AGREEMENT FOR SERVICES #097-S0811

THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Pacific Graduate School of Psychology, a California Corporation, duly qualified to conduct business in the State of California, whose principal place of business is 935 E. Meadow Drive, Palo Alto, CA 94303, (hereinafter referred to as "Contractor");

WITNESSETH

WHEREAS, County has determined that it is necessary to obtain a Contractor to collaborate with the Mental Health Department in the design and implementation of an evaluation and outcomes assessment center necessary to determine clients' needs and treatment outcomes for the Mental Health Department; and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to provide the personnel and services necessary to work collaboratively with the Mental Health Department in designing and implementing an evaluation and outcomes assessment center necessary to determining clients' needs and treatment outcomes for the Mental Health Department. Contractor shall provide technical assistance and consultation in conjunction with the development of information systems and technology necessary to operate the evaluation center. This evaluation center will measure clients' strengths, risks and treatment progress in various Mental Health Department programs. The specific tasks and services to be performed are set forth in Exhibit A marked "Program Description" and incorporated herein and made by reference a part hereof.

ARTICLE II

Term: This Agreement shall become effective upon final execution by both parties hereto and shall expire one year from the date thereof.

ARTICLE III

Compensation for Services: For services provided herein, County agrees to pay Contractor monthly in arrears and within thirty (30) days following the County's receipt and approval of itemized invoice(s) identifying services rendered. For the purposes of this Agreement, the billing rate shall be in accordance with Exhibit "B", marked "Budget", incorporated herein and made part by reference hereof. The total amount of this Agreement shall not exceed \$143,784.00.

ARTICLE IV

HIPAA Compliance: As a condition of Contractor performing services for the County of El Dorado, Contractor shall execute that Business Associate Agreement which is attached hereto as Exhibit "C", which is incorporated herein for all intents and purposes. Any material breach of the HIPAA Business Associate Agreement by Contractor shall be grounds for termination of this Agreement.

ARTILCE V

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE VII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE VIII

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE IX

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE X

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

ARTICLE XI

Notice to Parties: All notices to be given by the parties hereto shall be in writing and served by depositing same in the United States Post Office, postage prepaid and return receipt requested.

ARTICLE XII

Indemnity: The Contractor shall defend, indemnify, and hold the County harmless against and from any and all claims, suits, losses, damages and liability for damages of every name, kind and description, including attorneys fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the Contractor's services, operations, or performance hereunder, regardless of the existence or degree of fault or negligence on the part of the County, the Contractor, subcontractor(s) and employee(s) of any of these, except for the sole, or active negligence of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XIII

Insurance: Contractor shall provide proof of a policy of insurance satisfactory to the El Dorado County Risk Manager and documentation evidencing that Contractor maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California.
- B. Commercial General Liability Insurance of not less than \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage.
- C. Automobile Liability Insurance of not less than \$1,000,000.00 is required in the event motor vehicles are used by the Contractor in the performance of the Agreement.

- E. Contractor shall furnish a certificate of insurance satisfactory to the El Dorado County Risk Manager as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to Risk Management, or be provided through partial or total self-insurance likewise acceptable to Risk Management.
- G. Contractor agrees that the insurance required above shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
1. The insurer will not cancel the insured's coverage without thirty (30) days prior written notice to County, and;
 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees, and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.

- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for the protection of the County.

ARTICLE XIV

Interest of Public Official: No official or employee of County who exercises any functions or responsibilities in review or approval of services to be provided by Contractor under this Agreement shall participate in or attempt to influence any decision relating to this Agreement which affects personal interest or interest of any corporation, partnership, or association in which he/she is directly or indirectly interested; nor shall any such official or employee of County have any interest, direct or indirect, in this Agreement or the proceeds thereof.

ARTICLE XV

Program Description

Objectives of the Contract

The major objective of the work to be accomplished via execution of this contract is to establish and validate an El Dorado County Mental Health Department (EDCMHD) Evaluation Center (EC) which will assess and monitor mentally ill clients to determine:

1. their strengths and psychopathology
2. the optimal combination of interventions necessary to reduce relapse and recidivism and to enhance quality of life
3. the efficacy of these clinical interventions

Initially, the EC will play a central role in the training, service and research aspects of the Department's Mental Health Services Act (MHSA) and Mentally Ill Offenders Crime Reduction (MIOCR) grant programs. It will aim to assess and then assign clients to optimal treatment combinations, based on the results of evaluating relevant psychological variables and monitoring ongoing progress and change. Ultimately, the EC will develop a methodology with which to measure the treatment outcomes of all EDCMHD clients, in order to gather practice-based evidence and enhance knowledge of the interventions' efficacy.

Measures

Each MHSA mentally ill homeless client and each MIOCR mental health court client will participate in a semi-structured clinical interview and complete four baseline and continuing assessments. The measures used for these assessments identify clients' needs, strengths and deficits in order to develop optimal treatment plans and evaluate intervention outcomes. The measures include:

(1) The *Inventory of Offender Risk, Need and Strength (IORNS)* - a self-report instrument that assesses recidivism risk factors among incarcerated individuals. Because the MIOCR grant emphasizes reduced recidivism as a critical outcome variable, we selected the IORNS both to increase our knowledge of recidivism risk factors and to correlate it with the other clinical, treatment selection and personality measures described below to predict clinical outcomes.

(2) The *Clinically Informed Outcomes Management (CIOM)* instrument- a client self-report of symptom severity, perceived functional improvement, quality of therapeutic alliance, treatment expectations, openness to change, optimism and social support. These treatment-related data are fed back to the treatment providers in order to inform them of emerging outcomes and to stimulate discussion of alternative strategies if warranted. The CIOM is designed to be given at sequential points in the treatment program to measure client outcomes.

(3) *Systematic Treatment Selection (STS)* - a client self-report instrument designed to determine optimal treatments for specific client characteristics. It collects information on clients' symptoms and their chronicity, social support, distress level, coping style, substance use, readiness to change and psychiatric disorder. Clients are referred to an array of integrated community treatment services based on STS recommendations.

(4) *NEO Personality Inventory Revised (NEO-PI-R)* - a self-report instrument designed to measure five major areas of normal adult personality: neuroticism, extroversion, openness to experience, agreeableness and conscientiousness.

Data Analysis

Each of the assessment instruments will be subjected to site specific analysis to verify their usefulness and validity as either a means of 1) identifying those who can benefit from the programs (IORNS, NEO-PI), 2) assigning clients/offenders to an optimal treatment mix, (NEO-

PI, STS) or 3) evaluating progress and change in clinical status (CIOM, STS). Redundancy among measures is built in to ensure a means for assessing a broad range of variables and for identifying the best mix of variables for the prediction of each treatment program. In addition, information about clients' homelessness and legal status will be tracked to analyze the predictive validity of these measures for subsequent legal involvement, recidivism and adaptability.

Periodically, but at least at the 6 month and 12 month periods, these data will be subject to statistical analysis using hierarchal model building procedures to validate the effectiveness of the decisions made and to develop refined algorithms to predict outcomes in the specific settings to which they are applied in this program.

- (2) In the event that the Contractor determines that returning or destroying the PHI is infeasible, Contractor shall provide to the County notification of the conditions that make return or destruction infeasible. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such

interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
