

## RESOLUTION NO.

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO

### **RESOLUTION CONFIRMING WASTE MANAGEMENT FEES FOR THE 2013/2014 TAX YEAR FOR COUNTY SERVICE AREA #10**

**WHEREAS**, the Board of Supervisors of the County of El Dorado (“County”) has formed County Service Area #10 (CSA #10) pursuant to Title 3, Division 2, Part 2, Chapter 2.2 of the California Government Code and within that County Service Area established zones of benefit; and

**WHEREAS**, the Board of Supervisors of the County, acting as the governing Board of CSA #10 previously established a schedule of fees to be imposed on land within CSA #10, pursuant to former Government Code §25210.77e, given continuing effect through Government Code §25210.3(d), and Government Code §25830 to provide funding for county services; and

**WHEREAS**, in addition to the forgoing, Public Resources Code §41901, the California Integrated Waste Management Act of 1989, as from time to time amended, provides the County with authority to impose and collect fees sufficient to cover the cost of preparing, adopting and implementing a waste management program; and

**WHEREAS**, certain programs have been previously established for Zone of Benefit C and the City of South Lake Tahoe within CSA #10 to comply with the Tahoe Clean Community Program and provisions of the California Integrated Waste Management Act of 1989; and

**WHEREAS**, the schedule of fees in the amounts shown on Exhibit B have been collected in fiscal year 2012-2013 to be used for the acquisition, operation and maintenance of county waste disposal sites, and for financing waste collection, processing, reclamation disposal services and to provide for a procedure for the collection thereof; and

**WHEREAS**, as required by Government Code §25210.77a(b) and County Ordinance Code §3.30.030, the Board of Supervisors has held a duly noticed public hearing; and

**WHEREAS**, the Board of Supervisors received and considered documentation and testimony to determine fees and to classify the land within CSA #10 based upon the various uses to which the land is put, the volume of waste occurring from the different land uses and other factors reasonably relating to the waste disposal fee to the land upon which it is imposed, and considered any and all objections and protests thereto; and

**WHEREAS**, after the foregoing public hearing the Board of Supervisors determined an appropriate fee amount and an equivalent dwelling unit (“EDU”) as an appropriate standard of comparison for confirming the existing fees assigned to each division of land;

**NOW, THEREFORE, BE IT RESOLVED** that the Board determines as follows:

1. The average amount of solid waste and/or hazardous waste generated by a single family dwelling within CSA #10 has been determined by empirical study and shall be deemed to be one (1) EDU. EDU multipliers for the various uses to which land is put within CSA #10 are set forth on Exhibit A – Solid,

Liquid & Household Hazardous Waste Generation Table of Equivalent Dwelling Units for CSA #10, Fiscal Year 2013-2014, attached hereto and incorporated herein by reference.

- 2. For the purposes of imposition of the fee (s), an improved parcel, business or real property interest shall be any such parcel, business or real property interest which has an assessed value of \$10,000 or greater, as shown on the latest property tax assessment roll;
- 3. The existing fees as shown on Exhibit B – CSA #10 Annual Report of Waste Management Fees, with no increase over current levels, are hereby confirmed for the fiscal year 2013/2014 commencing July 1, 2013.
- 4. The Board may establish by resolution a procedure of review of any waste management fee assessed to any particular improved parcel, business or property interest and may adjust the same as deemed appropriate.

BE IT FURTHER RESOLVED, that the fees as established herein shall appear as a separate item on the tax bill for each parcel and shall be levied and collected in the same manner as County ad valorem taxes are collected, as more specifically set forth and authorized by County Ordinance Code §3.30.040 and subdivision (d) of former §25210.77a of Government Code, as given continuing effect through subdivision (d) of §25210.3 of Government Code, or directly by the County Community Development Agency, Environmental Management Division, as appropriate to the particular land and fee involved.

PASSED AND ADOPTED by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the \_\_\_\_ day of \_\_\_\_\_, 20\_\_, by the following vote of said Board:
