 PLANNING DEPARTMENT

Peter,

Pursuant to my discussion with Mark Millard, I am requesting 221 square feet of CFA for minor expansion of an existing structure for ADA compliant bathrooms and small storage area for Roadrunner Gas and Convenient Store owned by Mike Murphy located at 2933 US HWY 50, South Lake Tahoe, Ca. 96150. Building Permit # 198624 with APN # 034-270-10.

TRPA requires this letter. Please let us know if any more information is required and we will send it promptly. We are anxious to move this project to completion.

A check for the amount of \$1275.00 will be arriving shortly in payment for the CFA. I understand this is a preliminary calculation. Please advise of any changes to this amount.

Thanks,

matt
