ADDITIONAL DOCUMENTATION MAY BE ATTACHED

Departments must provide specifications that are non-restrictive and clearly describe the item or service in terms of function and performance. ALL "BRAND SPECIFIC" BID REQUESTS MUST BE JUSTIFIED. Drawings or samples should clearly describe the product or service.

Please attach additional pages as necessary Procurement & Contracts may request soft copy files of prepared documents

The Department of Transportation is requesting bids for High Performance Cold Patch Mix.

The Quotation Schedule attached includes two categories: A) Bulk purchase will be picked up from the vendor's location and B) Bagged Version will have the option of pickup or delivery.

We would like the option of samples being provided prior to bid award. The current bid with Syar was acquired by Vulcan and they are no longer going to provide the material.

The request for bid is for the purpose of:

Providing a patching material used to repair pot holes in all types of weather.

Without this product or service, the impact to the department would be:

Routine patching of potholes is not possible without this material, resulting in further deterioration of road conditions. Using a less durable temporary patching material will result in increased labor and equipment costs because it would require reapplication of the material.

Please list the individual(s) from OUTSIDE your department who will participate on the evaluation committee (Required for RFPs and RFQs)
