Subject: Agenda Item 14

Dear Supervisors -

Thank you for your support to increase affordable housing in our County. As you know it is desperately needed.

Agenda Item 14

Approval of this agenda item will allow the County to increase affordable housing units offered through the PHA Project-Based Voucher Program to extremely low, very low, and low-income populations seeking housing in El Dorado County. Further, 50 additional affordable housing units will be delivered across a broad continuum of housing types and locations within the incorporated and unincorporated areas of El Dorado County, making a wide variety of housing choices available to qualified low-income households.
