**RE: CDBG Agreement No. 08-STBG-4982
Approval for Extension to Meet 90-Day Special Conditions**

Dear Ms. Walker-Conroy:

This letter is in response to your request for consideration of an extension for the County of El Dorado (County) to meet the special conditions requirement for the grant to fund your Homeless Facility Project.

The Department is aware of the County's challenges in securing an alternate site, the need to conduct additional public hearings, complete a new resolution, and meet environmental review requirements for this public works activity. We also acknowledge the County initially submitted a request for consideration of up to a 120-day extension; however, we are unable to consider extensions beyond 90 days.

Based on current circumstances, the Department is granting consideration of a 90-day extension. Calculating from the January 22, 2009 execution date of your original agreement this 90-day extension period will expire as of July 20, 2009.

Please note, we are hopeful the County will be able to satisfy all requirements and special conditions within this extended timeline as requests for additional extensions may not be eligible for consideration.

If you have any questions or need additional information please contact Jay C. Cook by e-mail at jcook@hcd.ca.gov or by telephone at (916) 319-8136.

Sincerely,

A handwritten signature in black ink that reads "Anda Draghici".
