12241. On or before January 1, 2012, the secretary shall establish by regulation an annual administrative fee to recover reasonable administrative and enforcement costs incurred by the department for exercising supervision over and performing investigations in connection with the activities performed pursuant to Sections 12210 and 12211. This administrative fee shall be collected for every device registered with each county office of weights and measures, and paid to the Department of Food and Agriculture Fund beginning January 1, 2012, and annually thereafter.

12242. The revenue from any fee charged pursuant to Section 12240 shall be deposited in the general fund of the county and used solely for the activities required by Sections 12210 and 12211.

12243. In addition to providing notice as otherwise required, before adopting an ordinance charging fees pursuant to Section 12240, the board of supervisors shall hold at least one public meeting, at which oral or written presentations can be made, as part of a regularly scheduled meeting. Notice of the time and place of the meeting, including a general explanation of the matter to be considered, and a statement that the information required by this section is available, shall be mailed at least 14 days prior to the meeting to any interested party who files a written request with the board of supervisors. Any written request for the mailed notices shall be valid for one year from the date on which it is filed unless

a renewal request is filed. Renewal requests for the mailed notices shall be filed on or before April 1 of each year. The board of supervisors may establish a reasonable annual charge for sending the notices based on the estimated cost of providing that service. At least 10 days prior to the meeting, the board of supervisors shall make available to the public information indicating the amount of cost, or estimated cost, required to provide the service for which the fee is charged and the revenue sources anticipated to provide the service, including general fund revenues. If the fees create revenues in excess of actual cost, those revenues shall be used to reduce the fee creating the excess.

12244. Any costs incurred by the board of supervisors in conducting the required meeting may be recovered from fees charged for the services which were the subject of the meeting.

12246. This article shall remain in effect only until January 1, 2016, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2016, deletes or extends that date.
