DVBE CERTIFICATION

The bidder should include a copy of the DVBE certification letter from the Office of Small and Minority Business (OSMB) for each firm listed on **ATTACHMENT 1A**.

GOOD FAITH EFFORT

In addition to the above, for those bidders/vendors opting to document "good faith effort", the bidder must document contacts with other State and Federal governmental agencies, and other organizations that helped identify or provide a list of interested DVBEs for this procurement. A list of dates, times (if known), organizations contacted and contact names and phone numbers is information needed to corroborate the information.

Bidders/vendors who propose goal attainment are permitted to submit documentation for making a "good faith effort" to insure against the possibility that the **AGENCY** will not agree that goal attainment has, in fact, been met.

The bidder/vendor's efforts to meet the contract goal and/or make a "good faith effort" to meet the goal must be sincere and the documentation must be sufficient to reasonably demonstrate that sincerity to the **AGENCY**. FINAL DETERMINATION OF GOAL ATTAINMENT OR "GOOD FAITH EFFORT" BY THE BIDDER/VENDOR SHALL BE AT THE **AGENCY'S** SOLE DISCRETION.

III. USE OF PROPOSED DVBE

If awarded the contract(s), the successful bidder/vendor must use the DVBE subcontractor and/or supplier proposed in the Final Bid/Proposal unless the Contractor requested substitution via prior written notice to the **AGENCY**, and the **AGENCY** has approved such substitution. At a minimum, the request must include:

- a) A written explanation of the reason for the substitution; and
- b) The identity of the person or firm substituted.

THE REQUEST AND THE **AGENCY'S** APPROVAL OR DISAPPROVAL IS **NOT** TO BE CONSTRUED AS AN EXCUSE FOR NON-COMPLIANCE WITH ANY OTHER PROVISION OF LAW, INCLUDING BUT NOT LIMITED TO, THE SUBLETTING AND SUBCONTRACTING FAIR PRACTICES ACT OR ANY OTHER CONTRACT REQUIREMENTS RELATING TO SUBSTITUTION OF SUBCONTRACTORS.

FAILURE TO ADHERE TO AT LEAST THE DVBE PARTICIPATION PROPOSED BY THE SUCCESSFUL BIDDER/VENDOR MAY BE CAUSE FOR CONTRACT TERMINATION AND RECOVERY OF DAMAGES UNDER THE RIGHTS AND REMEDIES DUE THE **AGENCY** UNDER THE DEF AULT SECTION OF THE CONTRACT(S).

IV. DVBE PARTICIPATION REQUIREMENT

For the purpose of this DVBE participation requirement, the following definitions apply:

- a) Disabled Veteran means a veteran of the military, naval or air services of the United States with at least a 10 percent service-connected disability who is a resident of the State of California.
- b) DVBE means a business concern certified by the Office of Small and Minority Business as meeting all of the following:
 - 1- A sole proprietorship owned by a disabled veteran; or a firm or partnership, 100 percent of the stock or partnership interests of which are owned by one or more disabled veterans;
 - 2- Managed by, and the daily business operations are controlled by, one or more disabled veterans; and
 - 3- A sole proprietorship, corporation or partnership with its home office located in the United States, which is not a branch or subsidiary of a foreign corporation, firm or other business.
- c) If the **AGENCY** reserves the right to make multiple awards or a single contract award as a result of this solicitation, the bidder/vendor is deemed responsive to this requirement if there would be compliance based on award of a single contract, notwithstanding that the bidder/vendor may be unable to achieve compliance to meet the established goal if the **AGENCY** exercises its right to make multiple awards.

(The remainder of this page intentionally left blank.)

V. CONTRACT AUDITS

Contractor agrees that the **AGENCY** or its delegate will have the right to review, obtain and copy all records pertaining to performance of the contract. Contractor agrees to provide the **AGENCY** or its delegate with any relevant information requested and shall permit the **AGENCY** or its delegate access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts and other material that may be relevant to a matter under investigation for the purpose of determining compliance with this requirement. Contractor further agrees to maintain such records for a period of three (3) years after final payment under the contract.

VI. BIDDERS MUST RETURN THEIR BID FORMS WITH THE FOLLOWING FORM PROVIDED BY THE AGENCY

- a) **Summary of Disabled Veteran Business Participation. ATTACHMENT 1A** – List to include all subcontractors, materials and equipment suppliers contacted, nature of work or material to be provided.
- b) **OSMB DVBE Certification.**-- To be attached to bid if bidder/vendor claims DVBE certification for himself or any subcontractors or suppliers.
- c) **Documentation of Good Faith Efforts.** List all agencies, organizations, advertisements and solicitations made by bidder/vendor for participation in this contract by Disabled Veteran Business Enterprises. If the bidder has elected to use the "good faith effort" alternative, then all five items listed on Attachment 4 should be addressed. (Bidders/Vendors who have proposed **goal attainment** are permitted to submit "good faith effort documentation" to insure against the possibility that the awarding agency will not agree that goal attainment has been met.)
