El Dorado Community Health Centers

EL Dorado Community

Health Centers (EDCHC) provides primary health care with an emphasis on family practice. Services are structured around the patient and focused on making the Community Health Center your medical home for life.

As a Federally Qualified health Center (FQHC) we are committed to serving the community by providing primary health care to El Dorado County and the surrounding area.

Our Mission is to improve the health of our community through quality healing and preventive services.

For appointments at any of our locations please call our front office:
(530) 621-7700

Services we offer include:

- Comprehensive primary preventive healthcare including, immunizations, minor injuries, well-baby visits, acute care, diagnosis and treatment, chronic care management, and illness prevention.

Other services include:

- Discount pharmacy program.
- Dental
- Telemedicine
- Behavioral Health
- Podiatry
- Health Advocates, bilingual in English/Spanish
- Specialty referral management
- Assistance with Covered California enrollment
- Telephonic interpreting service offering interpreting in 17 languages.

Our Medical Team:

Our highly qualified medical staff are licensed by the State of California. Physicians are certified by the American Board of Family Practice

El Dorado Community Health Centers serves all patients regardless of ability to pay. Our doors are open to anyone needing medical assistance. No one will be denied on the basis of race, sex, creed, or religion.

Our Certified enrollment counselors can assist you with enrollment in health care plans that are available to you and your family through Covered California

We accept Medi-Cal, Medicare, Covered California Plans, and most private insurance. Uninsured patients may be eligible to receive a discount through a sliding fee payment, based on family size and income. Our staff can help you with questions regarding Medicare, Medi-Cal, and other health care plans.
