Term: This Agreement is upon final signature and shall continue through June 30, 2008. Furthermore, Contractor shall be obligated to perform such duties as would normally extend beyond this term, including but not limited to, obligations with respect to confidentiality, indemnification, audits, reporting and accounting, as set forth in the provisions of this Agreement.

ARTICLE III

Compensation for Services:

The total maximum obligation amounts provided by this Agreement are set forth below.

Offender Treatment Program Services Obligation:

FY 07/08 Funds	\$33,000.00
Funds for Prior Services	\$7,000.00

Total Provisional Amount of this Agreement:	\$40,000.00
--	--------------------

Total Not to Exceed Amount of this Agreement:	\$50,000.00
--	--------------------

The Total Provisional Amount of this Agreement is the maximum amount to which Contractor is entitled by County without a written formal request by Contractor to County to increase that amount, which must be approved and authorized in writing by the Administrator, identified herein under Article XXV, up to but not to exceed the Total Not to Exceed Amount of this Agreement. The Total Not to Exceed Amount of this Agreement is the maximum amount the Administrator is authorized by County to make available to Contractor for services provided under this Agreement. The

Administrator may increase or decrease the Total Provisional Amount of this Agreement, and may revise the component amounts of the Total Provisional Amount of this Agreement, as detailed in the grant and/or fund obligations above, up to but not to exceed the Total Not to Exceed Amount of this Agreement, by written notice to Contractor. County shall not be obligated to pay Contractor for any amount above the established Total Provisional Amount of this Agreement as shown herein above or as adjusted, approved, and authorized by the Administrator.

County shall reimburse Contractor within forty-five (45) days of receipt of original invoices that identify the date of service, period being billed, services performed, client who received services, compensation due for each service, and total compensation due for all services. The aggregate of amounts invoiced in any funding category may not exceed the total maximum obligation in that funding category.

Invoices shall be submitted to County at the Public Health Department, Finance Division, 941 Spring Street, Suite 4, Placerville, CA 95667.

All invoices to County shall be supported at Contractor's facility by source documentation that substantiates the accuracy, appropriateness, and necessity of services billed. Such documentation may include, but is not limited to: ledgers, books, vouchers, journals, time sheets, payrolls, signed attendance rosters, appointment schedules, client data cards, client payment records, client charts documenting services rendered, client treatment plans, cost allocation schedules, invoices, bank statements, cancelled checks, receipts, and receiving records. County may require Contractor to submit back-up documentation that supports monthly invoices along with any or all invoices. Failure of Contractor to supply requested documentation in support of any invoice may result in denial of payment by County. County shall determine the format and content of monthly invoices and backup documentation, Exhibits A and B, and may modify the format and/or content at any time by giving thirty (30) days advance notice to Contractor.

Treatment is to be billed by unit of service at County-approved standardized rates, presented and detailed under Exhibit D.

Contractor shall plan for even expenditure of funds provided by this Agreement throughout the term of the Agreement. That is, one twelfth of the total funding amount shall be budgeted for service delivery each month. To the maximum extent possible, Contractor shall deliver services each month that are commensurate with one twelfth of the total dollar amount available to pay for those services. To ensure that services are available continuously throughout the term of this Agreement, County reserves the right to defer payment of any amount included on a monthly invoice that exceeds one twelfth of the total amount available under this Agreement. Further, in the event Contractor expends the entire amount obligated by this Agreement before the end of the term of the Agreement, and the County has not previously deferred payment, the County offers no assurance that any additional amounts will be made available.

County has accepted services performed by Contractor meeting the description under Article I, Scope of Services, prior to the effective date of this Agreement. County agrees to compensate Contractor in the amount of \$7,000.00 for such prior services. The total amount herein agreed to be paid by County, including the amount for services performed during the term described under Article II, and the additional agreed payment of \$7,000.00 for prior accepted services, shall not exceed \$50,000.00.

ARTICLE IV

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto. County shall retain the right to amend this Agreement at any time to reallocate funds to support treatment activities under other agreements, or to reduce funds in response to State OTP or SACPA funding reductions that are imposed upon the County.

ARTICLE V

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE VI

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE VII

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE VIII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the

effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

In the event the State or federal government reduces, delays, or eliminates funding needed to carry out activities under this Agreement, in the sole discretion of the County this Agreement may be modified or cancelled in its entirety. Notice of intent to modify or cancel the Agreement pursuant to this paragraph shall be in writing and shall be delivered to Contractor as stated in Article XIII. Such notice shall be sent to Contractor not later than three work days from the County's receipt of notification of the funding reduction, delay, or termination. Contract modification or cancellation pursuant to this paragraph shall become effective on the date the reduction, delay, or elimination of funds is imposed upon the County, or on a later date determined by the County and at the sole discretion of the County.

ARTICLE IX

Cost Report:

Contractor shall submit a Cost Report to County on or before October 1 in the year in which this Agreement is terminated. Contractor shall prepare the Cost Report in accordance with all federal, State, and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. Such costs and allocations shall be supported by source documentation maintained by Contractor, and available at any time to County upon reasonable notice.

Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services provided hereunder. The Cost Report shall be the final financial record of services rendered under this Agreement for subsequent audits, if any.

Final Settlement shall be based upon the actual and reimbursable costs for services hereunder, less applicable revenues, not to exceed the Total Not to Exceed Amount of this Agreement as set forth in Article III of this Agreement. Contractor shall not claim expenditures to County which are not reimbursable pursuant to applicable federal, State and County laws, regulations and requirements. Any payment made by County to Contractor, which is subsequently determined to have been for a nonreimbursable expenditure or service, shall be repaid by Contractor to County in cash within forty-five (45) days of submission of the Cost Report or County may elect to reduce any amount owed Contractor by an amount not to exceed the reimbursement due County.

If the Cost Report indicates the actual and reimbursable costs of services provided pursuant to this Agreement, less applicable revenues, are lower than the aggregate of monthly provisional payments to Contractor, Contractor shall remit the difference to County. Such reimbursement shall be made, in cash, with the submission of the Cost Report. If such reimbursement is not made by Contractor within forty-five (45) days after submission of the Cost Report, County may, in addition to any other remedies, reduce any amount owed Contractor by an amount not to exceed the reimbursement due County.

If the Cost Report indicates the actual and reimbursable cost of services provided pursuant to this Agreement, less applicable revenues, are higher than the aggregate of monthly provisional payments to Contractor, then County shall pay Contractor the difference within forty-five (45) days after verification of amount owed, provided such payment does not exceed the Total Maximum Obligation of this contract.

The following attestation shall be attached to the Cost Report:

" I, _____ (Agency Director or Board of Director Chairman) _____, hereby declare under penalty of perjury under the laws of the State of California that I have executed the accompanying Cost Report and supporting documentation prepared by _____ for the cost report period beginning _____ and ending _____ and that, to the best of my knowledge, cost reimbursed through this Agreement are reasonable and allowable and directly or indirectly related to the services provided and that this Cost Report is a true, correct, and complete statement from the books and records of _____ in accordance with applicable instructions, except as noted. Executed this _____ day of _____, 20____ at _____, California."

 - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
- C. Effect of Termination.
 - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the Contractor shall return or destroy all PHI received from the County, created or received by the Contractor on behalf of the County. This provision shall apply to PHI that is in the possession of subcontractors or agents of the Contractor. Contractor shall retain no copies of the PHI.
 - (2) In the event that the Contractor determines that returning or destroying the PHI is infeasible, Contractor shall provide to the County notification of the conditions that make return or destruction infeasible. Upon {negotiated terms} that return or destruction of PHI is infeasible, Contractor shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as the Contractor maintains such PHI.

7. HIPAA Business Associate Indemnity

Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Business Associate Agreement. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

8. Amendment – the parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
