.
- Follow appropriate reporting procedures and assure that the alleged victim is separated from the alleged predator.
- Never advise an offender to use force to repel sexual advances.

#### Detection

All staff, including volunteers and private contractors, is responsible for reporting immediately and confidentially to the appropriate supervisor any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.

After immediately reporting to the appropriate supervisor, you are required to document the information you reported. You will be instructed by the supervisor regarding the appropriate form to be used for documentation.

You will take necessary action (i.e., give direction or press your alarm) to prevent further harm to the victim.

*I have read the information above and understand my responsibility to immediately report any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.*
