Subject: BOS Meeting September 9, 2021

To: JOHN HIDAHL &lt;bosone@edcgov.us&gt;

John,

regarding upcoming meeting September 9, 2021 regarding rebuilding after Caldor Fire. Since many homeowner's insurance were cancelled by insurance company the Federal, State and County governments need to offer assistance to the uninsured homeowners.

Also encourage EL DORADO COUNTY to urge PG&E to bury electrical lines going forward to reduce risk of fire. AT&T burned telephone copper cables should be replaced with upgraded high speed fiber optic cables.
