- E. Be responsible for reviewing and deciding on submitting comment letters, letters of support, and other formal written documents with the Alliance's name. The Steering Committee will be given 48 hours or more to come to a consensus through in-person, phone, or email communication for any submittal; signing onto and/or publishing written material on behalf of the Alliance.
- F. Operate by consensus with a commitment to cooperation across jurisdictional boundaries. Consensus process will follow a 'majority rules', where a $\frac{3}{4}$ majority threshold shall be met at the Steering Committee level. Vote is either objection or no objection. Email voting shall be allowed; email votes cast in advance of a meeting shall count toward the quorum. Organizations may choose to op-out of a vote; in this situation, they will not be included in the final vote.
- G. After the Steering Committee has agreed to take a position on a legislative, budget, or agency action, the final signed letter will be sent to the entire Alliance membership in order to ensure all members are aware of Alliance positions.
