Dear Chair Parlin and Supervisors Hidahl, Turnboo, Thomas, and Novasel,

CC Don Ashton CAO

This item #26 on the Aug 23 BOS agenda has just come to my attention. Although it is closed session, please let me express my concern that this could delay Perks Court.

It seems to me that the Peirroz Rd building could indeed be a good LONG TERM navigation center, and provide potential sheltering later as well, perhaps to a slightly different clientele than Perks Ct—but that is unknown.

The County needs to move ahead on a response to homeless needs NOW, even though Perks Ct is not long term. It is a necessary start on Perks Court. **Timing is of the issue, and delayed timing has a fiscal cost too.**

Let's move ahead on the shorter term, get it going, and then turn attention to the longer term. We cannot do everything at once.

Sincerely,

Peg Vanderkar
