POST WARRANTY
HARDWARE MAINTENANCE SERVICES, SOFTWARE LICENSE, AND SUPPORT AGREEMENT**

THIS HARDWARE MAINTENANCE SERVICES, SOFTWARE LICENSE, AND SUPPORT AGREEMENT ("Agreement") is made effective as of the date set forth below, by and between Election Systems & Software, LLC, a Delaware limited liability company ("ES&S") and **EI Dorado County, California** ("Customer").

RECITALS:

- A. ES&S has sold to Customer the proprietary voter tabulation equipment and licensed the software described on Attachment 1 and Customer now desires to obtain maintenance services for such equipment and license and support services for such software.
- B. ES&S has agreed to provide such services, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals (which are specifically incorporated herein by this reference) and the mutual representations, warranties, covenants and agreements set forth below, the parties hereby agree as follows:

ARTICLE I
GENERAL

1. **Term; Termination.** This Agreement for Hardware Maintenance and Support and Software Maintenance and Support services shall be in effect for the period of December 1, 2011 through November 30, 2012 (the "Initial Maintenance Term"). Upon expiration of the Initial Maintenance Term, this Agreement shall automatically renew for successive one year periods through November 30, 2014 (each a "Renewal Period") unless either provides written notice to the other party of its election not to renew this Agreement, which shall be delivered to the other party at least thirty (30) days prior to the end of the Initial Maintenance Term or any Renewal Period, as applicable. Notwithstanding the foregoing, this Agreement may be terminated by the first to occur; (a) the date which is thirty (30) days after either party notifies the other that it has materially breached this Agreement, if the breaching party fails to cure such breach (except for a breach pursuant to subsection (b), which will require no notice), or (b) the date which is thirty (30) days after Customer fails to pay any amount due to ES&S under this Agreement. The termination of this Agreement shall not relieve Customer of its liability to pay any amounts due to ES&S hereunder and shall not entitle Customer to a refund of any fees already paid to ES&S.

2. **Fees.** In consideration for ES&S' agreement to provide Hardware Maintenance and Support and Software License and Support services under this Agreement, Customer shall pay to ES&S the Hardware Maintenance Fees and Software License and Support Fees set forth on Attachment 1 for the Initial Maintenance Term. The Hardware Maintenance and Software License and Software Fees for any renewal period shall be the then current fees in effect and are due and payable no later than 30 days prior to the beginning of such renewal period. The Software License and Support Fee shall be comprised of (i) a fee for the License and Support of the ES&S Firmware, and (ii) a fee for the License and Support for all other ES&S Software, and shall be in addition to any fees or charges separately referred to in any Section of this Agreement. If Customer elects to receive Software and Support for an Add-On License or New Product during the Initial Term or any renewal thereof, ES&S will charge an incremental fee for such license and services. In the event Customer terminates this Agreement through no fault of ES&S and later desires to subscribe for a license and support plan, or otherwise changes its license and support plan with ES&S during the Initial Term or any renewal thereof, ES&S will charge the Customer its then current contract administration fee in order to process such new subscription for, or change in, license and support coverage.

ARTICLE II
HARDWARE

1. **Maintenance Services.** The Hardware Maintenance Services to be provided to Customer under this Agreement for the ES&S equipment listed on Attachment 1 is set forth on Attachment 1 (the "Products") and shall be subject to the following terms and conditions:

a. **Routine Maintenance Services.** A ES&S Representative shall provide such services as may be necessary to keep the Products in Normal Working Condition ("Routine Maintenance Services") once each twelve (12) months during the Initial Hardware Maintenance Term or any renewal thereof. Generally, Routine Maintenance Services shall include cleaning, lubrication and calibration services. The Routine Maintenance Services shall not include the repair or replacement of any ES&S Equipment components that are consumed in the normal course of operating the Equipment, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, cancellation stamps, ink pads, ink cartridges or marking devices. Customer may request that Routine Maintenance Services be performed more than once during the Initial Hardware Maintenance Term or any Renewal Period. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Attachment 1 and shall be due within thirty (30) days after invoice date. ES&S shall provide a reasonably detailed record of all Routine Maintenance Services performed with respect to the Products. ES&S will schedule the Routine Maintenance Services with Customer. The Routine Maintenance Services will be provided at Customer's Designated Location. In the event Routine Maintenance Services are unable to be made at the Customer's Designated location, upon written agreement by both parties, ES&S may perform the repair at an ES&S-designated depot facility ("Depot"). ES&S shall pay all costs associated with shipping Hardware to and from a Depot, including insurance.

b. **Remedial Maintenance Services.**

i. **Defects Under Normal Use and Service.** If a defect or malfunction occurs in any Product while it is under normal use and service, Customer shall promptly notify ES&S, and ES&S shall use reasonable efforts to restore the item to Normal Working Condition as soon as practicable. The services provided by ES&S pursuant to this Subsection 1(b)(i) are referred to herein as "Remedial Maintenance Services". ES&S shall provide the Remedial Maintenance Services at its Depot; provided, however, that if Remedial Maintenance Services are required for 10 or more Products at any given time, Customer may elect to have such services provided at its Designated Location; provided, further, that all Remedial Maintenance Services provided for central count equipment shall be provided at Customer's Designated Location. Customer acknowledges that the Product(s) identified on Attachment 1 as "depot repair only" may only be repaired at a Depot. Customer shall pay all costs associated with shipping Hardware to and from a Depot, including insurance.

ii. **Defects Due to Customer Actions or Omissions.** If a defect or malfunction occurs in any Product as a result of (1) repairs, changes, modifications or alterations not authorized or approved by ES&S, (2) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S or (3) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations, and utility or communication interruptions, rodent infestation, or if Customer does not notify ES&S within 24 hours after it knows of the defect or malfunction or is otherwise not in compliance with its obligations hereunder, Customer shall pay ES&S for the Remedial Maintenance Services at ES&S' then-current rates as set

forth on Attachment 2, as well as for the cost of all parts used in connection with such Remedial Maintenance Services.

iii. **Timing.** The date(s) on which any Remedial Maintenance Services shall be provided shall be mutually agreed upon by ES&S and Customer. If Customer requires ES&S to provide “emergency” Remedial Maintenance Services (which shall be defined as Remedial Maintenance Services that are provided within 48 hours after Customer notifies ES&S of the need therefore), and such emergency Remedial Maintenance Services are not needed as a result of an action, error or omission by ES&S, Customer shall pay a surcharge, as set forth on Attachment 1.

iv. **Loaner Unit.** At Customer’s request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Remedial Maintenance Services are being performed (a “Loaner Unit”). If the Remedial Maintenance Services are being performed pursuant to Subsection 1(c)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S’ then-current rates as set forth on Attachment 2 including the cost of shipping.

c. **Exclusions.** ES&S has no obligation under this Agreement to (i) assume the obligations under any existing or expired warranty for a Third Party Item; (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, ink pads, ink cartridges or marking devices, or (iii) repair any Product from which the serial number has been removed or altered. In addition, ES&S may, at any time in its discretion, determine that any Product is no longer fit for Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days in the respective twelve (12) month period within the Initial Maintenance Term or Renewal Period for which such fee was paid and the denominator of which is the total number of days in the respective twelve (12) month period with such Initial Maintenance Term or Renewal Period. Customer may, in its discretion, remove any units from service under this Agreement.

d. **Sole Provider; Access.** Customer shall not permit any individual other than a ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Maintenance Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets.

e. **Storage.** When not in use, Products should be stored in a clean, secure environment. During operation of the Products, the facility temperature range should be 50° to 104° and the moisture range should be 10% to 50% relative humidity.

f. **Reinstatement of Hardware Maintenance Services; Inspection.** If the Initial Maintenance Term or any renewal thereof expires without being renewed, Customer may thereafter resume receiving Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are fit for the ordinary purpose for which they are to be used, normal wear and tear excepted (“Normal Working Condition”). The cost of such

inspection will be at the current published ES&S Technician labor rate and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any parts used in such repairs or replacements and with respect to ES&S' Out-Of-Pocket Expenses, or (ii) shall not provide any Hardware Maintenance Services with respect to such Product(s). For purposes of this Agreement, "Out-Of-Pocket Expenses" shall mean all travel, meal and lodging expenses incurred by ES&S employees or authorized representatives ("ES&S Representatives") who are required to travel to Customer's Designated Location to provide services. Customer's "Designated Location" shall mean Customer's owned or leased facility at which Customer desires ES&S to perform the Hardware Maintenance Services. Customer's Designated Location is specified on Attachment 1.

ARTICLE III **LICENSE OF SOFTWARE**

1. **Grant of License.** Subject to the terms and conditions of this Agreement, ES&S hereby grants to Customer a nonexclusive, nontransferable license to use the Software and all related operating instructions, user manuals and training materials supplied by ES&S (collectively the "Documentation") in **El Dorado County, California**, ("Jurisdiction"). The license allows Customer to use and copy the Software (in object code only) and the Documentation, solely for the purposes of defining an election and tabulating and reporting election results in the Jurisdiction. The license does not permit Customer to take any of the following actions:

a. Reverse engineer, decompile, disassemble, re-engineer or otherwise create, attempt to create, or permit, allow or assist others to create, the source code or the structural framework for part or all of the Software;

b. Cause or permit any use, display, loan, publication, transfer of possession, sublicensing or other dissemination of the Software or Documentation, in whole or in part, to or by any third party including, but not limited to, any transfer of possession to, or use of the ES&S Software or Documentation by any third party to perform any services for Customer (including, but not limited to, any coding, programming or layout services) without ES&S' prior written consent; or

c. Cause or permit any change to be made to the Software without ES&S' prior written consent.

d. Cause or permit any copying, reproduction or printing of any output generated by the Software in which ES&S owns or claims any proprietary intellectual property rights (e.g., copyright, trademark, patent pending or patent), including, but not limited to, any ballot shells or ballot code stock.

2. **Term of License.** The license granted in Section 1 shall commence upon payment of the license fee set forth on Attachment 1, and shall continue until the first to occur of the following: (a) expiration of the Initial Maintenance Term or any Renewal thereof; (b) Customer ceases to use the Software; (c) Customer fails to pay the consideration due for the license; or (d) Customer breaches any material provision of this Article 1.

3. **Proprietary Rights.** Customer acknowledges and agrees that ES&S owns or possess through valid and subsisting license agreements all right, title and interest in and to the Software and Documentation, necessary to license the Software and Documentation set forth herein to the Customer in accordance with the terms of this Agreement. ES&S likewise owns or possesses through valid and subsisting license agreements the right to use all patents, trademarks, copyrights, trade names and other proprietary or intellectual property in, or used in connection with, the Software and Documentation licensed to the Customer. The Software and Documentation also contain confidential and proprietary trade secrets which are protected by law and are of substantial value to ES&S or the owner thereof, as applicable.

Customer shall keep the Software and Documentation free and clear of all claims, liens and encumbrances and shall maintain all copyright, trademarks, patent or other intellectual or proprietary rights notices which are set forth on the Software, the Documentation, and all permitted copies thereof.

4. **Indemnification By Customer.** Customer shall indemnify and hold harmless ES&S from and against any and all Adverse Consequences arising out of or relating to any Third Party Infringement Claim resulting from (a) the use of the Software in combination with other equipment, hardware or software not meeting ES&S' specifications for use with the Software; (b) Customer's modification or alteration of the Software without the prior written consent of ES&S; or (c) Customer's election not to receive, or to terminate, the Software Support Services. ES&S shall notify Customer immediately if it becomes aware of any claim for which it may be entitled to indemnification under this Section 4, and hereby gives Customer full and complete authority, and shall provide such information and assistance as is necessary (at Customer's expense with respect to reasonable out- of-pocket costs), to enable Customer to defend, compromise or settle any such claim.

ARTICLE IV SOFTWARE SUPPORT SERVICES

1. **Services Provided.** ES&S shall provide support services ("Software Support") for the ES&S Software and ES&S Firmware (collectively, "ES&S Software"). The specific Software Support services provided by ES&S and each party's obligations with respect to such services are set forth on Attachment 1.

2. **Conditions.** ES&S shall not provide Software and Support for any item of ES&S Software if such item requires such services as a result of (a) repairs, changes, modifications or alterations not authorized or approved by ES&S, (b) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S, (c) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (d) any updates, changes, enhancements or modifications to the certified Products or certified component thereof (e) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, (f) Customer's failure to notify ES&S within 24 hours after Customer knows of the need for such services, or (g) if Customer is otherwise not in compliance with its obligations under this Agreement. Any such Software Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software Support arises. Replacement versions of Software requested by Customer as a result of items set forth in this Section 2 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates as set forth on Attachment 2.

3. **Proprietary Rights.** ES&S shall own the entire right, title and interest in and to all corrections, programs, information and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Agreement, including all proprietary rights therein or based thereon. Subject to the payment of all Software Fees, ES&S hereby grants to Customer a non-exclusive license to use that portion of such corrections, programs, information and work product that ES&S actually delivers to Customer pursuant to this Agreement. All licensed items shall be deemed to be ES&S Software for purposes of this Agreement. Except and to the extent expressly provided herein, ES&S does not grant to Customer any right, license, or other proprietary right, express or implied, in or to any corrections, programs, information, or work product covered by this Agreement.

4. **Reinstatement of Software License and Support.** If the Initial Maintenance Term or any Renewal Period thereof expires without being renewed, Customer may thereafter resume receiving Software License and Support upon (a) notification to ES&S, (b) payment of all fees, including a reinstatement charge, which would have been due to ES&S had the Initial Maintenance Term or any Renewal Period not expired, and (c) the granting to ES&S of access to the ES&S Software, so that ES&S may analyze it and perform such review as may be necessary before resuming the Software License and Support.

ARTICLE V

If Customer disputes the applicability of any tax to be paid pursuant to this Section 1, it shall pay the tax and may thereafter seek a refund. Any disputed or undisputed payment which is past due to ES&S will bear interest at the rate of one and one-half percent per month (or such lesser amount as may be permitted by applicable law) for each month or portion thereof during which it remains unpaid.

2. **Limitation of Liability.** Neither party will be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. Any action by Customer against ES&S shall be commenced within 1 year after the cause of action has accrued.
