Hello,

Please relay this correspondence to the El Dorado Planning Commission that myself and MANY constituents encourage a no vote related to the request from Winn Communities. It is critical that building must stop within our community. The impact to the environment, lack of water and infrastructure, along with the fact that El Dorado County is being consumed with structures that are not needed, wanted, or warranted.

Unfortunately, I am unable to attend the meeting during the schedule time and appreciate my comments be passed on to the Board.

Thank you,
