CERTIFICATION OF ASSURANCE OF COMPLIANCE
Victims of Crime Act (VOCA) Fund

I, Vern R. Pierson hereby certify that
(official authorized to sign grant award; same person as Section 12 on Grant Award Face Sheet)

RECIPIENT: County of El Dorado

IMPLEMENTING AGENCY: District Attorney's Office

PROJECT TITLE: El Dorado County Victim Witness Program

is responsible for reviewing the *Grant Recipient Handbook* and adhering to all of the Grant Award Agreement requirements (state and/or federal) as directed by CalEMA including, but not limited to, the following areas:

I. Equal Employment Opportunity – (Recipient Handbook Section 2151)

It is the public policy of the State of California to promote equal employment opportunity by prohibiting discrimination or harassment in employment because of race, religious creed, color, national origin, ancestry, disability (mental and physical) including HIV and AIDS, medical condition (cancer and genetic characteristics), marital status, sex, sexual orientation, denial of family medical care leave, denial of pregnancy disability leave, or age (over 40). CalEMA-funded projects certify that they will comply with all state and federal requirements regarding equal employment opportunity, nondiscrimination and civil rights.

Please provide the following information:

Equal Employment Opportunity Officer: M. Allyn Bulzomi
Title: Director of Human Resources
Address: 330 Fair Lane, Placerville CA 95667
Phone: (530) 621-5565
Email: allyn.bulzomi@edcgov.us

II. Drug-Free Workplace Act of 1990 – (Recipient Handbook, Section 2152)

The State of California requires that every person or organization awarded a grant or contract shall certify it will provide a drug-free workplace.

III. California Environmental Quality Act (CEQA) – (Recipient Handbook, Section 2153)

The California Environmental Quality Act (CEQA) (*Public Resources Code, Section 21000 et seq.*) requires all CalEMA funded projects to certify compliance with CEQA. Projects receiving funding must coordinate with their city or county planning agency to ensure that the project is compliance with CEQA requirements.

IV. Lobbying – (Recipient Handbook Section 2154)

CalEMA grant funds, grant property, or grant funded positions shall not be used for any lobbying activities, including, but not limited to, being paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

V. Debarment and Suspension – (Recipient Handbook Section 2155)

(This applies to federally funded grants only.)

CalEMA-funded projects must certify that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department of agency.

VI. Proof of Authority from City Council/Governing Board

The above-named organization (applicant) accepts responsibility for and will comply with the requirement to obtain written authorization from the city council/governing board in support of this program. The applicant agrees to provide all matching funds required for said project (including any amendment thereof) under the Program and the funding terms and conditions of CalEMA, and that any cash match will be appropriated as required. It is agreed that any liability arising out of the performance of this Grant Award Agreement, including civil court actions for damages, shall be the responsibility of the grant recipient and the authorizing agency. The State of California and CalEMA disclaim responsibility of any such liability. Furthermore, it is also agreed that grant funds received from CalEMA shall not be used to supplant expenditures controlled by the city council/governing board.

The applicant is required to obtain written authorization from the city council/governing board that the official executing this agreement is, in fact, authorized to do so. The applicant is also required to maintain said written authorization on file and readily available upon demand.

VII. Special Condition for Grant Awards with Victims of Crime Act (VOCA) Fund

The grant recipient agrees to administer the grant in accordance with the VOCA, the VOCA Program Guidelines, and the Office of Justice Programs Financial Guide.

All appropriate documentation must be maintained on file by the project and available for CalEMA or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Recipient may be ineligible for award of any future grants if the CalEMA determines that any of the following has occurred: (1) the Recipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Award Agreement [Section 12 on Grant Award Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant recipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

Project Narrative

Problem Statement:

The El Dorado County Victim Witness Program has been in operation since 1980. The program started with two half time positions (1.0 FTE), and after 30 years the program only has a staff size of 2.35 (FTE) positions. Due to stagnant funding, staff size continues to decline.

Throughout the years, program staff has become proficient at maximizing and prioritizing the services to crime victims. However, the program has become a familiar resource to the community, and the demands have substantially increased. As the availability of local resources decline due to budget cuts, the Victim Witness Program has seen an upswing in referrals from other agencies for emergency assistance. Additionally, the last couple of years El Dorado County has had several murder trials, which has required a great deal of advocate time.

In 2008, El Dorado County's population was estimated at 179,700, and is expected to increase to 218,811 by 2015. This growth combined with an increase in specific crimes, will make it difficult for staff to handle the influx of victims. Currently, staff provides services to approximately 40% of the victims in our community. Priority is given to violent offenses, and property crime victims are assisted when referred to our office or by follow-up on restitution issues. Local schools in both the Tahoe area and the Placerville area have increased their referrals to our program, and report a significant increase in juvenile violent offenses. Additionally, staff has seen an increase in Hispanic victims seeking assistance. Currently, the program does not have a Spanish version of our Victim Witness Brochure. In addition to the above issues, the Deputy District Attorney's have increased their request for services to victims, such as court support. Unfortunately, this type of service is very time demanding, and decreases staff time for services to other victims. Victims need a tremendous amount of support to get through the criminal

Applicant: County of El Dorado

Grant Number: VW10290090

justice process, encouragement to not give up on the system, and financial support for counseling, income loss, relocation, medical reimbursement, protection order assistance, etc... All of these needs can stretch the resources of the program.

Volunteers, although required, have been almost impossible to recruit and retain. In most cases, applicants want to intern for a semester. Given the background check, and the required training, there is usually very little time left in a semester for actual volunteer hours. Additionally, as staff time is already stretched to capacity, the additional time of training and supervision is difficult to provide. Volunteers continue to be an issue with this program.

Plan and Implementation:

The El Dorado County Victim Witness Program has two locations. The primary office is located at 515 Main Street, Placerville 95667. The phone number is (530) 642-4760. The Lake Tahoe Office is located at 1360 Johnson Blvd. Suite 105, South Lake Tahoe 96150. The phone number is (530) 573-3100. Due to the mountain driving, inclement weather, and the distance between the two cities, all government services have an office in both locations to better serve the public. The Program Coordinator and contact person for the program is Susan Meyer. The confidential phone number is (530) 416-1233. Currently the program has a (.8 FTE) advocate in the Placerville Office and a (.6 FTE) advocate in the Lake Tahoe Office. The two advocates also have hours allocated from the Elder Abuse Grant, bringing each of their schedules to forty hours a week.

As the program is located in the District Attorney's Office, the access to crime reports, criminal files, and case information allows staff to inform victims of their case status in a timely manner, and increases the communication between the victim and the District Attorney. Advocates are

Applicant: County of El Dorado

Grant Number: VW10290090

available to the Deputy District Attorneys for in-house training, victim interviews, and court assistance. There is currently one Deputy District Attorney assigned to domestic violence cases, and one Deputy District Attorney assigned to sexual assault cases. All other violent offenses are spread out among the various deputies. Currently the District Attorney's Office utilizes the Damion computer program. The Victim Witness Program has a module within the computer program that allows staff to track their own cases, criminal cases, and document contacts and services. The Damion program also allows the coordinator to retrieve data for statistical reporting.

All staff has been trained and received certification from the California Victim Services Training Institute. Additionally, staff is encouraged to seek out local training opportunities that will enhance the services provided by our office.

Although the Victim Witness Program is short staffed, every effort is made to ensure that no victim will be turned away. The program has the ability through the use of the District Attorney's computer program, to print out all incoming law enforcement reports. This allows staff to expedite contacts and provide outreach to victims. Staff is currently handling violent offenses first, and property crimes secondary, as time allows. However, if a property crime victim contacts our office, services are provided. Upon receipt of a referral, the advocate will contact the victim via phone or in person, and offer services. The services offered would include all of the mandatory services, and optional services, as determined necessary for the well being of the victim. Referrals from the Deputy District Attorneys for court support are given priority as an immediate need to the victim.

In addition to the Victim Witness Grant, the program has a Joint Powers Agreement with the California Victim Compensation Program. Advocates refer all questions regarding claims to the

Applicant: County of El Dorado

Grant Number: VW10290090

Claims Specialists. Additionally, the Victim Witness Program currently has a full time Elder Abuse Advocate, and two split funded advocates, who provide services to elder abuse victims. Funding is through the Elder Abuse Advocacy and Outreach Grant.

Referrals are made from other agencies, such as; Probation, Child Protective Services, Adult Protective Services, Women's Center, Courts, and Hospitals. An outside agency referral is handled the same way as an in-house referral. The advocate will review the report, evaluate the victim's needs, and make contact with the victim. If a referral is not related to the type of services that Victim Witness provides, the advocate will follow-up with the agency or caller and provide a referral to the appropriate agency. Referrals will be made to the Women's Center for assistance with civil restraining orders, shelter, or other civil legal issues that a victim may require, and have an operational agreement with the Women's Center to coordinate services to victims of domestic violence and sexual assault victims, including children.

The Victim Witness Program will conduct field visits as required by the victim. A vehicle is always available for the advocate's use. The program has a TTY phone system set up in each of the offices for the hearing impaired, and a list of local sign interpreters is maintained in the office. Staff must rely on volunteers and other agencies for translation services for non-English speaking clients. The special needs of a victim are typically evaluated prior to the initial contact. If a law enforcement report indicates the victim is disabled, non-English speaking, hearing impaired or elderly, staff will take appropriate measures to ensure that there is no interruption of services, or communication issues with the victim. A wheelchair is provided to clients who have difficulty walking to Court, and interviews. In most cases, if it is determined that a victim has a special need; staff will conduct a field visit, rather than asking the victim to come into the office. As previously noted, Every effort is made to ensure that the victim with special needs receives the same quality of service as all victims.

Applicant: County of El Dorado

Grant Number: VW10290090

Brochures, business cards, and posters are provided to local agencies, local hospitals, and law enforcement. Presentations and training is provided to various agencies, public and private. Law enforcement is asked to carry the Victim Witness brochures in their patrol cars, and provide the brochures to victims of crime at the time of the report.

A three-year Operational Agreement is in place the grants years of 2010 through 2013. The agreement details the expectations of each agency, including training needs, networking, and regular meetings. Both the El Dorado Women's Center and the South Lake Tahoe Women's Center provide services to domestic violence victims, sexual assault victims, and both sexual assault and physical abuse of children. The advocates provide training to the Women's Center staff and their volunteers.

A current organizational chart and a listing of the multiple field offices are included in the grant appendix.

The program will continue to recruit volunteers. As previously stated in the problem statement, there have been some issues with the recruitment and retention of volunteers in our program. The average background check takes about a month to process, and includes a fairly extensive and invasive questionnaire, which tends to discourage many applicants. Secondly, there is no funding available to send volunteers to the (40) hour entry-level training. This limits the exposure of the volunteers to certain types of victims, and certain types of services. Currently in-house training is provided to volunteers by the coordinator, and seasoned advocates. Supervision and volunteer job assignment is the responsibility of the coordinator. Volunteers will be used to provide out-reach services to new victims, and other services as training and supervision allows. In an effort to increase the recruitment of volunteers, the District Attorney's

Applicant: County of El Dorado Grant Number: VW10290090

Office and the Victim Witness Program will be working with California State University Sacramento, and Folsom Community College to recruit interns All volunteers maintain a time sheet for documentation purposes.

Budget Narrative

The 2010/2011 budget includes salaries and benefits for the coordinator, and two advocates. The total budget for salaries and benefits is \$173,155. Operating costs are restricted to \$2,710, and there is no equipment purchases budgeted this year.

The coordinator is budgeted at (.95 FTE) from the Victim Witness Grant. The remaining time is paid by the California Victim Compensation Program (.04 FTE) and the Elder Abuse Grant (.01 FTE). The coordinator's time is spent providing direct services to victims, supervising staff, preparing reports and grants, attending required meetings, and monitoring grant compliance issues. The coordinator's time is spent between the Placerville and Lake Tahoe office. All of the required training/certification and qualifications necessary to perform this job have been met.

There are two advocates assigned to the Victim Witness Grant. The Placerville advocate is full time (1. FTE), and the Lake Tahoe advocate is funded at (.6 FTE). Previously, the two advocates were split funded, utilizing the Elder Abuse Advocacy and Outreach Grant. As the Elder Abuse Grant will be released as an RFP this year, funding is questionable. Therefore, the hours for the advocates have been adjusted to reflect this change. Both advocates provide direct services to victims of all types of crime. All required training/certification and qualifications have been met by both advocates.

Job descriptions are on file with this office, and employee certifications available upon request. Time sheets are maintained on all employees. All split funded positions are required to maintain a separate functional time sheet.

Operating costs covered by the grant are for equipment support, training for both the coordinator and the financial officer, and the membership fee to the California Crime Victims Assistance Association. There are no subcontracts, or unusual expenses, and no mid-year salary range adjustments expected for this year. The District is paying all other operating costs.

7. PROGRAM DESCRIPTION

The California Department of Finance estimates the population at 179,700 as of 2007, with an annual growth rate at approximately 1.5% to 2%. The main Victim Witness office is located in Placerville at 515 Main Street Placerville, CA 95667. The branch office is located at 1360 Johnson Blvd. #105, South Lake Tahoe, CA 95667. Approximately 75% of the population resides in the rural areas of the county. The South Lake Tahoe area has a population of approximately 25,000. Given the distance between the two cities, and the inclement weather, government agencies are duplicated in each city.

8. PROBLEM STATEMENT

As funding sources have either remained stagnant or declined over the years, the advocate's hours have decreased. This has forced staff to prioritize victim services. Violent crimes are given immediate attention, while property crimes are handled on a referral basis. With the passage of Marcy's Law, the program has had to accommodate the new guidelines, including the immediate contact for in-custody arraignments everyday. Restitution demands have increased, as well as court advocacy. Without any additional funding sources, maintaining service levels will be difficult. Volunteers are difficult to retain for any length of time, as the majority of people who wish to volunteer are doing so for intern hours, which is typically a semester. So by the time the background check is complete, and training completed, there is only a couple of months left of actual volunteer time.

9. OBJECTIVES

The grant objectives for the Victim Witness program is 1100 new victims and 50 witnesses. All mandatory services will be provided to victims of all types of crime. As required, the program will continue to recruit and maintain volunteers, and will be used to provide outreach services to new victims, and handle incoming calls.

10. ACTIVITIES

Each day a log is generated which shows all new law enforcement reports referred to the District Attorney's office for filing. Advocates use this log to provide outreach to new victims. The victims are contacted via phone and/or mail. At that time, each case is evaluated to insure that the appropriate services are provided to the victims. Brochures explaining services offered by our program are provided to all victims. Victims of violent offenses are provided with the Victim Compensation Application. Restitution claim forms are sent out to all victims at the time of the criminal filing. The advocates or volunteers follow up with victims who have not returned their forms. This has increased the number of restitution orders at the time of sentencing, versus restitution to be determined. The office utilizes the Damion computer system, which allows staff to monitor criminal cases, create new victim cases, maintain statistical data and generate reports.

11. EVALUATION (if applicable)

CalEMA provides monitoring and site visits to insure compliance. The program coordinator oversees the daily operation of the program, prepares all statistical reports, plans and implements all necessary changes for grant operations. The program coordinator reports to the District Attorney.
