14. Do you support the following projects being ADDED to this El Dorado County MHSA Update?

15. Do you support the following projects being ADJUSTED within this El Dorado County MHSA Update?

16. MHSA requires 5% of revenue be spent on Innovation Projects which aims to explore and develop new mental health models that improve the quality of services, promote collaboration, and increase access to services. Projects are required to go through a thorough review process with the Mental Health Services Oversight and Accountability Commission (MHSOAC). The following are several ideas that we are exploring.

Do you support moving forward with the MHSOAC review and approval process on the following Project ideas?
