## (2) EXECUTIVE SUMMARY

Provide a brief description of the purpose and benefits of the grant proposal.

El Dorado County Environmental Management Department (EMD) respectfully requests CUPA Forum Grant Funds to purchase equipment and obtain training to enhance the current inspection and enforcement program. The requested equipment includes digital GPS cameras, portable printers, a document scanner, a computer docking station, software and GIS training. site remediation more effectively. The enhanced mapping capabilities will improve EMD's ability to determine parcel ownership, responsible parties and potential impacts. The requested scanner will be used to organize and archive historical UP, incident response, contaminated site documents and records currently kept as paper files.

### **(3) GRANT AMOUNT**

Grant Amount Requested: \$ 8493.56

### **(4) WORK PLAN: (SCOPE OF WORK)**

The grant applicant shall develop a work plan as part of this grant application that describes the objective of the project, sustainability, anticipated goals, benefits to the UP and performance measures or measures of success in 1500 words or less. The scope of work could be as simple as describing equipment, purchase date, proposed use and benefit or as complex as a description of implementation activities, tasks and equipment to be purchased (or both). The work plan shall include a detailed timeline that delineates critical and completion dates of the activities and tasks. The work plan shall include a brief narrative summary for each activity and task that clearly describes the activity or task and depicts the steps that will be taken or the methods to be used for completion. The description(s) should include as much detail as necessary to depict the overall implementation efforts through the period of the grant. If applicable, the description should also include the degree of applicability to all elements of the UPs, e.g. hazardous waste, underground storage tanks, etc. and the degree that the proposal could be used by other agencies or replicated.
